After being betrayed and cursed by an extremely rare spell, Oren, a powerful and influential player, finds himself as a 1st level Goblin! Without even a fraction of his previous power, he vows to pull through and have revenge on those who betrayed him. His thorough knowledge of the game's world and his unique ability to immerse himself entirely are his only advantages. But first,

he must figure out how to survive long enough playing what is basically a low-level fodder monster!

A Short History of the Wars of the Roses MC PUBLICATIONS INC.

One fateful day, a caravan was passing by the village of Teira, which had been raided and set ablaze by bandits. Within the burning rubble, a young woman found a baby, the sole survivor of the attack, and decided to take it with her and raise it as her own. As she was leaving with the little child in her hands, two falling stars lit up the night sky, and she named the boy Asterios. Years passed and the boy grew up in a caring and warm home, developing a passion for all magical beasts, choosing the

path of a Summoner as his way of life. While his love and knowledge also grew boundless, his practical abilities clearly pointed out his complete lack of compatibility with that school of magic, but he never wavered in his resolution. Follow Asterios as his life of perpetual failure suddenly takes an unexpected turn, after just seconds short of his death, a powerful summon answers his call and saves his life. Wait... doesn't it look like... A GIRL?! Are those beast ears and tail?! This story includes: Mystery of the past looming in the background. Sudden strength gain with progressive development. Mild romance with a shy but strong heroine. Caring and devoted

protagonist, albeit serious and decisive when confronted. Slowly growing harem. Chill and quite relaxed adventure story with a pinch of unabridged intimate situations.

There were things lurking in the streets of New York City that your average citizen had no idea about. Shifters, giants, hungry beasts, the undead, creatures of legend, flying terrors - you name it, New York City had it. Through the Monster Hunt App, I became the Alpha of two powerful Huntresses: one a half-dragon female fond of combat and banter, the other a cute warrior

fond of reading spell books and wielding two blades. Our goal? Hunt these mythological creatures in the parks, rooftops, and back alleys of New York City; build a fighting party to compete in brawls and tournaments in the city and beyond; earn money; and try our damndest not to get arrested.

What if co-incidences in our lives are nothing but a result of a dice thrown by some higher being? What if, to the heavens, our lives are nothing but rows of dominos ready to be

put into action? What if we all are mere pieces of pawns carefully played upon by a cosmic chessmaster? 'That Thing About You' is an uncommon story of a common man rejected in love. This is a story of a man walking on the path of self-discovery. Subodh, a regular IT employee, is perceived as an immature man by everyone, but he isn't bothered until his love interest rejects him citing the same. Although dejected and crestfallen, he soon befriends an unusual, mysterious woman who knows everything about him and seems to have all the answers. Soon, his life goes through a lot of unexpected turns—from doubting his sanity and visiting a psychologist to a failed

arranged marriage attempt made by his parents. Everything in his life seems to be in fast-forward mode. One thing that does not change, however, is this unusual “friend” of his who refuses to reveal her identity and chooses to appear at her whim. Who is this mysterious woman? Why is she prying into his life? Where will this strange friendship lead him? Is some impending danger awaiting Subodh or is it something else altogether?

Rise of the New World Order V. M. Jaskiernia

The Wars of the Roses (c. 1455-1487) are renowned as an infamously savage and tangled slice of English history. A bloody thirty-year struggle between the dynastic houses of

Lancaster and York, they embraced localised vendetta (such as the bitter northern feud between the Percies and Nevilles) as well as the formal clash of royalist and rebel armies at St Albans, Ludford Bridge, Mortimer's Cross, Towton, Tewkesbury and finally Bosworth, when the usurping Yorkist king, Richard III, was crushed by Henry Tudor. Powerful personalities dominate the period: the charismatic and enigmatic Richard III, immortalized by Shakespeare; the slippery Warwick, the Kingmaker', who finally over-reached ambition to be cut down at the Battle of Barnet; and guileful women like Elizabeth Woodville and Margaret of Anjou, who for a time ruled

the kingdom in her husband's stead. David Grummitt places the violent events of this complex time in the wider context of fifteenth-century kingship and the development of English political culture. Never losing sight of the traumatic impact of war on the lives of those who either fought in or were touched by battle, this captivating new history will make compelling reading for students of the late medieval period and Tudor England, as well as for general readers. *That Thing About You* Magic Dome Books Dark forces have extended Edward Wright an offer of incredible power at a terrible cost.....and Edward has chosen to make them regret it.

When Edward is swept into the world of Ivalis as a Dungeon Lord, the Dark's most powerful servant, he has no servitude in mind. He'll oppose the evil plans of the Dark god Murmur, whatever it takes. Through only his wits and his guts to help him survive a weakened arrival, Edward must rise to power if he is to earn the right to live another day. But in the battle between Dark and Light, what can Edward choose if both sides are cruel, uncaring monsters? Cold gods laugh in the distant world of Ivalis. Heroes chase after power and experience, while Kings send their armies to their deaths in the name of the Dark and the Light. But no one expects the rise of the

Dungeon Lord... And in the world of Ivalis, maybe a single man can forge his own path. *He Who Fights with Monsters 3* J-Novel Club

Thrust into an unknown, unwanted situation, most would feel panic, fear anger and fall into chaos. Erik and Rugrat are not immune to those feelings, but they have stepped into chaos so many times, it is simply a different challenge. Two weeks ago, Erik lost his legs and his arm. Today he got a message. "You have been randomly selected to join the Ten Realms. One may choose to ascend the Ten Realms, thereupon making a request to the Gods of the Realms. Only those who are Level 10, 20, 30, 40, 50, 60, 70, 80,

and 90 may ascend to the next realm.

Fortune favors the strong!" For a retired combat medic and Marine Recon sniper, the Ten Realms offer a clear challenge and sense of purpose that they had only found on the battlefield. How much trouble can you get into in a new realm?

 Bank robberies should run like clockwork, right? If your name's Parker, you expect nothing less. Until, that is, one of your partners gets too greedy for his own good. The four-way split following a job leaves too small a take for George Uhl, who begins to pick off his fellow hoisters, one by one. The first mistake? That he doesn't begin things by putting a bullet in Parker. That means he won't get the chance

to make a second. One of the darkest novels in the series, this caper proves the adage that no one crosses Parker and lives “Whatever Stark writes, I read. He’s a stylist, a pro, and I thoroughly enjoy his attitude.”—Elmore Leonard “The non-hero: the ruthless, unrepentant, single-minded operator in a humorless and amoral world. . . . challenges Isalla's belief of what demons should be. She has little choice but to accept Kanae's help, with as far from her homeland as she is, and slowly she begins to understand, then even admire Kanae. Unfortunately, the forces in the shadows have not forgotten Isalla, and they are willing to target anyone close to her, no matter how highly placed they may be. As their long reach threatens to snuff out Isalla's life, Kanae proves a stalwart ally, and willing to face any danger beside her. It's an immense surprise to Isalla that in the depths of the hells she can find hope, allies, and possibly even love.
