Dear Reader, When I got my breast cancer diagnosis, I was immediately inundated with books on Cancer. They terrified me. So, this book...is *Not Your Usual Boob*. A little informative, a little sarcastic, a little funny—I hope—and a lot real. This is the book I wish I could have read in my time of need. A little bit of what you can expect during your journey, and how to prepare yourself with a healthy mindset and coping skills before they're needed. The #NoFilter is exactly that...no filter on the front cover—me and all my wonkiness with no photoshop—and it's what you'll find inside these pages—including an F-bomb or five. Because more important than shielding myself is being real with you. You may laugh, you may cry, you may want to punch me in the face...but in the end, remember this. If you ever meet me, I'm hugging you. Because that's me. And more than anything, that is the big reason behind this book. I

am still ME. And YOU are still YOU. XO ~ MK

 From the New York Times bestselling author of *The Life-Changing Magic of Not Giving a F*ck* and *Get Your Sh*t Together* comes more straight talk about how to stand up for who you are and what you really want, need, and deserve -- showing when it's okay to be selfish, why it's pointless to be perfect, and how to be "difficult." Being yourself should be easy, yet too many of us struggle to live on other people's terms instead of our own. Rather than feeling large and in charge, we feel little and belittled. Sound familiar? Bestselling "anti-guru" Sarah Knight has three simple words for you: YOU DO YOU. It's time to start putting your happiness first -- and stop letting other people tell

you what to do, how to do it, or why it can't be done. And don't panic! You can do it without losing friends and alienating people. Knight delivers her trademark no-bullsh*t advice about: The Tyranny of "Just Because" The social contract and how to amend it Turning "flaws" into strengths -- aka "mental redecorating" Why it's not your job to be nice Letting your freak flag fly How to take risks, silence the doubters, and prove the haters wrong Praise for Sarah Knight: "Genius." -- *Cosmopolitan* "Self-help to swear by." -- *The Boston Globe* "Hilarious... truly practical." -- *Booklist*
