AMARIS JASLYN

Antinomianism Shepherd Press

The hole in our holiness is that we don't care much about holiness. Or, at the very least, we don't understand it. And we all have our reasons too: Maybe the pursuit of holiness seems legalistic. Maybe it feels like one more thing to worry about in your already overwhelming life. Maybe the emphasis on effort in the Christian life appears unspiritual. Or maybe you've been trying really hard to be holy and it's just not working! Whatever the case, the problem is clear: too few Christians look like Christ and too many don't seem all that concerned about it. This is a book for those of us who are ready to take holiness seriously, ready to be more like Jesus, ready to live in light of the grace that produces godliness. This is a book about God's power to help us grow in personal holiness and to enjoy the process of transformation.

A Memoir Crossway Books

What if that person you've been trying to avoid is your best shot at grace today? ...And what if that's the point? In *Accidental Saints*, New York Times best-selling author Nadia Bolz-Weber invites readers into a surprising encounter with what she calls "a religious but not-so-spiritual life." Tattooed, angry and profane, this former standup comic turned pastor stubbornly, sometimes hilariously, resists the God she feels called to serve. But God keeps showing up in the least likely of people—a church-loving agnostic, a drag queen, a felonious Bishop and a gun-toting member of the NRA. As she lives and worships alongside these "accidental saints," Nadia is swept into first-hand encounters with grace—a gift that feels to her less like being wrapped in a warm blanket and more like being hit with a blunt instrument. But by this grace, people are transformed in ways they couldn't have been on their own. In a time when many have rightly become disillusioned with Christianity, *Accidental Saints* demonstrates what happens when ordinary people share bread and wine, struggle with scripture together, and tell each other the truth about their real lives. This unforgettable account of their faltering steps toward wholeness will ring true for believer and skeptic alike. Told in Nadia's trademark confessional style, *Accidental Saints* is the stunning next work from one of today's most important religious voices.

Finding God in All the Wrong People Thomas Nelson

In this world, one thing is certain: Everybody hurts. Suffering may take the form of tragedy, heartbreak, or addiction. Or it could be something more mundane (but no less real) like resentment,

loneliness, or disappointment. But there's unfortunately no such thing as a painless life. In *Glorious Ruin*, best-selling author Tullian Tchividjian takes an honest and refreshing look at the reality of suffering, the ways we tie ourselves in knots trying to deal with it, and the comfort of the gospel for those who can't seem to fix themselves—or others. Now available in paperback, this is not so much a book about Why God allows suffering or even How we should approach suffering—it is a book about the tremendously liberating and gloriously counterintuitive truth of a God who suffers with you and for you. It is a book, in other words, about the kind of hope that takes the shape of a cross.

Why Divine Election Is to Service, Not to Eternal Life P & R Publishing

A Biblical defense of a vocational view of divine election.

Inexhaustible Grace for an Exhausted World, 6 Session Study Resource Harper Collins

Prominent megachurch pastor offers 365 days of Gospel-centered devotional prayers to help readers live out their Christian faith

Real Peace Vox Dei

As the grandson of Billy and Ruth Bell Graham, Tullian Tchividjian grew up hearing the Christian faith preached to millions. Yet he struggled to come to faith personally. His first book, *Do I Know God?* captures the sincerity and intensity of his own spiritual quest, and shows the way for a new generation of seekers. Combining careful thinking, warm personal story, and an exceptional grounding in biblical truths, Tullian delivers trustworthy answers to the questions you've been asking: ·Is it really possible to know God? ·Is being "spiritual" or "religious" the same thing as having a relationship with God? ·What is the relationship between saving faith and good works? ·How does believing God's promises assure me of salvation? ·How do my feelings for God affect my relationship with him? ·How can I trust that God is present when I feel only his absence? ·Can a relationship with God assure me of a future with him in eternity? *Do I Know God?* was written with a wide range of readers in mind: those outside the Christian faith, newer Christ followers who feel confused about their relationship with God, and long-time Christians who have never gotten clarity on key questions like eternal security and assurance of salvation, faith and works. Tullian shows readers how to discover a genuine, vibrant and enduring relationship with God. And it all begins with the vital question: *Do I Know God?*

New Morning Mercies David C. Cook

It's so easy to forget what the Christian faith is all about. We struggle so much, work so hard, and fail so often that we frequently sense something in the equation of life must be missing. Tullian Tchividjian argues that what we are missing is the gospel—a fuller, more powerful understanding of

what the finished work of Jesus means for everyday life. During a year of great turmoil, Pastor Tchividjian discovered the power of the gospel in his own life. Sharing his story of how Jesus became more real to him, Tchividjian delves deeply into the fundamentals of the faith, explaining the implications of Christ's sufficiency, a revelation that sets us free and keeps us anchored through life's storms. Ultimately, Tchividjian reminds us that Jesus is the whole of the equation as he boldly proclaims that Jesus plus nothing really is everything.

God's Glory Displayed in Our Weakness 1517 Publishing

Christianity is not moralism. Christianity is not religiosity. Jesus was crucified because we are committed to saving ourselves by our religious stamina and moral efforts. The Beatitudes in their simplicity are not commands to be followed, principles to live by, or attitudes to adopt. They profile people who have crucified their own morality in Jesus' death, resurrection, and rule. The book walks through Matthew 5:1-12, where Jesus doesn't prescribe what ought to be in order to experience God's grace, but describes what is true of people who understand the grace of God. Group discussion questions included with each chapter. Book jacket.

The Christ Key Crossway

In studying the book of Jonah, Tchividjian highlights the unexpected compassion and relentless grace of God, showing how this truth impacts how we view ourselves and those around us. Now available in paperback.

Jesus + Nothing = Everything Multnomah

From a popular pastor and radio host—Three Free Sins teaches that the only people who make any progress toward being better are those who know that God will still love them, regardless of how good they are. This book is about the misguided obsession with the management of sin that cripples too many Christians. It's about the view that religion is all about sin...about how to hide side sin or how to stop sinning all together. In the Introduction, the author toys good-naturedly with an agitated caller on his radio program, teasing him in a segment where he offers three free sins. The offer is real. Not that Steve has the power to forgive sins, but he wants to make the point that Jesus has made the offer to cover all of our sins - not just three. Chapter one, titled "Teaching Frogs to Fly," is even better. The gist of this chapter is that you can't teach frogs to fly, just like you can't teach people not to sin. Steve tells a story about a guy who has a frog, and he's convinced he can teach the frog how to fly. The man keeps throwing the frog up in the air or up against walls - all to the poor frog's demise. The message is that even though people can be better, they can never not sin—just like a frog can never learn to fly, no matter how much pressure is put on it. Steve continues through the book to show readers that while they can never manage sin, they can relax in knowing that they are completely forgiven—not just of three, but of all.

Shattered Love Baker Books

Argues that becoming an influential Christian and a force for good in the world often means being different and doing unfashionable things with regard to money, lifestyle, personal possessions, and relationships.

How to Be Sure of Your Salvation Jesus + Nothing

What Does it Mean to Be "Crucified With Christ?" During his lifetime, renowned teacher A.W. Tozer was often invited to speak at seminaries, churches, and Bible conferences on the topic of the cross

and its meaning for the Christian life. Now, in this never-before-published distillation of his best teaching on the subject, you will gain a fresh understanding of the cross's centrality to your walk of faith in Christ. The apostle Paul declared in his letter to the Galatians that he had been "crucified with Christ." But what does this mean? Is this a claim every believer can and should make? The Crucified Life is a comprehensive examination of these questions, answered with the deep, biblical thinking for which Tozer was revered. "God is ingenious in developing crosses for His followers," Tozer was fond of saying. At the heart of this book, you will find a call to follow Christ to the cross and be raised to new life--a call to live the crucified life.

Gospel Crossway

Charis reveals God's stubborn delight in His enemies - how He doesn't just forgive us but actually enjoys us with an unleashed, undomesticated, and scandalous grace first shown on the pages of the Old Testament.

God's Relentless Pursuit of Rebels Crossway

With no-holds-barred honesty and poignant storytelling, Nate Larkin introduces a model of community and friendship that is reinvigorating men's ministry across the country, a model he calls The Samson Society. Too many men see the biblical hero Samson as their model for manhood--a rugged individualist of the highest order. Yet, Samson's solitary successes were eventually overcome by moral weaknesses. Larkin, through the story of his own past and the stories of those in The Samson Society, offers a radical, refreshing alternative.

365 Days to a Gospel-Centered Faith Simon and Schuster

We were wired by God to crave and seek meaning. The trouble is where we go to find it. In *Life Without God*, Tullian Tchividjian draws on the wisdom and warnings of Ecclesiastes and creates an oasis of hope for all who long for a life of significance.

Humble Orthodoxy Crossway

Bestselling author Tullian Tchividjian ushers viewers and small groups into a fresh encounter with God's inexhaustible grace on this 6-session DVD companion study to *One Way Love*.

The Romance of Grace Faithhappenings Publishing

Real and permanent peace is possible. Written for those struggling with the pains and trials of life,

this book will help Christians find and share lasting peace and reconciliation with the world.

[The Crucified Life](#) B&H Publishing Group

How are parents to raise children so they don't become Pharisees (legalists) or prodigals (rebels)?

It's all about grace-filled, gospel-driven parenting, says the mother/daughter team of Elyse Fitzpatrick and Jessica Thompson. Christian parents, in their desire to raise godly children, can drift toward rule-centered discipline. There is, however, a far more effective method—a grace-motivated approach that begins with the glorious truth of God's love for sinners. In *Give Them Grace*, parents will learn how to connect the benefits of the cross—especially regeneration, adoption, and justification—to their children's daily lives. Chapters address topics such as our inability to follow the law perfectly, God's forgiveness and love displayed at the cross, and what true heart obedience looks like. Fitzpatrick and Thompson also discuss discipline, dealing with popular culture, and evangelism as a way of life. Parents will find this book a great resource for raising grace-filled, Jesus-loving kids.

Truths I Learned About Grace, Redemption, and the Holiness of God David C Cook

An enlightening follow-up to the bestselling book *The Case for Christ*, *In Defense of Jesus* follows award-winning journalist Lee Strobel as he explores the most explosive arguments against the identity of Christ as the Messiah. Has modern scholarship debunked the traditional Christ? Has the church suppressed the truth about Jesus to advance its own agenda? What if the real Jesus is far different from the atoning Savior worshiped through the centuries? *In Defense of Jesus* explores such hot-button questions as: Did the church suppress ancient non-biblical documents that paint a more accurate picture of Jesus than the four Gospels? Did the church distort the truth about Jesus by tampering with early New Testament texts? Do new insights and explanations disprove the resurrection? Have fresh arguments disqualified Jesus from being the Messiah? Did Christianity steal its core ideas from earlier mythology? Evaluate the arguments and evidence being advanced by prominent atheists, liberal theologians, Muslim scholars, and others. Sift through expert testimony. Then reach your own verdict with *In Defense of Jesus*. This title is also available in Spanish, *En defensa de Jesús*.
