Research has also shown that fulvic acid is anti-microbial, which may further help to

protect the body against infectious disease [4, 5, 6]. 3 Increases cognitive function and decreases the risk of age-related cognitive diseases The 12 Benefits of Fulvic and Humic Acid – AEON – pure ...Fulvic acids consist mostly of carbon, hydrogen, oxygen, and nitrogen. Like humic acids, they're formed through microbial decay. They are golden in color and are more biologically active than humic acids, due to an oxygen content that is nearly twice that of humic acids. Humic vs

Fulvic Acids — Earthgreen Products
 Humic and Fulvic naturally restore electrochemical balance. Humic and Fulvic increase the activity of enzyme systems. Humic and Fulvic provide needed nutrients, especially trace minerals and elements, and electrical support to help rebuild and stimulate the immune system.
 The Gift - Humic & Fulvic Nutrients -
 Mission Diabetes
 The most powerful natural electrolyte, Fulvic Acid restores electrical balance to damaged cells,

neutralizes toxins and can eliminate food poisoning within minutes. When it encounters free radicals with unpaired positive or negative electrons, it supplies an equal and opposite charge to neutralize the free radical.
 Fulvic Acid - Doc of Detox
 It's not always easy to determine which products on the store shelf contain humic or fulvic acid. That's because humic and fulvic acids are complex molecules, and regulators have a hard time defining exactly what they are. In most states,

manufacturers aren't even allowed to put the words fulvic acid on the labels.
 Humic or Fulvic Acid: What Kind are Your Plants On?
 Fulvic Acid, and Humic Minerals Powerful Role. Fulvic acids consist of an immense arsenal and array of naturally occurring phytochemicals, biochemicals, supercharged antioxidants, free-radical scavengers, super oxide dismutases, nutrients, enzymes, hormones, amino acids, antibiotics, antivirals, and antifungals.
