*EL SEGUIMIENTO DE CRISTO* Editorial San Pablo

Nueva edición de un clásico de la espiritualidad del P. Larrañaga: El pobre de Nazaret. Esta obra no es una cristología, ni siquiera una biografía de Jesús, sino una memoria viva del hombre, que se descubre a sí mismo como Hijo bienamado del Padre, y desde esa experiencia singular e irreplicable va descubriendo, también dolorosamente, su misión esencial como el «pobre de Dios», en la línea del profeta Isaías. El pobre de Nazaret es una creación original que aporta una rica y matizada información documental, histórica y doctrinal, pero incluye también elementos de ficción, estrictamente apoyados en los evangelios. Es un texto de carácter testimonial, original en el tratamiento del tema, que se inscribe propiamente en la literatura narrativa, transmitiéndonos con propiedad y eficacia lo más sustancial de la vida y el mensaje de Jesús de Nazaret.

'The Story Of Jesus' is Ellen Gould White's adaptation of her own work 'Christ Our Saviour' for a children's audience. This beautiful narrative of Jesus' life on earth was prepared by the author's son while he was working with mostly illiterate slaves in the South of the United States. It is wonderful to read and tell, even for persons with a limited vocabulary.

A profound yet very readable portrayal of Mary.

"The Shadow of the Father" - one of the most important books of Jan Dobraczynski, is based on the record of the Gospel, the evangelical text. It shows Joseph, the guardian of the Holy Family as a human being subjected to obedience to God and his intentions, a man who must understand and accept his part of being a shadow of the true Father of Jesus who will be born by his Miriam-chosen to him by God. Joseph, a native of Bethlehem, heir to the heritage of kings David and Solomon and the noble tribe of Judah, is up to Nazareth in search of the woman for whom he will sacrifice his life. Over there he meets a charming, friendly, yet mysterious girl named Miriam. However, starting to understand that between Miriam and him stands an impetuous force of abysmal proportions, as God's fist, will make their relationship continue unexpected ways: the One Who will be born and Who will become the liberator of the people scattered and oppressed in Israel. The book gives testimony to the values that never lose their importance: family, responsibility, patience, and true love."

Para poder amar hay que derribar murallas divisorias: antipatías, agresividades y toda violencia compensadora; liberarse de la imagen inflada de sí mismo, de narcisismos y de cualquier apropiación. Es necesario superar la ansiedad, la angustia y las depresiones, e imponer las convicciones de fe sobre las reacciones primarias. Redimidos los impulsos, la vía oblativa nos llevará a la Pascua fraterna. Amar es respetarse, adaptarse, perdonarse, comprenderse, aceptarse, comunicarse, acogerse, dialogar. Las ideas de Sube conmigo son aplicables no sólo a las comunidades religiosas, sino también, en casi su totalidad, a la esfera matrimonial - primera comunidad cristiana- y, en general, al círculo del hogar.

*DEL SUFRIMIENTO A LA PAZ* Editorial San Pablo

Las fuerzas de la decadencia es continuación y complemento de la obra *Del sufrimiento a la paz*, uno de los libros de Ignacio Larrañaga que ha alcanzado mayor difusión en numerosos países y en diversos idiomas. El P. Larrañaga se adentra en esta obra en el misterio del hombre doliente, que, ante situaciones como el olvido, el cansancio, el fracaso, la ansiedad, la enfermedad, el dolor, el miedo, la soledad, la ancianidad o la perspectiva de la muerte, alcanza a entrever el propio misterio de Dios, que se hace impotente y débil en el mundo para estar con nosotros y ayudarnos.

*Sketches of Jewish Social Life in the Time of Christ* Editorial San Pablo

The book proposes a prayer path that is travelled with the eyes fixed on Jesus (an expression from the letter to the Hebrews). As a starting point to live this Jesus experience in silence, the author invites all those who have made an option of life for Jesus in different ways, to welcome the expressive force of water, "useful, pure and humble", to which so many times Jesus appealed as a brand of his preaching. With a simple and colloquial language it offers guides for a close and loving prayer which impels towards a concrete commitment because contemplative silence is only true when it impels action.

The publication of the King James version of the Bible, translated between 1603 and 1611, coincided with an extraordinary flowering of English literature and is universally acknowledged as the greatest influence on English-language literature in history. Now, world-class literary writers introduce the book of the King James Bible in a series of beautifully designed, small-format volumes. The introducers' passionate, provocative, and personal engagements with the spirituality and the language of the text make the Bible come alive as a stunning work of literature and remind us of its overwhelming

When was the last time we truly paused to meditate and study the crucially important doctrine of the sovereignty of God? In this book A.W. Pink unpacks the theology of the sovereignty of God for us in a way few others have before or after him. Pink dives into Scripture not only to define the sovereignty of God; he goes on to help us apply the doctrine to various aspects of our lives. Pink passionately challenges us to wrestle with and accept a higher, deeper and broader view of our omniscient and omnipotent King.

Nueva edición, en la colección de bolsillo, de «Salmos para la vida», el libro en el que el P. Larrañaga comenta algunos de los salmos más comunes en la liturgia de las horas, con el fin de ayudar al cristiano a vivificar su trato con la palabra de Dios y la práctica de la oración. Porque un salmo rezado por un corazón vacío no «dice nada», por muchas añadiduras y condimentos que se le agreguen. Un salmo resonando en un corazón henchido de Dios queda cuajado de su presencia, y cuanto más repleto esté de amistad divina, más se llenará de Dios cada una de sus palabras. «Salmos para la vida» nos ayuda a orar con los salmos, sus comentarios nos sumergen en su interior para salir después con las manos llenas y nos estimulan a encontrar de nuevo en ellos espíritu y vida.

Here, told in a vivid and original way, is the full story of the life of St. Francis of Assisi. This story has been told many times before, but Fr. Larranaga tells it with a new spirit, seamlessly combining a modern spirit with the freshness and sense of wonder of the Fioretti. When Francis Bernardone was held as a prisoner of war at the age of 20, he never dreamed that he would become a knight in the service of Lady Poverty. By the time he died 25 years later, he had become the Poor Man of God, the living image of the Crucified Savior.

One of the great treasures entrusted to the Church is the collection of parables found in Scripture, which were mostly given by Christ in the Gospels. A parable can be defined as an earthly story with a heavenly meaning. Christ repeatedly said before sharing His parables, "here is what the Kingdom of Heaven is like..." Dr. Bailey wrote this book to be an aid in the study and interpretation of the parables so that we might discover and enter into the truths of the Kingdom of God.

In Saint Joseph Leonardo Boff seeks to provide a vigorous critique and theological analysis of Saint Joseph and in so doing attempts to undo historical misconceptions, misunderstandings, and clichés that surround the figure of Joseph. The book provides a comprehensive view of the topic as it takes into account biblical references, including the apocrypha, church tradition, papal edicts, liturgical expressions, and various viewpoints proposed by theologians. Boff is also concerned with updating the figure of Saint Joseph; his first step in this direction is to provide a clear understanding of the life of Joseph as an artisan, husband, father, and educator. He then deals with the issue of the importance of Saint Joseph for current issues concerning family and fatherhood. Lastly, Boff argues that Saint Joseph helps us to understand new facets of the mystery of God, and the author does this through his argument concerning the order of hypostatic union, where, according to his argument, there is a relation between Jesus and the Son, Mary and the Holy Spirit, and Joseph and the Father. Boff seeks here to fill a gap in the theological literature, given that theologians have concentrated their efforts on Jesus and the Son and Christology, and Mary and the Holy Spirit and Mariology; but these same theologians have, by and large, given very little time to the figure of Saint Joseph and the Father and Josephology.
