**Rapid Revision: An Inspector Calls eBook Edition** Pearson UK

Developed in response to a high level of customer demand, the workbooks in this series provide an innovative new approach to revision with a range of tasks and answers for students to test and track their writing skills in advance of the exam. Each workbook contains sections to be filled in by the reader.

The Best We Could Do Oxford University

Press

Since the publication of the first edition in 1982, the goal of Simulation Modeling and Analysis has always been to provide a comprehensive, state-of-the-art, and technically correct treatment of all important aspects of a simulation study. The book strives to make this material understandable by the use of intuition and numerous figures, examples, and problems. It is equally well suited for use in university courses, simulation practice, and self study. The book is widely regarded as the "bible" of simulation and now has more than 100,000 copies in print. The book can serve as the primary text for a variety of courses; for example:

- A first course in simulation at the junior, senior, or beginning-graduate-student level in

engineering, manufacturing, business, or computer science (Chaps. 1 through 4, and parts of Chaps. 5 through 9). At the end of such a course, the students will be prepared to carry out complete and effective simulation studies, and to take advanced simulation courses. • A second course in simulation for graduate students in any of the above disciplines (most of Chaps. 5 through 12). After completing this course, the student should be familiar with the more advanced methodological issues involved in a simulation study, and should be prepared to understand and conduct simulation research. • An introduction to simulation as part of a general course in operations research or management science (part of Chaps. 1, 3, 5, 6, and 9).

York Notes for GCSE: Pride and Prejudice  
Kindle edition Abrams

Why do critics feel impelled to unmask and demystify the works that they read? What is the rationale for their conviction that language is always withholding some important truth, that the critic's task is to unearth what is unsaid, naturalized, or repressed? These are the features of critique, a mode of thought that thoroughly dominates academic criticism. In this book, Rita Felski brilliantly exposes critique's more troubling qualities and proposes alternatives to it. Critique, she argues, is not just a method but also a sensibility--one best captured by Paul Ricoeur's phrase "the hermeneutics of suspicion." As the characteristic affect of critique, suspicion, Felski shows, helps us

understand critique's seductions and limitations. The questions that Felski poses about critique have implications well beyond intramural debates among literary scholars. Literary studies, says Felski, is facing a legitimation crisis thanks to a sadly depleted language of value that leaves the field struggling to find reasons why students should care about Beowulf or Baudelaire. Why is literature worth bothering with? For Felski, the tendencies to make literary texts the object of suspicious reading or, conversely, impute to them qualities of critique, forecloses too many other possibilities. Felski offers an alternative model that she calls "postcritical reading." Rather than looking behind the text for its hidden causes, conditions, and motives, she suggests that literary

scholars place themselves in front of a text, reflecting on what it calls forth and makes possible. Here Felski enlists the work of Bruno Latour to rethink reading as a co-production between actors, rather than an unraveling of manifest meaning, a form of making rather than unmaking. As a scholar with an abiding respect for theory who has long deployed elements of critique in her own work, Felski is able to provide an insider's account of critique's limits and alternatives that will resonate widely in the humanities.

#### An Inspector Calls York Notes

Anyone who has read J.D. Salinger's New Yorker stories, particularly A Perfect Day for Bananafish, Uncle Wiggily in Connecticut, The Laughing Man, and For Esme--With Love and Squalor, will not be

surprised by the fact that his first novel is full of children. The hero-narrator of *THE CATCHER IN THE RYE* is an ancient child of sixteen, a native New Yorker named Holden Caulfield. Through circumstances that tend to preclude adult, secondhand description, he leaves his prep school in Pennsylvania and goes underground in New York City for three days. The boy himself is at once too simple and too complex for us to make any final comment about him or his story. Perhaps the safest thing we can say about Holden is that he was born in the world not just strongly attracted to beauty but, almost, hopelessly impaled on it. There are many voices in this novel: children's voices, adult voices, underground voices--but Holden's voice is the most eloquent of all. Transcending

his own vernacular, yet remaining marvelously faithful to it, he issues a perfectly articulated cry of mixed pain and pleasure. However, like most lovers and clowns and poets of the higher orders, he keeps most of the pain to, and for, himself. The pleasure he gives away, or sets aside, with all his heart. It is there for the reader who can handle it to keep.

*An Inspector Calls* Black Rose Books Ltd.  
Exam Board: AQA Level: GCSE Grade 9-1  
Subject: English Literature Don't let being short of time or inspiration stop you studying and revising. In the quiet cul-de-sac where Keith and Stephen live the only immediate signs of the Second World War are the blackout at night and a single random bombsite. But the two boys start to suspect that all is not what it seems when one day Keith announces a disconcerting discovery: the Germans have infiltrated his own

family. And when the secret underground world they have dreamed up emerges from the shadows they find themselves engulfed in mysteries far deeper and more painful than they had bargained for. 'Bernard Shaw couldn't do it, Henry James couldn't do it, but the ingenious English author Michael Frayn does do it: write novels and plays with equal success ... Frayn's novel excels.' John updike, New Yorker 'A beautifully accomplished, richly nostalgic novel about supposed second-world-war espionage seen through the eyes of a young boy.' Sunday Times 'Deeply satisfying . . . Frayn has written nothing better.' Independent

*An Inspector Calls: York Notes for GCSE (9-1)* University of Chicago Press

The tragic events of September 11, 2001, forever altered the American landscape, both figuratively and literally. Immediately after the jets struck the twin towers of the World Trade Center, Dennis Smith, a former firefighter, reported to Manhattan's Ladder Co. 16 to volunteer in the rescue efforts. In the weeks that followed, Smith was present on the front lines, attending to the wounded, sifting through the wreckage, and mourning with New York's

devastated fire and police departments. This is Smith's vivid account of the rescue efforts by the fire and police departments and emergency medical teams as they rushed to face a disaster that would claim thousands of lives. Smith takes readers inside the minds and lives of the rescuers at Ground Zero as he shares stories about these heroic individuals and the effect their loss had on their families and their companies. "It is," says Smith, "the real and living history of the worst day in America since Pearl Harbor." Written with drama and urgency, *Report from Ground Zero* honors the men and women who—in America's darkest hours—redefined our understanding of courage.

**York Notes for GCSE: An Inspector Calls** **Kindle edition** Pearson UK

Risk everything . . . for love with this #1 New York Times bestseller. What if you

couldn't touch anything in the outside world? Never breathe in the fresh air, feel the sun warm your face . . . or kiss the boy next door? In *Everything, Everything*, Maddy is a girl who's literally allergic to the outside world, and Olly is the boy who moves in next door . . . and becomes the greatest risk she's ever taken. My disease is as rare as it is famous. Basically, I'm allergic to the world. I don't leave my house, have not left my house in seventeen years. The only people I ever see are my mom and my nurse, Carla. But then one day, a moving truck arrives next door. I look out my window, and I see him. He's tall, lean and wearing all black—black T-shirt, black jeans, black sneakers, and a black knit cap that covers his hair completely. He catches me looking and stares at me.

I stare right back. His name is Olly. Maybe we can't predict the future, but we can predict some things. For example, I am certainly going to fall in love with Olly. It's almost certainly going to be a disaster. Everything, Everything will make you laugh, cry, and feel everything in between. It's an innovative, inspiring, and heartbreakingly romantic debut novel that unfolds via vignettes, diary entries, illustrations, and more. And don't miss Nicola Yoon's *The Sun Is Also A Star*, the #1 New York Times bestseller in which two teens are brought together just when it seems like the universe is sending them in opposite directions. [York Notes AS/A2: The Kite Runner Kindle edition](#) Dramatists Play Service, Inc.

**NATIONAL BESTSELLER** • In April 1992 a young man from a well-to-do family hitchhiked to Alaska and walked alone into the wilderness north of Mt. McKinley. Four months later, his decomposed body was found by a moose hunter. This is the unforgettable story of how Christopher Johnson McCandless came to die. "It may be nonfiction, but *Into the Wild* is a mystery of the highest order." —Entertainment Weekly McCandless had given \$25,000 in savings to charity, abandoned his car and most of his possessions, burned all the cash in his wallet, and invented a new life for himself. Not long after, he was dead. *Into the Wild* is the mesmerizing, heartbreaking tale of an enigmatic young man who goes missing in the wild and whose story captured the

world's attention. Immediately after graduating from college in 1991, McCandless had roamed through the West and Southwest on a vision quest like those made by his heroes Jack London and John Muir. In the Mojave Desert he abandoned his car, stripped it of its license plates, and burned all of his cash. He would give himself a new name, Alexander Supertramp, and, unencumbered by money and belongings, he would be free to wallow in the raw, unfiltered experiences that nature presented. Craving a blank spot on the map, McCandless simply threw the maps away. Leaving behind his desperate parents and sister, he vanished into the wild. Jon Krakauer constructs a clarifying prism through which he reassembles the disquieting

facts of McCandless's short life. Admitting an interest that borders on obsession, he searches for the clues to the drives and desires that propelled McCandless. When McCandless's innocent mistakes turn out to be irreversible and fatal, he becomes the stuff of tabloid headlines and is dismissed for his naiveté, pretensions, and hubris. He is said to have had a death wish but wanting to die is a very different thing from being compelled to look over the edge. Krakauer brings McCandless's uncompromising pilgrimage out of the shadows, and the peril, adversity, and renunciation sought by this enigmatic young man are illuminated with a rare understanding—and not an ounce of sentimentality. Into the Wild is a tour de

force. The power and luminosity of Jon Krakauer's stoytelling blaze through every page.
