WEST DIAMOND

The Coloring Book Simon and Schuster

Danny Clinch has established himself as a premier photographer of the popular music scene, photographing a wide range of artists from Johnny Cash and Tupac Shakur to Björk and Dave Matthews. His photos have appeared on hundreds of album covers, as well as in publications such as Vanity Fair, Spin, Rolling Stone, and the New Yorker, and his ad campaigns for John Varvatos have adorned city streets and billboards. This lavish monograph chronicles Danny Clinch's illustrious career with more than 200 photographs of the most important musicians of all time, along with his personal anecdotes and a written contribution by Bruce Springsteen. With images ranging from backstage shots at the Grammys to intimate candid, Still Moving is the ultimate gift for music lovers.

BRUCE SPRINGSTEEN: A Bruce Springsteen Biography The legend of Bruce Springsteen is a retelling of the great tradition of folk music in America. His accomplishments, awards, and worldwide following are yet another note in great symphony of folk and its traditions. But his appeal and his story go much deeper than that. Springsteen stands for a time and a place. The E Street Band is, for better or worse, the voice of New Jersey and the working-class Northeast. At one time, it seemed they spoke for us all. Springsteen has sold 64.5 million albums just in the United States and over 123 million worldwide. He has produced 18 albums in the studio and 11 of those went to peak at #1 on the charts--putting him behind only Jay-Z and the Beatles. This is his story...

Renegades Oxford University Press, USA

A catalog nearly fifty years in the making, Bruce Springsteen's music remains popular and a frequent subject of study yet little critical attention has been given to its inclusion in film and television. This book examines a selection of films and TV shows from the 1980s to the present--including Mask, High Fidelity, The Sopranos and The Wrestler--that feature Springsteen's music on the soundtrack. Relating his thematic preoccupations with religion, the Vietnam War, the promise of the open road, economic disparity and blue-collar malaise, his songs color narrative and articulate the inner lives of characters. This book explores the many on-screen contexts of Springsteen's work from Greetings from Asbury Park, N.J. to Springsteen on Broadway.

NEW YORK TIMES BESTSELLER • Two longtime friends share an intimate and urgent conversation about life, music, and their enduring love of America, with all its challenges and contradictions, in this stunningly produced expansion of their groundbreaking Higher Ground podcast, featuring more than 350 photographs, exclusive bonus content, and never-before-seen archival material. Renegades: Born in the USA is a candid, revealing, and entertaining dialogue between President Barack Obama and legendary musician Bruce Springsteen that explores everything from their origin stories and career-defining moments to our country's polarized politics and the growing distance between the American Dream and the American reality. Filled with full-color photographs and rare archival material, it is a compelling and beautifully illustrated portrait of two outsiders—one Black and one white—looking for a way to connect their unconventional searches for meaning, identity, and community with the American story itself. It includes: • Original introductions by President Obama and Bruce Springsteen • Exclusive new material from the Renegades podcast recording sessions • Obama's never-before-seen annotated speeches, including his “Remarks at the 50th Anniversary of the Selma to Montgomery Marches” • Springsteen's handwritten lyrics for songs spanning his 50-year-long career • Rare and exclusive photographs from the authors' personal archives • Historical photographs and documents that provide rich visual context for their conversation In a recording studio stocked with dozens of guitars, and on at least one Corvette ride, Obama and Springsteen discuss marriage and fatherhood, race and masculinity, the lure of the open road and the call back to home. They also compare notes on their favorite protest songs, the most inspiring American heroes of all time, and more. Along the way, they reveal their passion for—and the occasional toll of—telling a bigger, truer story about America throughout their careers, and explore how our fractured country might begin to find its way back toward unity and global leadership.

Oil painting number make a wonderful gift and color number painting are frequently one of the most gifted items.

ROCK N ROLL COLORING BOOK - Volume 2 UNC Press Books

Da bambino, Bruce Springsteen ascoltava dalla voce della madre Brave Cowboy Bill, la storia di un piccolo cowboy puro di cuore. Era il suo primo contatto con il mondo del West, una passione che oggi lo porta ad amare i film di John Ford, la musica messicana e l'arte degli Indiani d'America. Da ciascuna di queste fonti, così come dalla vita e dal rock, che gli hanno insegnato a fondere fantasia e saggezza, nasce Outlaw Pete, leggenda moderna di un criminale che inizia a rapinare banche con il pannolino per poi conoscere tutte le asperità dell'età adulta. È una delle storie più ambiziose e originali mai scritte da Springsteen: in otto minuti, una meditazione sul destino epica e dura, piena di paradossi eppure mai farsesca. È

un dramma musicale articolato, un arazzo in cui si intrecciano svariati stili rock e un'orchestrazione memore delle colonne sonore di Morricone. Outlaw Pete è un libro per adulti realizzato con la collaborazione di Frank Caruso, che ne ha illustrato e dipinto le pagine. Ma Caruso non si limita a tradurre la canzone in immagini: impeccabilmente dettagliato, semplice dove è necessario, il suo stile asseconda il connubio springsteeniano di paradosso e riflessione. Gli interrogativi sul nostro destino rimangono senza risposta, come è giusto che sia, ma allo stesso tempo vengono presentati da un'angolazione diversa. Particolari che nel testo passano quasi inosservati assumono qui un ruolo centrale.

Thank You But I'd Rather Listen to Bruce McFarland

* Bruce Springsteen, legendary rock 'n' roll star, live on stage!* Photos by Janet Macoska, whose work has appeared in Rolling Stone, Creem, Mojo, NY Times and at The Rock and Roll Hall of Fame* Springsteen and the E Street Band in glorious black and white and color photos, including iconic, rare, unseen and contact sheets* Photographs cover multiple performances over five decadesFive decades of blue-jeans, down-to-earth rock 'n' roll. Five decades of poetic, authentic performances, political commentary, global tours and even a Broadway show. Bruce Springsteen hasn't just left an impact on the surface of modern music, he helped shape its foundations. From the early beginnings in 1974 to the seminal Born in the USA - one of the best-selling albums of all time - to the 2016 River Tour, the highest grossing tour of the year, Springsteen has a truly timeless appeal, captured here by lauded rock photographer, Janet Macoska. Macoska charts Springsteen through the ages. Through her lens we witness his enduring energy on the stage, from 1974 to 2016. Here is Springsteen at his finest: a down-to-earth superstar, whose powerful performances stand the test of time.

"Bruce would rip his heart out and give it to his audience. He put everything into his performance. He was all over the stage, and the whole rest of the band was in lockstep, complimenting that energy. It was going out to the audience in bundles. We were sending it back , too, and that's really electric. That energy, those visuals? Photographers love that. It's perfect to have something like that to photograph." - Janet Macoska

When Walt Whitman published *Leaves of Grass* in 1855, he dreamed of inspiring a "race of singers" who would celebrate the working class and realize the promise of American democracy. By examining how singers such as Woody Guthrie, Bob Dylan, and Bruce Springsteen both embraced and reconfigured Whitman's vision, Bryan Garman shows that Whitman succeeded. In doing so, Garman celebrates the triumphs yet also exposes the limitations of Whitman's legacy. While Whitman's verse propounded notions of sexual freedom and renounced the competitiveness of capitalism, it also safeguarded the interests of the white workingman, often at the expense of women and people of color. Garman describes how each of Whitman's successors adopted the mantle of the working-class hero while adapting the role to his own generation's concerns: Guthrie condemned racism in the 1930s, Dylan addressed race and war in the 1960s, and Springsteen explored sexism, racism, and homophobia in the 1980s and 1990s. But as Garman points out, even the Boss, like his forebears, tends to represent solidarity in terms of white male bonding and homosocial allegiance. We can hear America singing in the voices of these artists, Garman says, but it is still the song of a white, male America.
