Dune Messiah Penguin

From the acclaimed author of *Fine Prey*, *Polymorph*, and *Evolution's Darling* (Philip K. Dick Award special citation and a New York Times Notable Book) comes a sweeping epic, *The Risen Empire*, Scott Westerfeld's dazzling hardcover debut. The undead Emperor has ruled his mighty interstellar empire of eighty human worlds for sixteen hundred years. Because he can grant a form of eternal life, creating an elite known as the Risen, his power has been absolute. He and his sister, the Child Empress, who is eternally a little girl, are worshiped as living gods. No one can touch them. Not until the Rix, machine-augmented humans who worship very different gods: AI compound minds of planetary extent. The Rix are cool, relentless fanatics, and their only goal is to propagate such AIs throughout the galaxy. They seek to end, by any means necessary, the Emperor's prolonged tyranny of one and supplant it with an eternal cybernetic dynasty of their own. They begin by taking the Child Empress hostage. Captain Laurent Zai of the Imperial Frigate *Lynx* is tasked with her rescue. Separated by light-years, bound by an unlikely love, Zai and pacifist senator Nara Oxham must each in their own way, face the challenge of the Rix, and they each will hold the fate of the empire in their hands. *The Risen Empire* is the first great space opera of the twenty-first century. The Birds Fall Down Boom! Studios

Everyone knows Frank Herbert's *Dune*. This amazing and complex epic, combining politics, religion, human evolution, and ecology, has captured the imagination of generations of readers. One of the most popular science fiction novels ever written, it has become a worldwide phenomenon, winning awards, selling millions of copies around the world. In the prophetic year of 1984, *Dune* was made into a motion picture directed by David Lynch, and it has recently been produced as a three-part miniseries on the Sci-Fi Channel. Though he is best remembered for *Dune*, Frank Herbert was the author of more than twenty books at the time of his tragic death in 1986, including such classic novels as *The Green Brain*, *The Santaroga Barrier*, *The White Plague* and *Dosadi Experiment*. Brian Herbert, Frank Herbert's eldest son, tells the provocative story of his father's extraordinary life in this honest and loving chronicle. He has also brought to light all the events in Herbert's life that would find their way into speculative fiction's greatest epic. From his early years in Tacoma, Washington, and his education at the University of Washington, Seattle, and in the Navy, through the years of trying his hand as a TV cameraman, radio commentator, reporter, and editor of several West Coast newspaper, to the difficult years of poverty while struggling to become a published writer, Herbert worked long and hard before finding success after the publication of *Dune* in 1965. Brian Herbert writes about these years with a truthful intensity that brings every facet of his father's brilliant, and sometimes troubled, genius to full light. Insightful and provocative, containing family photos never published anywhere, this absorbing biography offers Brian Herbert's unique personal perspective on one of the most enigmatic and creative talents of our time. *Dreamer of Dune* is a 2004 Hugo Award Nominee for Best Related Work. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Dune messiah: "A holy war fought in space and on a thousand planets had made Paul Atreides the religious and political leader of the galaxy. The product of generations of controlled breeding, trained in the arcane disciplines by the Bene Gesserit sisterhood, he had more than human powers, including the ability to sense the shape of the future. Then the Bene Gesserit, unable to dominate the man they had made a god, set out to overthrow him. But Paul Atreides could foresee their plans and shape them

to an unexpected and shocking goal..."--Dust jacket.

Frank Herbert's Dune Saga 6-Book Boxed Set Bridge Publications (CA)

This is a novel about the most important ten seconds in history. Stallion Gate, a magnificent successor to Gorky Park, is a powerful sensual idyll, a blend of love and betrayal, of humor and cultures in collision, of jazz and war. In a New Mexico blizzard, four men cross a barbed-wire fence at Stallion Gate to select the test site for the first automatic weapon. They are Oppenheimer, the physicist; Groves, the general; Fuchs, the spy. The fourth man is Sergeant Joe Peña, a hero, informer, fighter, musician, Indian. Oppenheimer and Groves have hidden Los Alamos on a mesa surrounded by vast Indian reservations. It is the most secret installation of the war, the future encompassed by the past. To it come soldiers, roughnecks and scientists, including Anna Weiss, a mathematician and refugee from the Holocaust with whom Joe falls in love.

The towering sand dunes along Lake Michigan, not far from Chicago, are one of the most unexpected natural features of Indiana. The second edition of *Dreams of Duneland* beautifully illustrates the dunes region, from the past to the present. Since the first edition, the Indiana Dunes area has become an official

national park. With more than 400 stunning images, many of them new, *Dreams of Duneland* showcases the breathtaking sand dunes, as well as the rest of this newly minted park, which includes savanna, wetland, prairie, and forest and is home to a wide variety of plant and animal species. Kenneth J. Schoon reveals how the preserved area of the Indiana Dunes National

Park—which sits by residential communities, businesses, and cultural attractions—has a long history of competition among farmers, fur traders, industrialists, and conservationists. Featuring a new foreword and afterword and many updates throughout, this gorgeous new edition will have you planning a trip to the extraordinary Indiana Dunes.
