The Remedy Penguin

Eli Monpress is brilliant. He's incorrigible. And he's a thief. He's also still at large, which drives Miranda Lyonette crazy. While she's been kicked out of the Spirit Court, Eli's had plenty of time to plan his next adventure. But now the tables have turned, because Miranda has a new job - - and an opportunity to capture a certain thief. Things are about to get exciting for Eli. He's picked a winner for his newest heist. His target: the Duke of Gaol's famous "thief-proof" citadel. Eli knows Gaol is a trap, but what's life without challenges? Except the Duke is one of the wealthiest men in the world, a wizard who rules his duchy with an iron fist, and an obsessive perfectionist with only one hobby: Eli. It seems that everyone is hunting for Eli Monpress.

*A Novel* Vintage

On a broken ship orbiting a doomed sun, dwellers have grown complacent with their aging metal world. But when a serving girl frees a captive noblewoman,

the old order is about to change....

Ariane, Princess of the House of Rule, was known to be fiercely cold-blooded. But severing an angel's wings on the battlefield—even after she had surrendered—proved her completely without honor. Captive, the angel Perceval waits for Ariane not only to finish her off—but to devour her very memories and mind. Surely her gruesome death will cause war between the houses—exactly as Ariane desires. But Ariane's plan may yet be opposed, for Perceval at once recognizes the young servant charged with her care. Rien is the lost child: her sister. Soon they will escape, hoping to stop the impending war and save both their houses. But it is a perilous journey through the crumbling hulk of a dying ship, and they do not pass unnoticed. Because at the hub of their turning world waits Jacob Dust, all that remains of God, following the vapor wisp of the angel. And he knows they will meet very soon.

"National Jewish Book Award winner Ron Balson returns triumphantly with Eli's Promise, a captivating saga of the

Holocaust and its aftermath spanning decades and continents. Readers will not be able to put this book down, but will turn the pages compulsively with heart in throat, eager to learn the fate of the Rosen family. Balson's meticulous historical detail, vivid prose and unforgettable characters further solidify his place among the most esteemed writers of historical fiction today." —Pam Jenoff, New York Times Bestselling Author of *The Lost Girls of Paris* A "fixer" in a Polish town during World War II, his betrayal of a Jewish family, and a search for justice 25 years later—by the winner of the National Jewish Book Award. Eli's *Promise* is a masterful work of historical fiction spanning three eras—Nazi-occupied Poland, the American Zone of post-war Germany, and Chicago at the height of the Vietnam War. Award-winning author Ronald H. Balson explores the human cost of war, the mixed blessings of survival, and the enduring strength of family bonds. 1939: Eli Rosen lives with his wife Esther and their young son in the Polish town of Lublin, where his family owns a construction company. As a consequence of the Nazi occupation, Eli's company is Aryanized, appropriated and transferred to Maximilian Poleski—an unprincipled profiteer who peddles favors to Lublin's subjugated residents. An uneasy alliance is formed; Poleski will keep the Rosen family safe if Eli will manage the business. Will Poleski honor his promise or will their relationship end in betrayal and tragedy? 1946: Eli resides with his son in a displaced persons camp in Allied-occupied Germany hoping for a visa to America. His wife has been missing since the war. One man is sneaking around the camps selling illegal visas; might he know what has happened to her? 1965:

Eli rents a room in Albany Park, Chicago. He is on a mission. With patience, cunning, and relentless focus, he navigates unfamiliar streets and dangerous political backrooms, searching for the truth. Powerful and emotional, Ronald H. Balson's *Eli's Promise* is a rich, rewarding novel of World War II and a husband's quest for justice.

Though on the surface these often appear to be little more than fairy or folk tales, the Sufis hold that they enshrine - in their charac...

*Save the Cat* Algonquin Books

A cyber-dystopian thriller unlike any other. In a near future Tokyo, every action—from blinking to sexual intercourse—is intellectual property owned by corporations that charge licensing fees. A BodyBank computer system implanted in each citizen records their movements from moment to moment, and connects them to the audio-visual overlay of the ImmaNet, so that every inch of this cyber-dystopian metropolis crawls with information and shifting cinematic promotainment. Amon Kenzaki works as a Liquidator for the Global Action Transaction Authority. His job is to capture bankrupt citizens, remove their BodyBank, and banish them to BankDeath Camps where they are forever cut off from the action-transaction economy. Amon always plays by the rules and is steadily climbing the Liquidation Ministry ladder. With his savings accumulating and another promotion coming, everything

seems to be going well, until he is asked to cash crash a charismatic politician and model citizen, and soon after is charged for an incredibly expensive action called “jubilee” that he is sure he never performed. To restore balance to his account, Amon must unravel the secret of jubilee, but quickly finds himself asking dangerous questions about the system to which he’s devoted his life, and the costly investigation only drags him closer and closer to the pit of bankruptcy. In book one of the Jubilee Cycle, *Cash Crash Jubilee*, debut novelist Eli K. P. William wields the incisive power of speculative fiction to show how, in a world of corporate finance run amok, one man will do everything for the sake of truth and justice. Skyhorse Publishing, under our Night Shade and Talos imprints, is proud to publish a broad range of titles for readers interested in science fiction (space opera, time travel, hard SF, alien invasion, near-future dystopia), fantasy (grimdark, sword and sorcery, contemporary urban fantasy, steampunk, alternative history), and horror (zombies, vampires, and the occult and supernatural), and much more. While not every title we publish becomes a New York Times bestseller, a national bestseller, or a Hugo or Nebula award-winner, we are committed to publishing quality books from a diverse group of authors.

Six years on the inside gave a man a lot of time to think. And a lot of time to plan. When I got out, I was determined for things to go a different way. I never wanted to lose control and rage out again. The only way to accomplish that, though, was to shut it all down. Complete disconnect. That meant no family, no friends, no links to anything attached to the man I was before. Of

course the problem was, I never factored HER into my plans. And try as I might, I couldn't find a way to shut it down, to disconnect from her. I had a sneaking suspicion she was going to take all my carefully constructed plans and toss them out the window, was going to force me to face up the demons inside and confront the ghosts from my past. Those ghosts? They wore the faces of my family. And a confrontation with them, yeah, I had a feeling it was going to show me that I had spent six years taking action on beliefs about the demons inside. Demons that had never actually existed in the first place...

#### The Essence of Sufism Penguin

An innovative story of love, decapitation, cryogenics, and memory by two of our most creative literary minds Jorie has just received some terrible news. A phone full of missed calls and sympathetic text messages seem to indicate that her husband, Jim, a chaplain at the hospital where she works as a surgeon, is dead. Only, not quite—rather, his head has been removed from his body and cryogenically frozen. Jim awakes to find himself in an altogether unique situation, to say the least: his body gone but his consciousness alive, his only companion a mysterious, disembodied voice. In this surreal and unexpectedly moving work, Chris Adrian and Eli Horowitz spin a tale of loss and adjustment, death and reawakening. Simultaneously fabulist and achingly human, *The New World* finds Jorie grieving the husband she knew while Jim wrestles with the meaning of life after death. Conceived in collaboration with Atavist Books, *The New World* interrogates love and loss in the digital era.

#### West of Here Dab Publishing

At the foot of the Elwha River, the

muddy outpost of Port Bonita is about to boom, fueled by a ragtag band of dizzyingly disparate men and women unified only in their visions of a more prosperous future. A failed accountant by the name of Ethan Thornburgh has just arrived in Port Bonita to reclaim the woman he loves and start a family. Ethans obsession with a brighter future impels the damming of the mighty Elwha to harness its power and put Port Bonita on the map. More than a century later, his great-great grandson, a middle manager at a failing fish- packing plant, is destined to oversee the undoing of that vision, as the great Thornburgh dam is marked for demolition, having blocked the very lifeline that could have sustained the town. West of Here is a grand and playful odyssey, a multilayered saga of destiny and greed, adventure and passion, that chronicles the life of one small town, turning Americas history into myth, and myth into a nations shared experience.

**A Novel** W. W. Norton & Company  
 Alex Rogo is a harried plant manager working ever more desperately to try and improve performance. His factory is rapidly heading for disaster. So is his marriage. He has ninety days to save his plant - or it will be closed by corporate HQ, with hundreds of job losses. It takes a chance meeting with a colleague from student days - Jonah - to help him break out of conventional ways of thinking to see what needs to be done. Described by Fortune as a 'guru to industry' and by Businessweek as a 'genius', Eliyahu M. Goldratt was an internationally recognized leader in the development of new business management concepts and systems. This 20th anniversary edition includes a series of detailed case study interviews by David Whitford, Editor at Large, Fortune Small Business,

which explore how organizations around the world have been transformed by Eli Goldratt's ideas. The story of Alex's fight to save his plant contains a serious message for all managers in industry and explains the ideas which underline the Theory of Constraints (TOC) developed by Eli Goldratt. Written in a fast-paced thriller style, The Goal is the gripping novel which is transforming management thinking throughout the Western world. It is a book to recommend to your friends in industry - even to your bosses - but not to your competitors!

In 1540 Istanbul, 12-year-old Jahan, an animal tamer in the sultan's menagerie who cares for an exceptionally smart elephant named Chota, is taken under the wing of the empire's chief architect and bears witness to the creation of some of the most magnificent buildings in history. By the author of The Bastard of Istanbul.

**A Process of Ongoing Improvement** St. Martin's Press

The #1 New York Times Bestseller "An engaging look at the often head-scratching, frequently infuriating mating behaviors that shape our love lives."  
 —Refinery 29 A hilarious, thoughtful, and in-depth exploration of the pleasures and perils of modern romance from Aziz Ansari, the star of Master of None and one of this generation's sharpest comedic voices At some point, every one of us embarks on a journey to find love. We meet people, date, get into and out of relationships, all with the hope of finding someone with whom we share a deep connection. This seems standard now, but it's wildly different from what people did even just decades ago. Single people today have more romantic options than at any point in human

history. With technology, our abilities to connect with and sort through these options are staggering. So why are so many people frustrated? Some of our problems are unique to our time. “Why did this guy just text me an emoji of a pizza?” “Should I go out with this girl even though she listed Combos as one of her favorite snack foods? Combos?!” “My girlfriend just got a message from some dude named Nathan. Who’s Nathan? Did he just send her a photo of his penis? Should I check just to be sure?” But the transformation of our romantic lives can’t be explained by technology alone. In a short period of time, the whole culture of finding love has changed dramatically. A few decades ago, people would find a decent person who lived in their neighborhood. Their families would meet and, after deciding neither party seemed like a murderer, they would get married and soon have a kid, all by the time they were twenty-four. Today, people marry later than ever and spend years of their lives on a quest to find the perfect person, a soul mate. For years, Aziz Ansari has been aiming his comic insight at modern romance, but for *Modern Romance*, the book, he decided he needed to take things to another level. He teamed up with NYU sociologist Eric Klinenberg and designed a massive research project, including hundreds of interviews and focus groups conducted everywhere from Tokyo to Buenos Aires to Wichita. They analyzed behavioral data and surveys and created their own online research forum on Reddit, which drew thousands of messages. They enlisted the world’s leading social scientists, including Andrew Cherlin, Eli Finkel, Helen Fisher, Sheena Iyengar, Barry Schwartz, Sherry Turkle, and Robb Willer. The result is unlike any social science or humor book we’ve seen

before. In *Modern Romance*, Ansari combines his irreverent humor with cutting-edge social science to give us an unforgettable tour of our new romantic world.

In 1819, kidnapped chef Owen Wedgwood transforms meager shipboard supplies into sumptuous meals at the behest of his kidnapper, pirate queen Mad Hannah Mabbot, while she pushes her exhausted crew to track down a deadly privateer.

**The Goal** Bloomsbury Publishing USA Shortlisted for the 2019 Booker Prize Named a Best Book of the Year by Bookpage, NPR, Washington Post, and The Economist A moving novel on the power of friendship in our darkest times, from internationally renowned writer and speaker Elif Shafak. In the pulsating moments after she has been murdered and left in a dumpster outside Istanbul, Tequila Leila enters a state of heightened awareness. Her heart has stopped beating but her brain is still active-for 10 minutes 38 seconds. While the Turkish sun rises and her friends sleep soundly nearby, she remembers her life-and the lives of others, outcasts like her. Tequila Leila's memories bring us back to her childhood in the provinces, a highly oppressive milieu with religion and traditions, shaped by a polygamous family with two mothers and an increasingly authoritarian father. Escaping to Istanbul, Leila makes her way into the sordid industry of sex trafficking, finding a home in the city's historic Street of Brothels. This is a dark, violent world, but Leila is tough and open to beauty, light, and the essential bonds of friendship. In *Tequila Leila's* death, the secrets and wonders of

modern Istanbul come to life, painted vividly by the captivating tales of how Leila came to know and be loved by her friends. As her epic journey to the afterlife comes to an end, it is her chosen family who brings her story to a buoyant and breathtaking conclusion.

*Cash Crash Jubilee* Penguin

This book is about savoring life—the capacity to attend to the joys, pleasures, and other positive feelings that we experience in our lives. The authors enhance our understanding of what savoring is and the conditions under which it occurs. Savoring provides a new theoretical model for conceptualizing and understanding the psychology of enjoyment and the processes through which people manage positive emotions. The authors review their quantitative research on savoring, as well as the research of others, and provide measurement instruments with scoring instructions for assessing and studying savoring. Authors Bryant and Veroff outline the necessary preconditions that must exist for savoring to occur and distinguish savoring from related concepts such as coping, pleasure, positive affect, emotional intelligence, flow, and meditation. The book's lifespan perspective includes a conceptual analysis of the role of time in savoring. Savoring is also considered in relation to human concerns, such as love, friendship, physical and mental health, creativity, and spirituality. Strategies and hands-on exercises that people can use to enhance savoring in their lives are provided, along with a review of factors that enhance savoring. Savoring is intended for researchers, students, and practitioners interested in positive psychology from the fields of social, clinical, health, and personality psychology and related disciplines. The

book may serve as a supplemental text in courses on positive psychology, emotion and motivation, and other related topics. The chapters on enhancing savoring will be especially attractive to clinicians and counselors interested in intervention strategies for positive psychological adjustment.

*The Summer of Broken Rules* Hachette UK

New York Times Bestseller Over 2.5 million copies sold For David Goggins, childhood was a nightmare - poverty, prejudice, and physical abuse colored his days and haunted his nights. But through self-discipline, mental toughness, and hard work, Goggins transformed himself from a depressed, overweight young man with no future into a U.S. Armed Forces icon and one of the world's top endurance athletes. The only man in history to complete elite training as a Navy SEAL, Army Ranger, and Air Force Tactical Air Controller, he went on to set records in numerous endurance events, inspiring *Outside* magazine to name him The Fittest (Real) Man in America. In this curse-word-free edition of *Can't Hurt Me*, he shares his astonishing life story and reveals that most of us tap into only 40% of our capabilities. Goggins calls this The 40% Rule, and his story illuminates a path that anyone can follow to push past pain, demolish fear, and reach their full potential.

**The Spirit Rebellion** Skyhorse  
AN INSTANT NEW YORK TIMES  
BESTSELLER! From the # 1 New York Times bestselling author of *Eat Pray Love* and *The Signature of All Things*, a delicious novel of glamour, sex, and adventure, about a young woman discovering that you don't have to be a good girl to be a good person. "A spellbinding novel about love, freedom, and finding your own happiness." - PopSugar "Intimate and richly sensual, razzle-dazzle with a hint of danger." - USA Today "Pairs well with a cocktail...or two." -TheSkimm "Life is both fleeting and dangerous, and there is no point in denying yourself pleasure, or being anything other than what you are." Beloved author Elizabeth Gilbert returns to fiction with a unique love story set in the New York City theater world during the 1940s. Told from the perspective of an older woman as she looks back on

her youth with both pleasure and regret (but mostly pleasure), *City of Girls* explores themes of female sexuality and promiscuity, as well as the idiosyncrasies of true love. In 1940, nineteen-year-old Vivian Morris has just been kicked out of Vassar College, owing to her lackluster freshman-year performance. Her affluent parents send her to Manhattan to live with her Aunt Peg, who owns a flamboyant, crumbling midtown theater called the Lily Playhouse. There Vivian is introduced to an entire cosmos of unconventional and charismatic characters, from the fun-chasing showgirls to a sexy male actor, a grand-dame actress, a lady-killer writer, and no-nonsense stage manager. But when Vivian makes a personal mistake that results in professional scandal, it turns her new world upside down in ways that it will take her years to fully understand. Ultimately, though, it leads her to a new understanding of the kind of life she craves - and the kind of freedom it takes to pursue it. It will also lead to the love of her life, a love that stands out from all the rest. Now eighty-nine years old and telling her story at last, Vivian recalls how the events of those years altered the course of her life - and the gusto and autonomy with which she approached it. "At some point in a woman's life, she just gets tired of being ashamed all the time," she muses. "After that, she is free to become whoever she truly is." Written with a powerful wisdom about human desire and connection, *City of Girls* is a love story like no other.

**The Island of Missing Trees** Wyatt North Publishing, LLC  
A REESE'S BOOK CLUB PICK "A wise novel of love and grief, roots and branches, displacement and home, faith and belief. Balm for our bruised times." - David Mitchell, author of *Utopia Avenue*

A rich, magical new novel on belonging and identity, love and trauma, nature and renewal, from the Booker-shortlisted author of *10 Minutes 38 Seconds in This Strange World*. Two teenagers, a Greek Cypriot and a Turkish Cypriot, meet at a taverna on the island they both call home. In the taverna, hidden beneath garlands of garlic, chili peppers and creeping honeysuckle, Kostas and Defne grow in their forbidden love for each other. A fig tree stretches through a cavity in the roof, and this tree bears witness to their hushed, happy meetings and eventually, to their silent, surreptitious departures. The tree is there when war breaks out, when the capital is reduced to ashes and rubble, and when the teenagers vanish. Decades later, Kostas returns. He is a botanist looking for native species, but really, he's searching for lost love. Years later a *Ficus carica* grows in the back garden of a house in London where Ada Kazantzakis lives. This tree is her only connection to an island she has never visited--- her only connection to her family's troubled history and her complex identity as she seeks to untangle years of secrets to find her place in the world. A moving, beautifully written, and delicately constructed story of love, division, transcendence, history, and eco-consciousness, *The Island of Missing Trees* is Elif Shafak's best work yet.

*The Blue Book of Grammar and Punctuation* K Webster

Andy Tyler has been the class daredevil since middle school. Over the years, he's convinced his best friend, Jake

Masterson, to perform some dangerous-looking stunts with him. But the dare they attempt on the night of their college graduation goes sideways. The firecrackers explode too soon and both of them end up with badly burned palms. But hey, nothing gets the "terrible two-o" down for long, and they recuperate in style at Andy's family cottage in Cape Cod. As the weeks go by, both Andy and Jake grow frustrated over the inability to use their hands for all sorts of daily activities--including getting off. So Andy begins a new series of dares that don't just cross the friendship line, they obliterate it. But what might be mere sexual relief to Andy is serious business to Jake, who only recently got over years of secret pining for his straight best friend. Inevitably, the burns heal, summer ends, and hearts are broken. To fix things, Andy will have to face the greatest dare of all.

**Best Boy: A Novel** Bloomsbury Publishing USA

Eli Monpress is talented. He's charming. And he's a thief. But not just any thief. He's the greatest thief of the age - and he's also a wizard. And with the help of his partners - a swordsman with the most powerful magic sword in the world but no magical ability of his own, and a demonseed who can step through shadows and punch through walls - he's going to put his plan into effect. The first step is to increase the size of the bounty on his head, so he'll need to steal some big things. But he'll start small for now. He'll just steal something that no one will miss - at least for a while. Like a king.
