**Black Panther: A Nation Under Our Feet, Book One: EW ...**  
The Black Panther movie clearly draws on some of the ideas from this run - questions about Wakanda's role as a

nation and what path its future will take, and T'Challa's dual position as both king and hero - but the movie wrapped that all up in a bundle of action, threat and purpose that this third book rarely manages.  
Graphic Novels | Black Panther Series | Ta-Nehisi Coates  
Entitles A Nation Under Our Feet, the arc took place after some major Marvel event or another, following T'Challa as he

returns to Wakanda and struggles with his place in this nation as a sovereign king in a world that's pushing toward democracy, trying to understand the balance between self and country, and trying to admit his failures as a leader as he's been caught up in global struggles to the detriment of his own country.
