The American Heritage Dictionary Dell

The American Heritage Dictionary Define-a-Thon for the High School Graduate offers an entertaining way to help high school students and graduates become vocabulary masters. Written by the editors of the American Heritage dictionaries, this book will encourage students and parents alike to energize their word power. The book has two parts—a challenge section and an answers section. Each question in the challenge section consists of a definition along with four candidate words, of which only one is correct. The answers section gives the correct answer and shows that word in an example sentence. It also provides word histories and quotations by respected authors. All the candidate words are defined, and there is a separate list of the correct answers for quick look-up. The American Heritage Dictionary Define-a-Thon for the High School Graduate offers a fun and easy way for anyone who enjoys language to get on good terms with some useful new words and to appreciate the importance of a strong vocabulary.

The American Heritage Medical Dictionary Houghton Mifflin Harcourt

Presents questions consisting of a definition and four words that may have that meaning, along with an answer key that uses the correct word in a sentence, reveals its etymology, and provides correct definitions for the other three possible answers.

The American Heritage College Thesaurus Viking Adult

Curious George gets curious about words in this illustrated dictionary designed for children from preschool through kindergarten. In an illustrated introduction to this unique dictionary, Curious George learns how to look up words before embarking on an educational adventure through a vocabulary list chosen specifically for children ages four to six. The dictionary itself presents approximately 600 words, with six words to a page. Each entry is illustrated with a full-color drawing, and more than half of the illustrations include a sample sentence that puts the word in context. At the end of the book, eight full-page features present groups of thematically related words such as colors, shapes, and numbers.
