Pearl in the Sand Island Press

A revelatory popular history that tells the story of the Suez Crisis and the Hungarian Revolution of 1956—a tale of conspiracy and revolutions, spies and terrorists, kidnappings and assassination plots, the fall of the British Empire and rise of American hegemony under the heroic leadership of President Dwight D. Eisenhower—which shaped the Middle East and Europe we know today. The year 1956 was a turning point in history. Over sixteen extraordinary days in October and November, the twin crises of

Suez and Hungary pushed the world to the brink of a nuclear conflict and what many at the time were calling World War III. Blood and Sand relates this story hour-by-hour, through an international cast of characters: Anthony Eden, the British prime minister, caught in a trap of his own making; Gamal Abdel Nasser, the bold young populist leader of Egypt; David Ben-Gurion, the strong-willed founding prime minister of Israel; Guy Mollet, the bellicose French prime minister; and Dwight D. Eisenhower, the American president, torn between an old world order and a new one in the very same week that his own fate as president was to be decided by the American people. This is a fresh new account of these dramatic events and people, one that for the first time sets both crises in the context of the global Cold War, the Arab-Israeli conflict, and the treacherous power politics of imperialism and oil. Blood and Sand resonates strikingly with the problems of oil control, religious fundamentalism, and international unity that face the world today, and is essential reading for anyone concerned with the state of the modern Middle East and Europe.

10th Anniversary Edition: Beauty of the Beast #1 The Mystic Rose: Part A: The Flower, The Sword, And The Kiss Henry Holt and Company

25th ANNIVERSARY EDITION • From the bestselling author of *The Passenger* and the Pulitzer Prize-winning novel *The Road*: an epic novel of the violence and depravity that attended America's westward expansion, brilliantly subverting the conventions of the Western novel and the mythology of the Wild West. Based on historical events that took place on the Texas-Mexico border in the 1850s, *Blood Meridian* traces the fortunes of the Kid, a fourteen-year-old Tennessean who stumbles into the nightmarish world where Indians are being murdered and the market for their scalps is thriving. Look for Cormac McCarthy's latest bestselling novels, *The Passenger* and *Stella Maris*.

This volume adds to previous historical and political studies about 'Gladiator' with essays about the movie's relation to pop culture and contemporary discourses. It not only relates 'Gladiator' to traditional cinema aspects such as heroism, music, acting, studio culture, and visual effects, but it also connects the film to sports, religion, and the environment, expanding the ways in which the film can be evaluated by modern audiences. The volume can be read by individuals or in classroom settings, especially as a recommended text for students studying the ancient world in film.

In a land where Kings still rule, I am a Princess. You must know me only as Sultana, for I cannot reveal my true name for fear that harm will come to me and my family for what I am about to tell you. Think of a Saudi Arabian princess and what do you see? A woman glittering with jewels, living a life of unbelievable luxury. She has gold, palaces, swimming-pools, servants, designer dresses galore. But in reality she lives in a gilded cage. She has no freedom, no vote, no control over her own life, no value but as a bearer of sons. Hidden behind the veil, she is a prisoner, her jailers her father, her husband, her sons. 'Sultana' is a member of the Saudi royal family, closely related to the King. For the sake of her daughters, she decided that it was time for a woman in her

position to speak out about the reality of life for women in her country, whatever their rank. She tells of her own life, from her turbulent childhood to her arranged marriage - a happy one, until her husband decided to take a second wife - and of the lives of her sisters, her friends and her servants. In contrast to the affection and easy camaraderie amongst the women, she relates a history of appalling oppression against them, everyday occurrences that in any other culture would be seen as shocking human rights violations: forced marriages, servants bullied into sex slavery, summary executions. Princess is a testimony to a woman of indomitable spirit and great courage. By speaking out, 'Sultana' risked bringing the wrath of the Saudi establishment upon her head and upon the heads of her children. For this reason, she told her story anonymously.

The Complete I Ching — 10th Anniversary Edition Cambridge University Press

On the June 6, 2004, while on assignment in Riyadh, BBC security correspondent Frank Gardner and cameraman Simon Cumbers were ambushed by Islamist gunmen. Simon was killed outright. Frank was hit in the shoulder and leg. As he lay in the dust, a figure stood over him and pumped four more bullets into his body at point-blank range... Against all the odds, Frank Gardner survived. Today, although partly paralysed, Frank continues to travel the world, reporting and making documentaries for the BBC. This acclaimed memoir was brought up to date with a new

chapter that recounted his return to Saudi Arabia for the first time since he was shot and the story he tells continues to move and inspire, and remains an affirmation of his deep understanding of - and affection for - the Islamic world in these uncertain times. ___ 'Gardner tells his remarkable tale well and bravely, with an astonishing lack of anger and enduring love and respect for the Islamic world' SUNDAY TIMES 'Brave, unsentimental and genuinely inspiring' EVENING STANDARD 'What makes Gardner's moving, often humorous, deeply personal story so important is the fact that he has woven into it a brilliantly dispassionate, clear-eyed account of the Islamic world' SCOTSMAN 'A witty, self-deprecating, inspiring testament' DAILY TELEGRAPH

Blood Meridian Kristie Lynn Higgins

The BBC: the mouthpiece of the Establishment? The BBC is one of the most important institutions in Britain; it is also one of the most misunderstood. Despite its claim to be independent and

impartial, and the constant accusations of a liberal bias, the BBC has always sided with the elite. As Tom Mills demonstrates, we are only getting the news that the Establishment wants aired in public. Throughout its existence, the BBC has been in thrall to those in power. This was true in 1926 when it stood against the workers during the General Strike, and since then the Corporation has continued to mute the voices of those who oppose the status quo: miners in 1984; anti-war protesters in 2003; those who offer alternatives to austerity economics since 2008. From the outset much of its activity has been scrutinised by the secret services at the invitation of those in charge. Since the 1990s the BBC has been integrated into the market, while its independence from government and big business has been steadily eroded. The BBC is an important and timely examination of a crucial public institution that is constantly under threat.

Blood in the Sand is Stephen Eric Bronner's powerful critique of the current state of American foreign and domestic policy, ranging from the government's initial response to 9/11 and the assault on Afghanistan through the Iraqi War and the ramifications of the Israeli-Palestinian conflict. Bronner, who just months before the war began spent time in Iraq as part of a peace delegation, examines the state of twenty-first century America, a nation in which security against future terrorist attacks has become an obsession, "moral values" have turned into a slogan, and belief in the right to engage in a preemptive strike has come to define foreign policy. In Blood in the Sand, Bronner develops a bold new framework for a modern democratic foreign policy. In doing so, he passionately warns of the

consequences of failure to alter the current course of events in America: extreme economic inequalities of power, political authoritarianism, imperialist ambitions, and an increasingly constrained cultural climate.

Infinite Possibilities is the masterwork from teacher, author, and featured speaker Mike Dooley. As the next step beyond his immensely popular Notes from the Universe trilogy, and his follow up, Choose them Wisely, this book contains even more enriching wisdom for living an abundant, joyous life. Mike Dooley knows that we create our own reality, our own fate, and our own luck. We're beings filled with infinite possibility—just ready to explore how powerful we truly are. Manifesting the magnificence of our dreams isn't about hard work, but rather about belief and expectation. These principles transcend belief, realizing the truth about our human nature. Your dreams are not accidental, nor inconsequential. And if someone were tell the truth about life, reality, and the powers we all possessed, would it be recognized? Our lives are full of adventures—and not exactly the sky-diving, mountain-climbing variety—but something better. Readers will laugh, applaud, and be inspired by Mike Dooley's wit and wisdom.

10th Anniversary: Shades of Gray #5 Night of the Twilight- The Chimera Strain NavPress

A trio of friends from New York City find themselves trapped inside a mechanical board game that they must dismantle in order to save themselves and generations of other children in this action-packed debut that's a steampunk Jumanji with a Middle

Eastern flair. Nothing can prepare you for The Gauntlet... It didn't look dangerous, exactly. When twelve-year-old Farah first laid eyes on the old-fashioned board game, she thought it looked...elegant. It is made of wood, etched with exquisite images—a palace with domes and turrets, lattice-work windows that cast eerie shadows, a large spider—and at the very center of its cover, in broad letters, is written: The Gauntlet of Blood and Sand. The Gauntlet is more than a game, though. It is the most ancient, the most dangerous kind of magic. It holds worlds inside worlds. And it takes players as prisoners.

A revised edition of the definitive translation of the world's most important book of divination • More than 64,000 copies sold of the first edition • The first English translation from within the tradition by a Chinese Taoist Master • Includes translations of the Ten Wings--the commentaries by Confucius essential to the I Ching's insights Translated by the eminent Taoist Master Alfred Huang, The Complete I Ching has been praised by scholars and new students of the I Ching since its first edition. A native Chinese speaker, Master Huang first translated the original ideograms of the I Ching into contemporary Chinese and then into English, bringing forth the intuitive meanings embodied in the images of the I Ching and imbuing his translation with an accuracy and authenticity not possible in other English translations. However, what makes his translation truly definitive is his return to prominence of the Ten Wings, the commentaries by Confucius that are essential to the I Ching's insights. This 10th anniversary edition offers a thorough introduction to the history of the I Ching, how to use it, and several new divination methods;

in-depth and easy-to-reference translations of each hexagram name, description, and pictogram; and discussions of the interrelations between the hexagrams and the spiritual meaning of their sequence.

The first book in the stunning Blood of the Lamb trilogy, full of action, suspense and drama. The Crossing is the first book in a stunning trilogy that follows the fate of Maryam and her unlikely companions - Joseph, Ruth and Lazarus. This is fast, suspenseful drama underpinned by a powerful and moving story about love

and loss. The people of Onewere, a small island in the Pacific, know that they are special - chosen to survive the deadly event that consumed the Earth. Now, from the rotting cruise ship Star of the Sea, the elite control the population - manipulating old texts to set themselves up as living 'gods'. But what the people of Onewere don't know is this: the leaders will stop at nothing to meet their own blood-thirsty needs... When Maryam crosses from child to woman, she must leave everything she has ever known and make a crossing of another kind. But life inside the ship is not as she had dreamed, and she is faced with the unthinkable: obey the leaders and very likely die, or turn her back on every belief she once held dear. 'Like 1984 for teenagers - direct, passionate and powerful' - Margaret Mahy. Winner of the NZ Post Book Award for YA fiction 2010.
