## CAROLYN GIOVANNA

Faith's Checkbook InterVarsity Press

Preached at Enfield, Connecticut on July 8, 1741, this is perhaps the greatest sermon ever preached in America—and is certainly among the most well known. Owing to its forthright dealing with God's wrath and His intense hatred of sin and the sinner, it is also one of the most controversial. Indeed, for more than three-quarters of the sermon Edwards lays down a relentless stream of the most vivid and horrifying descriptions of the danger facing unregenerate men. While it is difficult to read such graphic language, there is abundant hope in the sermon's conclusion. Edwards puts it this way, "And now you have an extraordinary opportunity, a day wherein Christ has thrown the door of mercy wide open and stands calling and crying with a loud voice to poor sinners." While those who would rather ignore God's justice in favor of His mercy condemn Edwards and his sermon, those who were present and actually heard him preach that day reacted in a decidedly different manner. According to the diary of Reverend Stephen Williams who attended the sermon, "Before the sermon was done there was a great moaning and crying through the whole House, 'what shall I do to be saved; oh, I am going to hell, etc.'" The diary goes on to indicate that Edwards had to interrupt his sermon and come down to minister to those who were under such awful conviction. And so, in spite of what the scoffers might think or say, "the amazing and astonishing power of God" was manifested among the people that day—with many falling not into the hands of an angry God, but into the arms of a mighty Savior.

*A Manual of Hebrew Poetics* Zondervan

We live in a cynical age in which only one prejudice is tolerated--anti-Christian bigotry. Yet despite the unbridled slanders and attacks against the faith, one powerful truth is undeniable: if Christ had never been born, nearly every facet of human life would be much more miserable than it is today. Arranged topically and presenting compelling, little-known historical facts, *What If Jesus Had Never Been Born?* clearly demonstrates that an enormous array of benefits to humankind--from economics to art to government, science to civil liberties, morality to health, and beyond--would never have occurred had Jesus Christ not lived.

Good Morning, Holy Spirit Zondervan Academic

In this comprehensive look at life in the time of Jesus, Edersheim examines Jewish homelife,

marriage customs, worship, literature, and much more. This publication from Boomer Books is specially designed and typeset for comfortable reading.

**Sinners in the Hands of an Angry God** Harper Collins

A critical, experimental, and practical commentary on the Bible, this three-volume work is renowned for its scholarship and keen insight into the Scriptures. While scholarly, the commentary is not overly technical and so is accessible to pastor, student, and layperson alike. C. H. Spurgeon commented on Jamieson-Fausset-Brown, "It contains so great a variety of information that if a man had no other exposition he would find himself at no great loss if he possessed and used it diligently."

The Millennial Mentality Moody Pub

*Job A Man of Colossal Faith in the Face of Overwhelming Tragedy* Job, a study in pathetic tragedy . . . a hapless victim of unfair treatment. His disastrous circumstances overwhelmed him. His boil-covered body tormented him. His so-called friends belittled him. His distraught wife discouraged him. Even God seemed to desert him, letting Satan have his devilish way. And Job sat patiently by, enduring it all. Not a portrait of a hero. Or is it? Could a man with ordinary internal fortitude stay faithful as Job did? Could a wimp endure the excruciating pain, suffering, and loss that this man did? No hero? Think again. After a year of focused research into the life of Job, Charles Swindoll says, "Job appears boldly in the ancient book of the Bible that bears his name, and yet most of us have not taken the time to examine his life in depth. But a careful study of Job's life will convince us that this is another of God's amazing men with heroic character qualities worth emulating." Travel with Swindoll into the world of Job: *A Man of Heroic Endurance*. "Even if it was written in Scripture long ago, you can be sure it's written for us." So pay close attention to Job's life. Who knows what God will do next in your life?

*Be Comforted (Isaiah)* Wm. B. Eerdmans Publishing

The Christian church has a long tradition of systematic theology, that is, of studying biblical teaching on centrally important doctrines such as the Word of God, redemption, and Jesus Christ. Wayne Grudem's bestselling *Systematic Theology* has several distinctive features: A strong emphasis on the scriptural basis for each doctrine Clear writing, with technical terms kept to a minimum A contemporary approach, treating subjects of special interest to the church today A friendly tone, appealing to the emotions and the spirit as well as the intellect Frequent application to life Resources for worship within each chapter Bibliographies in each chapter that cross-reference subjects to a wide range of other systematic theologies.

Eternal Security Thomas Nelson

Why is it easier to obey God than to trust Him? Because obeying God makes sense to us. In most cases, His laws appear reasonable and wise, and even when we don't want to obey them, we usually concede that they are good for us. But the circumstances we find ourselves in often defy explanation. Before long, we begin to doubt God's concern for us or His control over our lives. We ask, "Why is God allowing this?" or "What have I done wrong?" During such a time of adversity, Jerry Bridges began a thorough Bible study on the topic of God's sovereignty. What he learned changed his life, and in *Trusting God* he shares the fruit of that study. As you explore the scope of God's power over nations, nature, and even the details of your life, you'll find yourself trusting Him more completely—even when life hurts. This new edition replaces both *Trusting God* (paperback ISBN 9781600063053) and the study guide (paperback ISBN 9781600063060) by combining both resources into one volume!

The Preacher's Portrait Thomas Nelson

More than fifty scholars, under R. C. Sproul, collaborated to produce this study Bible to help readers understand the great doctrines of the Christian faith. Published by Ligonier Ministries, trade distribution by P&R Publishing.

**Reformation Study Bible-ESV** New Leaf Publishing Group

Stott takes a fresh look at some of the words used in the New Testament to describe the preacher and his task in order to gain a clearer view of God's revealed ideal for the preacher—what he is and how he is to do his work.

**Jamieson-Fausset-Brown Bible Commentary** NavPress

Gain a knowledge of counseling methods that are practical and consistent with Christian theological convictions. What do the Scriptures say about counseling? What is the biblical basis for using Scriptures in counseling? What does it mean to think biblically about counseling-related issues? At the root of this book is the confidence that Christ and his Word are not only sufficient for effectively handling the personal and interpersonal challenges of life but are superior to the resources found in the world. The practice of psychological counseling is a ministry and should not belong only to the realm of humanistic and secular theories of the mind. Written to pastors, elders, deacons, seminary students, and laypeople; well-known pastor John MacArthur and contributors present a system of biblical truth that brings together people, their problems, and the living God. This kind of counseling is based on the convictions that: God's Word should be our counseling authority. Counseling is a part of the basic discipling ministry of the local church. God's people can and should be trained to counsel effectively. *Counseling: How to Counsel Biblically* provides biblical guidelines to counsel people who are struggling. The contributors represent some of America's leading biblical teachers and counselors, including: Ken L. Sarles, David Powlison, Douglas Bookman, David B. Maddox, Robert Smith, William W. Goode, and Dennis M. Swanson.

*Sketches of Jewish Social Life in the Time of Christ* NavPress

Pastor John MacArthur combines his passion for the Bible with the training expertise of faculty members at The Master's Seminary to guide seminary students and ministry leaders in developing their pastoral ministry skills. Pastors today can easily become preoccupied with the many pitfalls of modern culture, buying into the idea of image and straying from Jesus's call to shepherd leadership.

*Pastoral Ministry: How to Shepherd Biblically* presents a practical pastoral theology aimed at showing pastors and pastors-in-training the vital role God's word plays in shaping the preparation and maintaining the priorities of pastoring. The authors examine the biblical teaching about the high and demanding call to ministry required of any spiritual shepherd. You'll learn how to pursue intentional growth through the stages of calling, training, and ministering to God's church—along the way, uncovering answers to questions such as: How does the Bible establish a philosophy of pastoral ministry, and what is it? Who is personally qualified to be an undershepherd of God's flock? What are the biblical preparations required of shepherd leaders? What priority does God's word place on activities involved in pastoral ministry? United in affirming shepherd leadership as the biblical model for pastoral ministry, The Master's Seminary faculty contributes a treasury of expertise alongside insights from well-known Bible teacher John MacArthur. This book will inspire any pastor dedicated to serving God's church in the pattern of Jesus Christ.

How to Listen to God Great Lives (Thomas Nelson)

Author approaches the New Testament in three segments: the anticipation, institution, and fulfillment of the new covenant.

**Anointed Expository Preaching** Cambridge University Press

God's vision for your marriage is far more than mediocre, and money and sex are two of the most common tension points. But it doesn't have to be this way. In *Your Money, Your Marriage*, Brian and Cherie Lowe offer straight talk and power principles for getting your finances back on track so you can get back to your romance. Take it from them—the Lowes worked off \$127,000 in debt in just four years, and emerged not only financially free but better together. Join Cherie, personal finance blogger at Queen of Free, and Brian, family law attorney who's seen it all when it comes to marital money struggles, in this journey to help you and your spouse go from different books to the same page. Through candid and hilarious stories, fresh ideas and practices, and a few winks along the way, Brian and Cherie reveal the secrets to "financial foreplay" able to help every couple thrive together in finance and romance alike. You'll learn how to: Develop "passionate patience" with each other toward a shared financial goal Identify unhealthy financial habits Save smart on date nights Sort through misaligned expectations as a couple Beat the comparison game Cultivate a stronger relationship on a budget of zero dollars Couples share much more than a bank account or even a bedroom—they share a sacred union. Imagine what your marriage could be if you could put cash conflict behind you. *Your Money, Your Marriage* is an invitation to find out, and to thrive together.

*Art, Mind, And Brain* Hendrickson Pub

This book explores the interface between intellectual property and human rights law and policy. The relationship between these two fields has captured the attention of governments, policymakers, and activist communities in a diverse array of international and domestic political and judicial venues. These actors often raise human rights arguments as counterweights to the expansion of intellectual property in areas including freedom of expression, public health, education, privacy, agriculture, and the rights of indigenous peoples. At the same time, creators and owners of intellectual property are asserting a human rights justification for the expansion of legal protections. This book explores the legal, institutional, and political implications of these competing claims: by offering a framework for exploring the connections and divergences between these subjects; by identifying the pathways

along which jurisprudence, policy, and political discourse are likely to evolve; and by serving as an educational resource for scholars, activists, and students.

**Counseling** David C Cook

This book equips and encourages preachers of all kinds to respect their calling and minister God's inerrant Word.

Resolving Everyday Conflict Gregorian Biblical BookShop

Every day, we hear dozens of outside opinions: from our spouses and our family members to our coworkers and our church community, but how can we shift our focus away from the clamor of other voices so we don't miss what God is trying to tell us? How to Listen to God helps you distinguish God's voice from all the rest. Bestselling author Dr. Charles Stanley shares the lessons he's learned on his own journey to listening to the God who wants to communicate personally with you, including: How God gets your attention Four ways God speaks to you The importance of your own spiritual mindset Scriptural guidelines for recognizing God's voice The joys and fruits from listening to God Ten hindrances to hearing God Along the way, you'll learn firsthand that just a few minutes of sitting before the God who speaks can transform a life, refocus a mind, and reset purpose and direction for eternity. The sad heart is cheered, the confused mind is ordered, the pessimistic outlook is eliminated, the lonely spirit is befriended, the rebellious will is subdued, and the drifting seeker is made steadfast. Join Dr. Stanley as he shows us that we've never been more equipped to confidently hear from God. How to Listen to God will teach you that God's voice waits to be heard and, when we've finally heard it, we're launched into the greatest, most exciting adventure we could ever imagine.

**Human Rights and Intellectual Property** Doubleday Books

Exploring the difficulty in determining the true nature, method, scope, and motivation for Old

Testament theology, this book proposes the promise of God as the center of Old Testament theology and applies the solution to each of its eras.

Peter Wagner, and others

**Child Guidance** Thomas Nelson

Do you ever find yourself wondering . . . Is it actually possible to know, beyond the shadow of a doubt, that I am going to heaven? If you say that my salvation is "eternally secure" and that I can never lose it, does that mean that I can commit any sin and still go to heaven? How can an understanding of "eternal security" make a difference in my Christian life? With the wisdom and skill of a man who has personally wrestled with these questions, internationally-known pastor and bestselling author Charles Stanley addresses the age-old issue of grace vs. works in this compassionate, straight-forward book. With questions at the end of each chapter, Eternally Secure is an excellent choice for individual or group study. "I know from experience that until you settle once and for all the question of whether or not you are eternally secure, joy will elude you. Therefore, it is my prayer that God will use this book in your life and that in the very near future you will be able to face life with the confidence that comes through knowing you are eternally secure. ?Charles Stanley Previously published in hardcover (0840790953).
