"A brilliant book that will make your heart and life sing." -Mark Victor Hansen, cocreator of the #1 New York Times best-selling series Chicken Soup for the Soul "Simple, easy to understand, Hernacki spells out 'intention' so that everyone can get it." -Chiz1/2rie Carter-Scott, Ph. D., author of If Life is a Game, These Are the Rules The key to success, happiness, and financial security lies in the power of the human mind and the human will. Mike Hernacki asserts that you are in charge of your own future, and he provides inspiring stories which prove that with the willingness and intention to succeed, you can achieve all your life goals. With a positive attitude and an open mind, anything is possible-a better job, a happy marriage, an education, a new home, good health, and fortune. The future is yours for the making, and with Hernacki's help, you can get absolutely everything you want and more.

Creating a Life You Can't Wait to Live Rowman & Littlefield Publishers

What is the one quality that all successful people have in common? They have mastered the art of dealing with people! Let this book show you how to: Achieve your goals Handle the human ego Become a master conversationalist Make others feel good about themselves And much more! Skill with people is the one essential ingredient for success and happiness at home and in business. "The Art of Dealing With People" gives you the skills to take your people skills to a level that you never thought possible! Skill in human relations is similar to skill in any other field, in that success depends on understanding and mastering certain basic general principles. You must not only know what to do, but why you're doing it. As far as basic principles are concerned, people are all the same. Yet each individual person you meet is different. If you attempted to learn some gimmick to deal successfully with each separate individual you met, you would be face with a hopeless task. Influencing people is an art, not a gimmick. When you apply gimmicks in a superficial, mechanical manner, you go through the same motions as the person who "has a way," but it doesn't work for you. The purpose of this book is to give you knowledge based upon an understanding of human nature: why people act the way they do. The methods presented in this book have been tested on thousands of people who have attended my human relations seminars. They are not just my pet ideas of how you should deal with people, but ideas that have stood the test of how you must deal with people. That is, if you want to get along with them and get what you want at the same time. Yes, we all want success and happiness. And the day is long past, if it ever existed, when you could achieve these goals by forcing people to give you what you want. And begging is no better, for no one has respect for, or any desire to help, the person who constantly kowtows and literally goes around with his hand out, begging other people to like him. The one successful way to get the things you want from life is to acquire skill in dealing with people. Download now and you will learn how.

Upgrade Your Brain, Learn Anything Faster, and Unlock Your Exceptional Life John Wiley & Sons Improve your life and your career with some powerful mindset tips for success, positivity, and strong adaptation skills. You might be in a negative spiral, productively or psychologically, stuck thinking you're just not good enough, you'll never get ahead, and the world is unfair. The Ultimate Secret to Getting Absolutely Everything You Want Sourcebooks, Inc.

Attitude affects every facet of our lives—from the way we handle stress to how we communicate at work. The way we view difficulties and setbacks can make the difference between success and failure. Roger Fritz has devoted his career to helping people overcome obstacles and achieve their goals by changing their outlook on life. In *The Power of a Positive Attitude*, he shows readers how to develop a deeper understanding of the effects of their attitude and how it influences not only their performance but the results others achieve. Now, readers can learn to succeed in business by:

- assessing their attitude toward themselves and their co-workers
- overcoming negative attitudes
- learning the dos and don'ts in dealing with their bosses
- becoming better listeners
- overcoming resistance to change in the workplace
- rejecting suggestions without causing resentment
- giving and responding to criticism from team members
- disagreeing with employees and colleagues without being disagreeable
- conquering burnout and stress.

Life-affirming and authoritative, this is an invaluable book that will empower anyone to face life and work with joy and confidence.

How to Find, Build and Keep a Yes! Attitude for a Lifetime of Success and Happiness: New Edition, Updated and Revised Paul J. Meyer Resources

Middle age blues have an antidote. How about trying 50 new things when you turn 50? Maria Leonard Olsen's *50 After 50: Fifty New Things I Tried After Turning 50 and What I Learned From Them* is a blueprint for turning midlife into the most invigorating chapter yet.

Sixteen leading experts reveal their secrets and strategies for achieving both success and happiness

The World Book Encyclopedia Harper Collins

A positive attitude comes easy in times of joy and progress. But the real test of character comes during times of turmoil and conflict--which are always just on the horizon. When the skies above appear stormy, how will you steer that internal plane we call attitude? In *How High Will You Climb?* bestselling author and pastor John C. Maxwell emphasizes that even in the worst of storms, we are never flying solo. With God supporting our approach in every challenge that comes our way, we have the power to choose--yes, choose--the attitude we take with us on our journey. Oftentimes our outward expression and attitude during conflict is every bit as critical as the inward struggle, and our approach to the struggles in our family, in work, in life in general will actually determine the outcome more than the actual struggle. The choice is yours--when your path brings you through your next storm, how high will you climb?

Attitude Is Everything: Change Your Attitude ... Change Your Life! Hay House, Inc Winner, 2020 Body and Embodiment Best Publication Award, given by the American Sociological Association Honorable Mention, 2020 Sociology of Sex and Gender Distinguished Book Award, given by the American Sociological Association How the female body has been racialized for over two hundred years There is an obesity epidemic in this country and poor black women are

particularly stigmatized as “diseased” and a burden on the public health care system. This is only the most recent incarnation of the fear of fat black women, which Sabrina Strings shows took root more than two hundred years ago. Strings weaves together an eye-opening historical narrative ranging from the Renaissance to the current moment, analyzing important works of art, newspaper and magazine articles, and scientific literature and medical journals—where fat bodies were once praised—showing that fat phobia, as it relates to black women, did not originate with medical findings, but with the Enlightenment era belief that fatness was evidence of “savagery” and racial inferiority. The author argues that the contemporary ideal of slenderness is, at its very core, racialized and racist. Indeed, it was not until the early twentieth century, when racialized attitudes against fatness were already entrenched in the culture, that the medical establishment began its crusade against obesity. An important and original work, *Fearing the Black Body* argues convincingly that fat phobia isn't about health at all, but rather a means of using the body to validate race, class, and gender prejudice.

The Power of a Positive Attitude Hay House, Inc

Keith Harrell has taken the corporate lecture circuit and the media by storm and is poised to take his place among the great motivational greats of the world. His message is simple, yet powerful: attitude, whether positive or negative, has the power to impact on an organisation's or an individual's success. In this all-new book, Harrell offers an enlightening, inspiring and practical guide for gaining control of your career and your life by ridding yourself of negative attitudinal baggage, building positive attitudes, and then turning them into actions to help you to achieve your dreams.

Determine Your Success by Cultivating the Right Attitude Les Giblin Books

"The desire to be recognised, to feel important and appreciated is all-powerful. And the more important you make someone feel, the more positively they will respond to you. We all admire those who seem to have the natural ability to enter an unfamiliar social situation and begin to engage others in conversation. These people have what is often called 'charisma'. While some

people wonder how they do it, most assume that they must have a 'natural' talent. The reality is that 'charisma' is an acquired skill of influential people and can be learned, enhanced and perfected when you have the right information and the determination to learn. Easy Peasey - People Skills for Life will provide you with the necessary skills you'll need to become influential with everyone in any situation." - back cover.

People Skills for Life AMACOM

The instant Wall Street Journal, USA Today, and international bestseller “While the history books are filled with tales of obsessive visionary geniuses who remade the world in their image with sheer, almost irrational force, I've found that history is also made by individuals who fought their egos at every turn, who eschewed the spotlight, and who put their higher goals above their desire for recognition.” —from the prologue Many of us insist the main impediment to a full, successful life is the outside world. In fact, the most common enemy lies within: our ego. Early in our careers, it impedes learning and the cultivation of talent. With success, it can blind us to our faults and sow future problems. In failure, it magnifies each blow and makes recovery more difficult. At every stage, ego holds us back. *Ego Is the Enemy* draws on a vast array of stories and examples, from literature to philosophy to history. We meet fascinating figures such as George Marshall, Jackie Robinson, Katharine Graham, Bill Belichick, and Eleanor Roosevelt, who all reached the highest levels of power and success by conquering their own egos. Their strategies and tactics can be ours as well. In an era that glorifies social media, reality TV, and other forms of shameless self-promotion, the battle against ego must be fought on many fronts. Armed with the lessons in this book, as Holiday writes, “you will be less invested in the story you tell about your own specialness, and as a result, you will be liberated to accomplish the world-changing work you've set out to achieve.”
