KENDRICK MALONE

Sick Franklin Classics

A thorough and incisive introduction to contemporary India The story of the forging of India, the world's largest democracy, is a rich and inspiring one. This volume, a sequel to the best-selling India's Struggle for Independence, analyses the challenges India has faced and the successes it has achieved, in the light of its colonial legacy and century-long struggle for freedom. The book describes how the Constitution was framed, as also how the Nehruvian political and economic agenda and basics of foreign policy were evolved and developed. It dwells on the consolidation of the nation, examining contentious issues like party politics in the Centre and the states, the Punjab problem, and anti-caste politics and untouchability. This revised edition offers a scathing analysis of the growth of communalism in India and the use of state power in furthering its cause. It also documents the fall of the National Democratic Alliance in the 2004 General Elections, the United Progressive Alliance's subsequent rise to power and the Indo-US Nuclear Deal that served to unravel the political consensus at the centre. Apart from detailed analyses of Indian economic reforms since 1991 and wide-ranging land reforms and the Green Revolution, this new edition includes an overview of the Indian economy in the new millennium. These, along with objective assessments of Jawaharlal Nehru, Indira Gandhi, Jayaprakash Narayan, Lal Bahadur Shastri, Rajiv Gandhi, Vishwanath Pratap Singh, Atal Bihari Vajpayee and Manmohan Singh, constitute a remarkable overview of a nation on the move.

Nujeen's Escape from War to Freedom Artech House

The Girl from AleppoNujeen's Escape from War to FreedomHarperCollins

Aae The Girl from AleppoNujeen's Escape from War to Freedom

Brian and his friends are not part of the cool crowd. They're the misfits and the troublemakers—the ones who jump their high school's fence to skip class regularly. So when a deadly virus breaks out, they're the only ones with a chance of surviving. The virus turns Brian's classmates and teachers into bloodthirsty attackers who don't die easily. The whole school goes on lockdown, but Brian and his best friend, Chad, are safe (and stuck) in the theater department—far from Brian's sister, Kenzie, and his ex-girlfriend with a panic attack problem, Laura. Brian and Chad, along with some of the theater kids Brian had never given the time of day before, decide to find the girls and bring them to the safety of the theater. But it won't be easy, and it will test everything they thought they knew about themselves and their classmates. Praise for SICK "The gore and action will leave enthralled readers thrilled and then sated with each kill on either side." —Booklist "Between the pacing and the heroes' salty, blue language (full of lovingly creative, genital-inspired insults), reluctant readers who love zombies will devour it, right up to the abrupt end." —Kirkus Reviews "Sick is well written, with great detail, even if it is a little gory." —VOYA Magazine Awards 2014 Quick Picks for Reluctant Young Readers list from YALSA

A New Approach to REASONING Verbal & Non-Verbal Diamond Pocket Books Pvt Limited

Rakesh plants a cherry seedling in his garden and watches it grow. As seasons go by, the small tree survives heavy monsoon showers, a hungry goat that eats most of the leaves and a grass cutter who splits it into two with one sweep. At last, on his ninth birthday, Rakesh is rewarded with a miraculous sight—the first pink blossoms of his precious cherry tree! This beautifully illustrated edition brings alive the magical charm of one of Ruskin Bond's most unforgettable tales.

Young or old, rich or poor, Hindu or Muslim, all unite at one platform; it's the India Book of Re-cords 2021. The year 2021 can be called the year of record making as more records are created and even more records are attempted than any other year in the past, leading to the breaking of our own boundaries to present you a bigger and thicker India Book of Records 2020. Arguably this is the biggest national book of records ever produced by any country, which in itself can be called a record. Truly, Indians create more re-cords than anyone else on the planet. While many of the Indian record holders achieved a place in Asia Book of Records and World Record Union, more than 50 Indian re-cord holders featured in a plat-form created by the initiative of three countries that produce the India Book of Records, Viet-nam Book of Records and Indonesia Book of Records to showcase the top record holders at the global stage. As you are holding 'India Book of Records 2021', surely some of the records will inspire you to challenge yourself to create a record and see your name in India Book of Records 2021.

Part of a new collection of literary voices from Gibbs Smith, written by, and for, extraordinary women—to encourage, challenge, and inspire. One of American's most distinctive poets, Emily Dickinson scorned the conventions of her day in her approach to writing, religion, and society. *Hope Is the Thing with Feathers* is a collection from her vast archive of poetry to inspire the writers, creatives, and leaders of today. Continue your journey in the *Women's Voices* series with *Jane Eyre*, by Charlotte Bronte and *The Feminist Papers* by Mary Wollstonecraft.

SSC CGL 10 Year-wise Tier I Solved Papers (2010-18) HarperCollins

Born against a background of privation and civil war, divided along lines of caste, class, language and religion, independent India emerged, somehow, as a united and democratic country. Ramachandra Guha's hugely acclaimed book tells the full story – the pain and the struggle, the humiliations and the glories – of the world's largest and least likely democracy. While India is sometimes the most exasperating country in the world, it is also the most interesting. Ramachandra Guha writes compellingly of the myriad protests and conflicts that have peppered the history of free India. Moving between history and biography, the story of modern India is peopled with extraordinary characters. Guha gives fresh insights into the lives and public careers of those long-serving Prime Ministers, Jawaharlal Nehru and Indira Gandhi. But the book also writes with feeling and sensitivity about lesser-known (though not necessarily less important) Indians – peasants, tribals, women, workers and musicians. Massively researched and elegantly written, *India After Gandhi* is a remarkable account of India's rebirth, and a work already hailed as a masterpiece of single volume history. This tenth anniversary edition, published to coincide with seventy years of India's independence, is revised and expanded to bring the narrative up to the present.

The Precepts of Jesus, the Guide to Peace and Happiness RajRAS

This comprehensive resource provides readers with the tools necessary to perform analysis of various waveforms for use in radar systems. It provides information about how to produce synthetic aperture (SAR) images by giving a tomographic formulation and implementation for SAR imaging. Tracking filter fundamentals, and each parameter associated with the filter and how each affects tracking performance are also presented. Various radar cross section measurement techniques are covered, along with waveform selection analysis through the study of the ambiguity function for each particular waveform from simple linear frequency modulation (LFM) waveforms to more complicated coded waveforms. The text includes the Python tool suite, which allows the reader to analyze and predict radar performance for various scenarios and applications. Also provided are MATLAB® scripts corresponding to the Python tools. The software includes a user-friendly graphical user interface (GUI) that provides visualizations of the concepts being covered. Users have full access to both the Python and MATLAB source code to modify for their application. With examples using the tool suite are given at the end of each chapter, this text gives readers a clear understanding of how important target scattering is in areas of target detection, target tracking, pulse integration, and target discrimination.
