*Theory and Practice of Counseling and Psychotherapy* SAGE Publications

Reflecting the latest practices from the field, the comprehensive THEORIES OF PSYCHOTHERAPY AND COUNSELING: CONCEPTS AND CASES, 6th Edition equips readers with a solid understanding of the systematic theories of psychotherapy and counseling. A proven author and popular professor, Dr. Richard

Sharf combines a thorough explanation of concepts with insightful case summaries and therapist-client dialogues that illustrate techniques and treatment in practice. Dr. Sharf demonstrates how to apply theories to individual therapy or counseling for common psychological disorders-such as depression and generalized anxiety disorders-as well as how to apply them to group therapy. For major theories, the text includes basic information about background, personality theory, and theory of psychotherapy to help readers understand the application of psychotherapy theory. In addition, insight into the personal lives and philosophical influences of theorists helps explain how the theorists view human behavior.
