Worm Loves Worm Millbrook Press ™

Worms don't take good family photos, do they? Find out in this hilarious picture book from a Caldecott Honor illustrator and debut author about a young worm who comes to appreciate her very unusual family for who they are. Emma is excited for her worm family to have their portrait taken. But when she sees her other friends' portraits, she gets discouraged. "We had the most beautiful smiles," Ellie the Chipmunk squeals. Abigail the Cat meows, "I looked gorgeous with my big poufy hair." The worm family doesn't have teeth...how will they show their beautiful

smiles? They don't have hair either...how can it look big and poufy?! So Emma gathers wigs, giant fake teeth, and colorful clothing for her parents and sisters. But it's only after taking off their costumes that the worm family is able to wriggle and squiggle and squeeze into a delightful pose that only a worm family can make. And Emma? She thinks it's perfectly perfect.

Penguin

"Join in the rainy-day fun as kids splash through the puddles, affecting another weather enthusiast, a nearby worm. The worm delights in the weather just as much as the kids"--

Wonderful Worms Bearport Publishing

Sofia comes from a family of storytellers. Here are her tales of growing up in the barrio, full of the magic and mystery of family traditions: making Easter cascarones, celebrating el Dia de los Muertos, preparing for quincea-era, rejoicing in the Christmas nacimiento, and curing homesickness by eating the tequila worm. When Sofia is singled out to receive a scholarship to an elite boarding school, she longs to explore life beyond the barrio, even though it means leaving her family to navigate a strange world of rich, privileged kids. It's a different mundo, but one where Sofia's

traditions take on new meaning and illuminate her path.

Yucky Worms ABC-CLIO

The first in a series of humorous books about disgusting creatures, *The Fly* is a look at the common housefly. It covers

such topics as the hair on the fly's body (requires a lot of shaving), its ability to walk on the ceiling (it's pretty cool, but it's hard to play soccer up there), and its really disgusting food tastes (garbage juice soup followed by dirty diaper with rotten tomato sauce, for example). Although silly and off-the-wall, *The Fly* contains factual information that will both amuse and teach at the same time.

Ear Worm! Createspace Independent Publishing Platform

The earliest and greatest works of Greek literature - *The Iliad* and *The Odyssey*, have been attributed since antiquity to the poet Homer. This concise book is an introduction to the poet and his two great epics. Assuming no prior knowledge of Greek, the author supplies all the background information necessary to understand the poems. The book presents an overview of the Homeric question - considering the authorship, composition and transmission of the poems. It provides the historical background to the epics, literary readings of the *Iliad* and the *Odyssey*, and an analysis of the poet's plotting, narrative technique, and characterization. The author uses comparisons between the two poems to illustrate Homeric poetics. A final section reviews the important secondary literature on Homer and offers a guide to further reading. Throughout the author makes use of his own original research, especially on the relations between Greek alphabetic writing and the origins of Greek literature.

The Worm Family Has Its Picture Taken

The all-time classic picture book, from generation to generation, sold somewhere in the world every 30 seconds! Have you shared it with a child or grandchild in your life? For the first time, Eric Carle's *The Very Hungry Caterpillar* is now available in e-book

format, perfect for storytime anywhere. As an added bonus, it includes read-aloud audio of Eric Carle reading his classic story. This fine audio production pairs perfectly with the classic story, and it makes for a fantastic new way to encounter this famous, famished caterpillar.

There's a Hair in My Dirt! Abrams

A hungry chicken (who thinks he's a flamingo) and a quick-thinking worm set off on a madcap adventure — and forge an unlikely friendship. Marcus is a worm, and a bird named Laurence who looks very much like a chicken is about to eat him for breakfast. So what does Marcus do? He strikes up a conversation, of course! But even after talking his way out of being eaten, Marcus's troubles are just beginning: soon he is clinging to Laurence's neck as the designated navigator on an absurd journey to Kenya, where his feathered companion dreams of finding happiness with other flamingos like himself. Except Marcus can't actually read a map, and this bird is clearly not a flamingo. Will Marcus be able to get them both to Africa — or even manage to survive the day? Peppered with kid-friendly illustrations, this is a buddy comedy that will have readers wriggling with laughter.
