## CAMRYN DESIREE

*Destined For an Early Grave* One World UNFORTUNATELY, THEY BELIEVE IN HIM... Christopher Csejthe doesn't believe in vampires. Not until he becomes one. He doesn't believe in witches or werewolves, either. Not until they make him an offer he can't refuse.... Flight of the Living Dead A scream sliced the night air<sup>3</sup>/<sub>4</sub>an animal sound as far removed from a human voice as the previous scream of tortured metal. It was a sound that went on and on as we hurried toward the RV. Mooncloud yanked the passenger door open and then ran around to the driver's side as I climbed up onto the bench seat. As she slid behind the wheel the other woman leapt from the building's rear doorway, sailing over the stairs and landing on the ground below. As she crouched on the asphalt, there was a shattering roar that canceled out the screaming. A ball of flame rolled out from the doorway like an orange party favor, licking the air just a few feet above her head. Mooncloud threw the van in gear and brought it skidding around as the blaze snapped back

through the opening. Before I could reach for the door handle the woman was springing through the open window to land across my lap. "Go!" she shouted, but Mooncloud was already whipping the vehicle in a tight turn and accelerating toward the parking lot's north exit. The speed bump smacked my head against the roof of the cab and, by the time my vision cleared, we were driving more sedately down a side street, the woman with the crossbow sitting between me and the passenger door. In the rear-view mirror a pillar of flame was climbing from the roof of the old dormitory that housed the radio station. I shook my head to clear away the last of the planetarium show and gripped the dashboard. "Will somebody please tell me what's going on?" "It's very simple, Mr. Csejthe," Dr. Mooncloud said, pressing a button that locked the cab doors. "You are a dead man." At the publisher's request, this title is sold without DRM (Digital Rights Management).

modernist novel by Irish writer James

Joyce. It is considered to be one of the

literature, and has been called "a

demonstration and summation of the

entire movement". *Ulysses* chronicles

the peripatetic appointments and

encounters of Leopold Bloom in Dublin

in the course of an ordinary day, 16 June

1904. *Ulysses* is the Latinised name of

Odysseus, the hero of Homer's epic

poem *Odyssey*, and the novel

establishes a series of parallels between

its characters and events and those of

the poem (the correspondence of

Leopold Bloom to Odysseus, Molly Bloom

to Penelope, and Stephen Dedalus to

Telemachus). Joyce divided *Ulysses* into

18 chapters or "episodes". At first glance

much of the book may appear

unstructured and chaotic; Joyce once

said that he had "put in so many

enigmas and puzzles that it will keep the

professors busy for centuries arguing

over what I meant", which would earn

the novel "immortality". James Joyce
