Pearson Education

An arranged marriage is daunting, but not as daunting as seducing a spouse whose passions you do not understand... Derek Charles Holbrook, Viscount Banfield, knew his fate since he was seventeen when his father announced his union to the beautiful but mysterious American girl by the name of Miss Grey. To protect the troubled estate, Derek submits to his father's wishes, not realizing he's about to entangle himself in a hell of a lot more than marriage. Miss Clementine Henrietta Grey may be worth millions, but not a single coin has ever bought her a smidge of happiness. When she marries the charismatic and dashing Viscount Banfield, whose only strife in life appears to be the uneven seams in his coat, she finds that siring the heir he wants requires far more than her heart is prepared to give. This quirky, sexy and scandalous Regency/Victorian Historical Romance is part of a series. Winner of the 2011 Jolt Excellence Award! Getting software released to users is often a painful, risky, and time-consuming process. This groundbreaking new book sets out the principles and technical practices that enable rapid, incremental delivery of high quality, valuable new functionality to users. Through automation of the build, deployment, and testing process, and improved collaboration between developers, testers, and operations, delivery teams can get changes released in a matter of hours— sometimes even minutes—no matter what the size of a project or the complexity of its code base. Jez Humble and David Farley begin by presenting the foundations of a rapid, reliable, low-risk delivery process. Next, they introduce the “deployment pipeline,” an automated process for managing all changes, from check-in to release. Finally, they discuss the “ecosystem” needed to support continuous delivery, from infrastructure, data and configuration management to governance. The authors introduce state-of-the-art techniques, including automated infrastructure management and data migration, and the use of virtualization. For each, they review key issues, identify best practices, and demonstrate how to mitigate risks. Coverage includes • Automating all facets of building, integrating, testing, and deploying software • Implementing deployment pipelines at team and organizational levels • Improving collaboration between developers, testers, and operations • Developing features incrementally on large and distributed teams • Implementing an effective configuration management strategy • Automating acceptance testing, from analysis to implementation • Testing capacity and other non-functional requirements • Implementing continuous deployment and zero-downtime releases • Managing

infrastructure, data, components and dependencies • Navigating risk management, compliance, and auditing Whether you're a developer, systems administrator, tester, or manager, this book will help your organization move from idea to release faster than ever—so you can deliver value to your business rapidly and reliably.

Could spiritual warfare be an essential part of God's plan for each of us? It's a battle that's been going on since soon after the beginning of time. What began as one archangel's rebellion set the course for all of humanity, unleashing a war of epic proportions. The answers to the basic questions of evil are rooted in this battle, as is the significance of Jesus' stunning victory over Satan on the cross. This heavenly war is all-encompassing, and no part of life remains untouched by it. In this expanded edition of his classic text, bestselling author and Bible teacher Derek Prince explores the inner workings of this intense conflict. His accessible, in-depth exploration will help you identify the devil's unchanging tactics, seize your biblical weapons and learn to wage war against the forces of evil around you. Now includes study questions for even more in-depth study and application. Don't wait. It's time to take your place in the battle--and declare victory.

The Fate of England's Monarchy Is In The Hands of Three Notorious Rakes. To prevent three royal dukes from marrying their way onto the throne, heroic, selfless agents for the crown will be dispatched...to seduce the dukes' intended brides. These wickedly debauched rakes will rumple sheets and cause a scandal. But they just might fall into their own trap... After he's blamed for a botched assignment during war, former cavalry officer Rhys Warrick turns his back on "honor." He spends his nights in brothels doing his best to live down to the expectations

of his disapproving family. But one last mission could restore the reputation he's so thoroughly sullied. All he has to do is seduce and ruin Miss Olivia Symon and his military record will be cleared. For a man with Rhys's reputation, ravishing the delectably innocent miss should be easy. But Olivia's honesty and bold curiosity stir more than Rhys's desire. Suddenly the heart he thought he left on the battlefield is about to surrender... Celebrate the 80th birthday of Regency Romance with great books from Sourcebooks Casablanca!

A hilarious, high-stakes adventure involving crooked casino boats, floating fish, toxic beaches, and one kid determined to get justice. This is Carl Hiaasen's Florida—where the creatures are wild and the people are wilder! You know it's going to be a rough summer when you spend Father's Day visiting your dad in the local lockup. Noah's dad is sure that the owner of the Coral Queen casino boat is flushing raw sewage into the harbor—which has made taking a dip at the local beach like swimming in a toilet. He can't prove it though, and so he decides that sinking the boat will make an effective statement. Right. The boat is pumped out and back in business within days and Noah's dad is stuck in the clink. Now Noah is determined to succeed where his dad failed. He will prove that the Coral Queen is dumping illegally . . . somehow. His allies may not add up to much—his sister Abbey, an unreformed childhood biter; Lice Peeking, a greedy sot with poor hygiene; Shelly, a bartender and a woman scorned; and a mysterious pirate—but Noah's got a plan to flush this crook out into the open. A plan that should sink the crooked little casino, once and for all. *She's Yours For The Taking* Harper Collins

Become a World-Shaper. The times we are living in are scary, to say the least. The world is unstable. Global politics are volatile. The rate of change we now experience is spiraling out of control. We're uncertain about what will happen tomorrow, and we feel helpless to do anything about it. Yet what we are facing isn't new. In the past, there have been many wars. There have been threats and acts of terrorism. History is spotted with violent episodes of unimaginable carnage and horror. And what did people do about them? The only thing they could do: they prayed! Discover with Derek Prince how your prayers and fasting can change the world. Using experiences from his own life, he illustrates how you can make a difference. You don't have to fight. You don't have to hold

high political position. You don't have to be a certain age. You don't even have to have power, money, or influence on earth. What is important is your influence in heaven. Learn to touch the heart of God through prayer—prayer that will change the world! *The Onion Book of Known Knowledge* Whitaker House  
"With research showing child maltreatment is substantiated for one in eight children in the US, it's clear Adverse Childhood Experiences (ACEs), a broader category of experiences than just maltreatment, are at an epidemic scale in our society ... The authors' main thesis, quite simply, is that protecting all our children is entirely possible, but only when we know the scope of the challenges families face. The book provides a detailed, data-driven analysis of the scope of the problem and how to strengthen systems designed to protect our children"--*Register Your Book* Createspace Independent Publishing Platform  
This nine-in-one anthology of some of Derek Prince's greatest books explains how to manifest God's promises for healing, marriage, spiritual warfare, finances, prayer, the Holy Spirit, and much more. Book one in the blockbuster Darkest Minds series —now with key art from the major motion picture that's hitting theaters September 2018! When Ruby woke up on her tenth birthday, something about her had changed. Something alarming enough to make her parents lock her in the garage and call the police. Something that got her sent to Thurmond, a brutal government

"rehabilitation camp." She might have survived the mysterious disease that killed most of America's children, but she and the others emerged with something far worse: frightening abilities they cannot control. Now sixteen, Ruby is one of the dangerous ones. But when the truth about Ruby's abilities—the truth she's hidden from everyone, even the camp authorities—comes out,

Ruby barely escapes Thurmond with her life. On the run, she joins a group of kids who escaped their own camp: Zu, a young girl haunted by her past; Chubs, a standoffish brainiac; and Liam, their fearless leader, who is falling hard for Ruby. But no matter how much she aches for him, Ruby can't risk getting close. Not after what happened to her parents. While they journey to find

the one safe haven left for kids like them—East River—they must evade their determined pursuers, including an organization that will stop at nothing to use Ruby in their fight against the government. But as they get closer to grasping the things they've dreamed of, Ruby will be faced with a terrible choice, one that may mean giving up her only chance at a life worth living.
