HypnosisQuantum Healing Hypnosis Technique<sup>SM</sup> (QHHT®) is a beautiful method developed by Dolores Cannon over several decades of practice in hypnosis with thousands of clients. This technique will very quickly allow people to access that part of themselves that has all of the answers and receive instantaneous healing if it's appropriate. QHHT Official Hypnosis Training - What is Quantum Healing ...Dolores Cannon's method of hypnosis, Quantum Healing Hypnosis Technique<sup>SM</sup> (QHHT®), involves inducing an individual into the Somnambulistic state of trance through visualization. A state which under ordinary circumstances is experienced only twice daily: the moment just before you become consciously awake and the moment just before you fall asleep. Historically, hypnotists have avoided conducting research with subjects in this state because of the often strange and inexplicable results ...What is Quantum Healing Hypnosis Technique? - Dolores CannonQuantum Healing Hypnosis Technique. QHHT is the method of

hypnosis created by the late Dolores Cannon. She developed the technique during her 45 years of research and has authored nearly twenty books on the subject. Dolores learned that working with clients while they were in a state of hypnotic trance allowed access to unlimited knowledge; including past lives they have lived, infinite access to personal information unknown to the client in the wakened state, and the power to heal oneself ...Quantum Heart HypnosisQHHT® is known as the gold standard in past life regression for healing at the deepest spiritual level. It's a special technique of hypnosis created by renowned past life regressive hypnotherapist Dolores Cannon. Practitioners use the method "purely" and with strict adherence by following the scripts so that sessions are conducted in-person, just like Dolores Cannon would have conducted.
