Pocket Guide to the Outdoors: Based on My Side of the Mountain Teacher Created Resources

Shadow on the Mountain recounts the adventures of a 14-year-old Norwegian boy named Espen during World War II. After Nazi Germany invades and occupies Norway, Espen and his friends are swept up in the Norwegian resistance movement. Espen gets his start by delivering illegal newspapers, then graduates to the role of courier and finally becomes a spy, dodging the Gestapo along the way. During five years under the Nazi regime, he gains—and loses—friends, falls in love, and makes one small mistake that threatens to catch up with him as he sets out to escape on skis over the mountains to Sweden. Preus incorporates archival photographs, maps, and other images to tell this story based on the real-life adventures of Norwegian Erling Storrusten, whom

Preus interviewed in Norway. Praise for Shadow on the Mountain **STARRED REVIEWS** "Newbery Honor winner Preus infuses the story with the good-natured humor of a largely unified, peace-loving people trying to keep their sanity in a world gone awry. Based on a true story, the narrative is woven with lively enough daily historical detail to inspire older middle-grade readers to want to learn more about the Resistance movement and imitate Espen's adventures." —Kirkus Reviews, starred review "This engrossing offering sheds light on the Norwegians' courage during World War II. Preus masterfully weds a story of friendship with the complications faced by 14-year-old Espen and his friends as Nazi restrictions and atrocities become part of their everyday lives...This is at once a spy thriller, a coming-of-age story, and a chronicle of escalating bravery. Multidimensional characters fill this gripping tale that keeps readers riveted to the end." —School Library Journal, starred review "A closely researched historical novel... relates this wartime tale with intelligence and

humor...Ms. Preus deftly uses together historical fact (Espen is based on a real-life spy) and elements of Norwegian culture to conjure a time and place not so terribly long ago." —The Wall Street Journal "Margi Preus, who won a Newbery honor for *Heart of a Samurai*, returns with another riveting work of historical fiction... This fine novel, which includes an author's note, a timeline, a bibliography and even a recipe for invisible ink, is based on extensive research... The result is an authentic coming-of-age story, perfect for readers fascinated by the diary of Anne Frank or Lois Lowry's classic, *Number the Stars*." —BookPage "The final chapters, which chronicle Espen's dramatic escape to Sweden—days and nights of mountain skiing, Nazis in hot pursuit—take the book into adventure-thriller territory without losing the humanity that characterizes Preus's account." —The Horn Book Magazine "Preus makes crystal clear the life imperiling risks that Espen undertakes and the danger to his family." —The Bulletin of the Center for Children's Books "As readers understand the risks that Espen took, they will want to learn more about this period. That Espen escaped to Sweden by traveling at night on skis with five different guides should intrigue them." —Library Media Connection Awards VOYA Top Shelf for Middle School Readers 2012 list 2013 Notable Books for a Global Society Dorothy Canfield Fisher Book Award

Beautiful early writings by one of the 20th century's greatest poets on the 150th anniversary of his birth A Penguin Classic The poems, prose, and drama gathered in *When You Are Old* present a fresh portrait of the Nobel Prize-winning writer as a younger man: the 1890s aesthete who dressed as a dandy, collected Irish folklore, dabbled in magic, and wrote heartrending poems for his beloved, the beautiful, elusive Irish revolutionary Maud Gonne. Included here are such celebrated, lyrical poems as "The Lake Isle of Innisfree" and "He Wishes for the Cloths of Heaven," as well as Yeats's imaginative retellings of Irish fairytales—including his first major poem, "The Wanderings of Oisín," based on a Celtic fable—and his critical writings, which offer a fascinating window onto his artistic theories. Through these enchanting works, readers will encounter Yeats as the mystical, lovelorn bard and Irish nationalist popular during his own lifetime. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

The acclaimed final book in the trilogy that begins with the Newbery Medal-winning *Julie of the Wolves* In this exciting adventure about the wolf pack that saved the life of a young girl when

she was lost on the tundra, Julie has returned to her family, but her wolf pack has a story all its own. Fearless but inexperienced Kapu is now the new leader of the pack. He must protect his wolves from the threats of famine and disease and, at the same time, defend himself from bitter rivals, both inside and outside the pack, who are waiting for their chance to overthrow him. The strength of Kapu's leadership will determine not just the well-being of the pack but its very survival. Jean Craighead George's research and first-hand observation form this engrossing epic tale that's sure to draw readers into the fascinating world of wolves. Don't miss any of the books in Jean Craighead George's groundbreaking series: *Julie of the Wolves*, *Julie*, and *Julie's Wolf Pack*. *On the Far Side of the Mountain* Scholastic Inc.

Containing the first 50 chapters of China's best-loved work, in an edited, yet complete and wholly accurate translation for the Western reader. Volume 1 begins with Monkey's birth, his secret education in the ways of magic at the hands of the Patriarch, his dealings with the Cloud Emperor, the famous revolt in heaven, and the Great Sage's fall and punishment. Then, with a reprieve, Monkey joins the Tang Priest as his guide to India. Paired with the monster Pig and Friar Sand, the quartet embark on a quest at once dazzling and comic, with non-stop action.

(Originally: A Long Way Up) Gibbs Smith

The Art of War is an enduring classic that holds a special place in the culture and history of East Asia. An ancient Chinese text on the philosophy and politics of warfare and military strategy, the treatise was written in 6th century B.C. by a warrior-philosopher now famous all over the world as Sun Tzu. Sun Tzu's teachings remain as relevant to leaders and strategists today as they were to rulers and military generals in ancient times. Divided into thirteen chapters and written succinctly, The Art of War is a must-read for anybody who works in a competitive environment.

My Side of the Mountain - Student Packet Random House Books for Young Readers

Surviving their first winter after the Monster Apocalypse was no easy feat, yet Jack and his buddies waste no time springing to action against some of the nastiest, most evil monsters around. When Jack discovers his Louisville Slicer has new, otherworldly powers, he's thrown into epic training to find out what kind of destruction the blade can wield. But between fighting off zombies, fleeing from strange, glowy Vine-Thingies erupting from the ground, and squeezing in a video game session or two, there's barely time left to figure out what's wrong with their buddy, Dirk, who's been acting weird any time he's around the undead. When an unexpected villain appears, can Jack and his friends save themselves--and the rest of the world--from cosmic domination?

[A Dictionary of Arts, Sciences, Literature and General Information](#) My Side of the Mountain

Part of John Muir's appeal to modern readers is that he not only explored the American West and wrote about its beauties but also fought for their preservation. His successes dot the landscape and are evident in all the natural features that bear his name: forests, lakes, trails, and glaciers. Here collected are some of Muir's finest wilderness essays, ranging in subject matter from Alaska to Yellowstone, from Oregon to the High Sierra. This book is part of a series that celebrates the

tradition of literary naturalists—writers who embrace the natural world as the setting for some of our most euphoric and serious experiences. These books map the intimate connections between the human and the natural world. Literary naturalists transcend political

boundaries, social concerns, and historical milieus; they speak for what Henry Beston called the “other nations” of the planet. Their message acquires more weight and urgency as wild places become increasingly scarce.
