Eisner Award-nominated writer W. Maxwell Prince (Ice Cream Man) comes to BOOM! Studios with Eisner-nominated artist Tyler Jenkins (Grass Kings, Black Badge) for an unforgettable thriller that explores the miraculous, the mundane, and all the mysteries in between. Lovable drunken lowlife Denis awakens on the outskirts of a mysterious village called Nowhere, home to a friendly populace of deformed, mutated, just-left-of-normal citizens—and he has no memory of how he got there. But just when Denis starts to regain his

memories, his past catches up to him...

literally. What at first seems like merely a bad trip quickly heightens into a drama of mistaken identities, small-town conspiracy, and high-stakes fantasy fulfillment.

This is the first unexpurgated English edition of Curzio Malaparte's legendary work *The Skin*. The book begins in 1943, with Allied forces cementing their grip on the devastated city of Naples. The sometime Fascist and ever-resourceful Curzio Malaparte is working with the Americans as a liaison officer. He looks

after Colonel Jack Hamilton, "a Christian gentleman . . . an American in the noblest sense of the word," who speaks French and cites the classics and holds his nose as the two men tour the squalid streets of a city in ruins where liberation is only another word for desperation. Veterans of the disbanded Italian army beg for work. A rare specimen from the city's famous aquarium is served up at a ceremonial dinner for high Allied officers. Prostitution is rampant. The smell of death is everywhere. Subtle, cynical, evasive, manipulative, unnerving, always astonishing, Malaparte is a supreme artist of the unreliable, both the product and the prophet of a world gone rotten to the core. In the mold of his acclaimed *History of Beauty*, renowned cultural critic Umberto Eco's *On Ugliness* is an exploration of the monstrous and the repellant in visual culture and the arts. What is the voyeuristic impulse behind our attraction to the gruesome and the horrible? Where does the magnetic appeal of the sordid and the scandalous come from? Is ugliness also in the eye of the beholder? Eco's encyclopedic knowledge and captivating storytelling skills combine in this ingenious

study of the Ugly, revealing that what we often shield ourselves from and shun in everyday life is what we're most attracted to subliminally. Topics range from Milton's Satan to Goethe's Mephistopheles; from witchcraft and medieval torture tactics to martyrs, hermits, and penitents; from lunar births and disemboweled corpses to mythic monsters and sideshow freaks; and from Decadentism and picturesque ugliness to the tacky, kitsch, and camp, and the aesthetics of excess and vice. With abundant examples of painting and sculpture ranging from ancient Greek amphorae to Bosch, Brueghel, and Goya among others, and with quotations from the most celebrated writers and philosophers of each age, this provocative discussion explores in-depth the concepts of evil, depravity, and darkness in art and literature.
