100 dependable recipes including no-fuss weeknight dinners plus leisurely weekend meals to look forward to, from the bestselling author of *Once Upon a Chef*. Years before she started her popular *Once Upon a Chef* blog, back when she became a new mom, Jennifer Segal kept a recipe binder divided into two sections- Weeknight and Weekend. This is how she thought about what to cook for dinner, and, fifteen years later, it still is. In this versatile collection, you'll find seventy recipes for fast and easy weeknight

meals, like Sesame-Ginger Meatballs and Pecorino-Crusted Chicken with Rosemary, and thirty recipes for slow, soothing weekend cooking, whether that's company-friendly Sear-Roasted Beef Tenderloin with Horseradish Cream Sauce or lazy Sunday morning Popovers with Salted Maple Butter. You'll also find Jenn's favorite desserts, like Cherry Ricotta Cake and Triple Chocolate Cheesecake, that are easy enough for the weeknight rush and luscious enough for weekend rest and celebration. Featuring seventy all-new dishes plus thirty fan favorites from her popular blog, *Once Upon a Chef*, each recipe is tested and retested multiple times in Jenn's home kitchen to ensure they are reliable, delicious, and sure to please every night of the week.

Colour is fundamental to painting and the ability to mix and reproduce specific hues is an art in itself. Colour theory can be dull and complicated, but in this book, experienced artist and teacher, Sharon Finmark, demonstrates colour mixing in a practical and

easy-to-follow way. In addition to being an extensive visual sourcebook to nearly 600 colour mixes, there are paintings featured throughout with all the different hues and mixes in each painting analysed and annotated. In this way, acrylic painters learn by application how to get the best out of their paints.

This could be the most useful watercolour reference book you will ever find. This book has been designed for use by anyone with an interest in watercolour, whether beginner or very experienced artist. It contains hand-painted mixing charts created using a palette of only fifteen carefully chosen colours. Every possible 2-colour mix is shown, along with the most useful 3-colour mixes. The charts have been professionally photographed and colour-matched to be as true to life as possible. Each page is rich with notes about

the various colour mixes and their suggested uses in paintings. This is the Standard paper version. It is also available in slightly thicker Premium Matt paper and as an eBook for use on Apple Mac, iPads and iPhones.

**Polymer Clay Color Inspirations** Walter Foster

This is a basic book on the theory of color mixing -- but it's not your ordinary color theory book by any means. This one comes from Helen Van Wyk, recognized by her many thousands of fans and by her contemporaries as the quintessential expert on color mixing. She explains color mixing clearly so that oil and acrylic painters will learn how to put color theory into action. They'll see how they can paint any subject with the six basic colors

plus white and gray.

Follow these three simple steps to mix virtually any skin tone. Step one, match a palette of skin tones from this book to your portrait subject. Step two, create the master skin tone recipe for this palette using the color mixing grid to measure each paint color. Step three, follow the recipes to create all the skin tones you'll need to complete your portrait -- from light values to shadows. Also features color theory, graying skin tones naturally, identifying facial planes, eye and hair color tones, and more.

Lindly Haunani and Maggie Maggio are renowned for their courses and workshops on color as well as for their outstanding polymer clay work. In this book, they offer instruction and inspiration that focuses on polymer clay as a learning tool that readers can use to explore their own color instincts and preferences and develop their own

palettes. Each chapter investigates a specific color principle, with the discussion supported by a related exercise, a "studio tool" assignment or demonstration, a polymer clay jewelry project, and a profile of a prominent polymer clay artist.

A New York Times

Bestseller Winner of the James Beard Award for General Cooking and the IACP Cookbook of the Year Award "The one book you must have, no matter what you're planning to cook or where your skill level falls."—New York Times Book Review Ever wondered how to pan-fry a steak with a charred crust and an interior that's perfectly medium-rare from edge to edge when you cut into it? How to make homemade mac 'n' cheese that is as satisfyingly gooey and

velvety-smooth as the blue box stuff, but far tastier? How to roast a succulent, moist turkey (forget about brining!)—and use a foolproof method that works every time? As Serious Eats's culinary nerd-in-residence, J. Kenji López-Alt has pondered all these questions and more. In *The Food Lab*, Kenji focuses on the science behind beloved American dishes, delving into the interactions between heat, energy, and molecules that create great food. Kenji shows that often, conventional methods don't work that well, and home cooks can achieve far better results using new—but simple—techniques. In hundreds of easy-to-make recipes with over 1,000 full-color images, you will find out how to make foolproof Hollandaise sauce in just two minutes, how to transform one simple tomato sauce into a half dozen dishes, how to make the crispiest, creamiest potato casserole ever conceived, and much more.
