A Student's Guide to Wuthering Heights by Emily Bronte is a general introduction to one of the great English novels of the nineteenth century. Misunderstood by most critics and commentators upon its publication in 1847, the story of Catherine and Heathcliff and their peers and descendants slowly became recognized as the work of a genius and is now on nearly every list of recommended books for both high school and college students. However, many students today find the novel difficult to read and understand because of its language and its setting; especially challenging to some are the sections in which characters speak in the Yorkshire dialect. This guide provides an easy-to-use glossary of that dialect and translations of the dialogue. It also includes discussions of the social, economic, and political background of the period (the last part of the eighteenth and the first part of the nineteenth centuries). Combined with a thorough coverage of language and background, this guide offers a list of questions about the reading that are intended to lead the students to independent thinking about the work. Unlike some better-known guides, this text contains no detailed summary of parts of the novel. Students must read chapters of the novel itself in order to answer the questions. In a few instances, readers must go outside Wuthering Heights to answer a question; that is, some basic research is required. In addition, the appendices contain materials intended to enrich the novel and to deepen the appreciation of each student for this outstanding work. It is the desire of the author to make Wuthering Heights more readily accessible to students and at the same time to challenge them to engage in independent critical reading.

**Emily Brontë, Wuthering Heights** Delphi Classics

A central work of modernism, *The Waste Land* evokes a world of moral, sexual and spiritual decay. In it Eliot gives voice to the deep intellectual uncertainty that had existed from the 1870s and to his own sense of the collapse of civilization. Stephen Coote's critical study outlines the historical background that led Eliot to his bleak vision of humanity. He gives a close account of the development of the poem and discusses fully its arguments, allusions, poetic techniques and patterns of imagery. There is also a chapter on the crucial role played by Ezra Pound in editing the manuscript. Above all, he seeks to elucidate the way in which Eliot drew upon the rich tradition of past centuries, bringing together myth and life-enhancing poetry to create a work that has become a seminal part of our heritage.

Wuthering Heights is one of the most famous love stories in the English language, and a potent tale of revenge. This new edition explores its extraordinary power and unique style and narrative structure, and includes a selection of poems by Emily Brontë.

*Wuthering Heights* Rowman & Littlefield

In a brilliant combination of biography, literary criticism, and history, *The Brontë Myth* shows how Charlotte, Emily, and Anne Brontë became cultural icons whose ever-changing reputations reflected the obsessions of various eras. When literary London learned that *Jane Eyre* and *Wuthering Heights* had been written by young rural spinsters, the Brontës instantly became as famous as their shockingly passionate books. Soon after their deaths, their first biographer spun the sisters into a picturesque myth of family tragedies and Yorkshire moors. Ever since, these enigmatic figures have tempted generations of readers—Victorian, Freudian, feminist—to reinterpret them, casting them as everything from domestic saints to sex-starved hysterics. In her bewitching “metabiography,” Lucasta Miller follows the twists and turns of the phenomenon of Brontë-mania and rescues these three fiercely original geniuses from the distortions of legend.

**Wuthering Heights by Emily Bronte - Delphi Classics (Illustrated)** Palgrave

Against a background of English moors in the eighteenth century, the lives of two families become intertwined through marriage, passion, and the dominating force of a man called Heathcliff.

While teaching in Japan, Judith Pascoe was fascinated to discover the popularity that Emily Brontë’s novel *Wuthering Heights* has enjoyed there.

Nearly one hundred years after its first formal introduction to the country, the novel continues to engage the imaginations of Japanese novelists, filmmakers, manga artists, and others, resulting in numerous translations, adaptations, and dramatizations. On the *Bullet Train* with Emily Brontë is Pascoe’s lively account of her quest to discover the reasons for the continuous Japanese embrace of *Wuthering Heights*. At the same time, the book chronicles Pascoe’s experience as an adult student of Japanese. She contemplates the multiple Japanese translations of Brontë, as contrasted to the single (or nonexistent) English translations of major Japanese writers. Carrying out a close reading of a distant country’s *Wuthering Heights*, Pascoe begins to see American literary culture as a small island on which readers are isolated from foreign literature.

NEW YORK TIMES BESTSELLER • “It’s Lovecraft meets the Brontës in Latin America, and after a slow-burn start Mexican Gothic gets seriously weird.”—The Guardian IN DEVELOPMENT AS A HULU ORIGINAL LIMITED SERIES PRODUCED BY KELLY RIPA AND MARK CONSUELOS • WINNER OF THE LOCUS AWARD • NOMINATED FOR THE BRAM STOKER AWARD • NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The New Yorker • Vanity Fair • NPR • The Washington Post • Tordotcom • Marie Claire • Vox • Mashable • Men’s Health • Library Journal • Book Riot • LibraryReads An isolated mansion. A chillingly charismatic aristocrat. And a brave socialite drawn to expose their treacherous secrets. . . . From the author of *Gods of Jade and Shadow* comes “a terrifying twist on classic gothic horror” (*Kirkus Reviews*) set in glamorous 1950s Mexico. After receiving a frantic letter from her newly-wed cousin begging for someone to save her from a mysterious doom, Noemí Taboada heads to High Place, a distant house in the Mexican countryside. She’s not sure what she will find—her cousin’s husband, a handsome Englishman, is a stranger, and Noemí knows little about the region. Noemí is also an unlikely rescuer: She’s a glamorous debutante, and her chic gowns and perfect red lipstick are more suited for cocktail parties than amateur sleuthing. But she’s also tough and smart, with an indomitable will, and she is not afraid: Not of her cousin’s new husband, who is both menacing and alluring; not of his father, the ancient patriarch who seems to be fascinated by Noemí; and not even of the house itself, which begins to invade Noemí’s dreams with visions of blood and doom. Her only ally in this inhospitable abode is the family’s youngest son. Shy and gentle, he seems to want to help Noemí, but might also be hiding dark knowledge of his family’s past. For there are many secrets behind the walls of High Place. The family’s once colossal wealth and faded mining empire kept them from prying eyes, but as Noemí digs deeper she unearths stories of violence and madness. And Noemí, mesmerized by the terrifying yet seductive world of High Place, may soon find it impossible to ever leave this enigmatic house behind. “It’s as if a supernatural power compels us to turn the pages of the gripping Mexican Gothic.”—The Washington Post “Mexican Gothic is the perfect summer horror read, and marks Moreno-Garcia with her hypnotic and engaging prose as one of the genre’s most exciting talents.”—Nerdist “A period thriller as rich in suspense as it is in lush ‘50s atmosphere.”—Entertainment Weekly

**The Bronte Sisters** Routledge

This carefully crafted ebook: “Jane Eyre + Wuthering Heights (2 Unabridged Classics)” is formatted for your eReader with a functional and detailed table of contents. Charlotte Brontë's most beloved novel describes the passionate love between the courageous orphan Jane Eyre and the brilliant, brooding, and domineering Rochester. The loneliness and cruelty of Jane's childhood strengthens her natural independence and spirit, which prove invaluable when she takes a position as a governess at Thornfield Hall. But after she falls in love with her sardonic employer, her discovery of his terrible secret forces her to make a heart-wrenching choice. Ever since its publication in 1847, Jane Eyre has enthralled every kind of reader, from the

most critical and cultivated to the youngest and most unabashedly romantic. It lives as one of the great triumphs of storytelling and as a moving and unforgettable portrayal of a woman's quest for self-respect. Born into a poor family and raised by an oppressive aunt, young Jane Eyre becomes the governess at Thornfield Manor to escape the confines of her life. There her fiery independence clashes with the brooding and mysterious nature of her employer, Mr. Rochester. But what begins as outright loathing slowly evolves into a passionate romance. When a terrible secret from Rochester's past threatens to tear the two apart, Jane must make an impossible choice: Should she follow her heart or walk away and lose her love forever? Considered by many to be Charlotte Brontë's masterpiece, Jane Eyre chronicles the passionate love between the independent and strong-willed orphan Jane Eyre and the dark, impassioned Mr. Rochester. Having endured a lonely and cruel childhood, orphan Jane Eyre, who is reared in the home of her heartless aunt prior to attending a boarding school with an equally torturous regime, is strengthened by these experiences. The natural independence and unbroken spirit she emerges with allows her to thrive as a governess at Thornfield Hall. It is only after she falls in love with her employer and discovers his explosive secret that she is forced to return to the poverty and isolation of her past. Wuthering Heights is the only published novel by Emily Brontë, written between October 1845 and June 1846 and published in July of the following year. It was not printed until December 1847 under the pseudonym Ellis Bell, after the success of her sister Charlotte Brontë's novel Jane Eyre. A posthumous second edition was edited by Charlotte in 1850. It is one of the world's greatest tales of unrequited love, captivating readers with its intense passion and drama. A classic novel of consuming passions, played out against the lonely moors of northern England, recounts the turbulent and tempestuous love story. The title of the novel comes from the Yorkshire manor on the moors of the story. The narrative centres on the all-encompassing, passionate, but ultimately doomed love between Catherine Earnshaw and Heathcliff, and how this unresolved passion eventually destroys them and the people around them.

**A Series of Six Stories: Easyread Super Large 18pt Edition** Penguin Classics

Wuthering Heights is unique among novels of its time for its poetic presentation, its lack of authorial comment, and its unusual narrative structure, exerting the energies of hate and love from the confined world of the story. The book deeply challenged embedded Victorian conventions regarding gender equality, religion, and class. This compelling volume discusses the author Emily Brontë's background, the details of which are still not well understood; class conflict in the context of rural and industrial Britain; and contemporary perspectives on class conflict.

*Wuthering Heights* Harvard University Press

1801.-I have just returned from a visit to my landlord-the solitary neighbour that I shall be troubled with. This is certainly a beautiful country! In all England, I do not believe that I could have fixed on a situation so completely removed from the stir of society. A perfect misanthropist's heaven: and Mr. Heathcliff and I are such a suitable pair to divide the desolation between us. A capital fellow! He little imagined how my heart warmed toward him when I beheld his black eyes withdraw so suspiciously under their brows, as I rode up, and when his fingers sheltered themselves, with a jealous resolution, still further in his waistcoat, as I announced my name. 'Mr. Heathcliff?' I said. A nod was the answer. 'Mr. Lockwood, your new tenant, sir. I do myself the honour of calling as soon as possible after my arrival, to express the hope that I have not inconvenienced you by my perseverance in soliciting the occupation of Thrushcross Grange: I heard yesterday you had had some thoughts-' 'Thrushcross Grange is my own, sir,' he interrupted, wincing. 'I should not allow any one to inconvenience me, if I could hinder it-walk in!' The 'walk in' was uttered with closed teeth, and expressed the sentiment, 'Go to the Deuce: even the gate over which he leant manifested no sympathising movement to the words; and I think that circumstance determined me to accept the invitation: I felt interested in a man who seemed more exaggeratedly reserved than myself. When he saw my horse's breast fairly pushing the barrier, he did put out his hand to touch it, and then sullenly preceded me up the causeway, calling, as we entered the court, -'Joseph, take Mr. Lockwood's horse; and bring up some wi

Wuthering Heights - Emily Brontë Thomas Nelson

Published in 1847, Emily Brontë's only novel Wuthering Heights is an evergreen classic. A passionate tale of love between Catherine Earnshaw and Heathcliff, the novel challenged Victorian ideals of morality, class, religion and gender inequality. Heathcliff, an orphan, brought to Wuthering Heights by Mr. Earnshaw, represents the quintessential Byronic hero—brooding and enigmatic, whose social status is foregrounded by his lack of a first name. Spurned by Catherine and humiliated by her brother, Hindley, Heathcliff leaves the Heights, only to return later as a revenge-seeking, wealthy and polished man. Catherine chooses to marry Edgar Linton, an antithesis to Heathcliff. What follows is a series of disastrous events in which the characters are consumed by their tragic fate. Evocative and gothic, the novel was initially termed 'abhorrent' and later appreciated for its originality and poetic grandeur.

*Unabridged Edition* Harper Collins

LOVE Desperate without his Catherine, Heathcliff runs away. But when he returns a few years later a series of events starts to destroy the relationship between the Lintons and the Earnshaws. Dossier: The Imaginative World of the Brontë Children

*CI-niveau ERK e-artnow*

Set in Northern England from the late 18th to early 19th centuries, Wuthering Heights is a story of intense and passionate love, hate, and revenge. Mr. Earnshaw, owner of Wuthering Heights, raises an orphan named Heathcliff and he favors him more than his own son, Hindley. Hindley hates Heathcliff but his sister Catherine is fond of Heathcliff and they quickly become close companions. Complications later arise when Edgar and Isabella Linton of Thrushcross Grange come into the picture. Edgar is handsome and rich. Heathcliff and Catherine grow apart as she becomes closer to Edgar. Catherine's love for her soulmate Heathcliff never dies but Edgar loves her, too, and she cannot ignore the possible social comforts Edgar can provide her. Will wealth and social class stand in the way of the undying love between Heathcliff and Catherine Earnshaw? 'My love for Heathcliff resembles the eternal rocks beneath: a source of little visible delight, but necessary. Nelly, I am Heathcliff! He's always, always in my mind: not as a pleasure, any more than I am always a pleasure to myself, but as my own being. ' 'Oh, Cathy! Oh, my life! how can I bear it?' was the first sentence he uttered, in a tone that did not seek to disguise his despair. And now he stared at her so earnestly that I thought the very intensity of his gaze would bring tears into his eyes; but they burned with anguish: they did not melt. 'What now?' said Catherine, leaning back, and returning his look with a suddenly clouded brow: her humour was a mere vane for constantly varying caprices. 'You and Edgar have broken my heart, Heathcliff! And you both come to bewail the deed to me, as if you were the people to be pitied! I shall not pity you, not I. You have killed me--and thriven on it, I think. How strong you are! How many years do you mean to live after I am gone?' 'Be with me always--take any form--drive me mad! only do not leave me in this abyss, where I cannot find you! Oh, God! it is unutterable! I cannot live without my life! I cannot live without my soul!'
