Where the Mountain Meets the Moon

This title's main subject is "to be born again of Water and the Spirit." It has the originality on the subject. In other words, this book clearly tells us what being born again is and how to be born again of water and the Spirit in strict accordance with the Bible. The water symbolizes the baptism of Jesus at the Jordan and the Bible says that all our sins were passed on to Jesus when

He was baptized by John the Baptist. John was the representative of all mankind and a descendant of Aaron the High priest. Aaron laid his hands on the head of the scapegoat and passed all the yearly sins of the Israelites on the Day of Atonement. It is a shadow of the good things to come. The baptism of Jesus is the antitype of the laying on of hands. Jesus was baptized in the form of the laying on of hands at the Jordan. So He took away all the sins of the world through His baptism and was crucified to pay for the sins. But most Christians don't know why Jesus baptized by John the Baptist in the Jordan. Jesus'

baptism is the keyword of this book, and the indispensable part of the Gospel of Water and the Spirit. We can be born again only by believing in the baptism of Jesus and His Cross.

Stork Mountain tells the story of a young Bulgarian immigrant who, in an attempt to escape his mediocre life in America, returns to the country of his birth. Retracing the steps of his estranged grandfather, a man who suddenly and inexplicably cut all contact with the family three years prior, the boy finds himself on

the border of Bulgaria and Turkey, a stone's throw away from Greece, high up in the Strandja Mountains. It is a place of pagan mysteries and black storks nesting in giant oaks; a place where every spring, possessed by Christian saints, men and women dance barefoot across live coals in search of rebirth. Here in the mountains, the boy reunites with his grandfather. Here in the mountain, he falls in love with an unobtainable Muslim girl. Old ghosts come back to life and forgotten conflicts, in the name of faith and doctrine, blaze anew. *Stork Mountain* is an enormously charming, slyly brilliant debut novel from an internationally celebrated writer. It is a novel that will undoubtedly find a home in many readers' hearts.

The time is just after World War II.

Asheville is a small, proper town, and in the country, farming is a traditional way of life. The houses are secluded, down in a hollow or scattered far apart along a dirt road. Reading is by lamplight, water is carried to the house from the spring. The stillness is broken only by familiar voices or the sounds of nature. Life is simple and hard, the family poor and proud. The foods

are delicious "vittles" of the southern mountains. From gardens, farmyards, and woods, these are the provisions of people who worked the land. The language is forthright, colorful, and earthy. Here are seven hundred old words and sayings, most of them brought to the mountains by British settlers. Many date from medieval and Elizabethan England, and some are not fit for polite society. This is a path trod by rural people. Listen to them and know the way we were.

A realistic and emotional look at a woman who falls into the grips of insanity written by the iconic American writer Sylvia Plath "It is this perfectly wrought prose and the freshness of Plath's voice in *The Bell Jar* that make this book enduring in its appeal." — USA Today *The Bell Jar* chronicles the crack-up of Esther Greenwood: brilliant, beautiful, enormously talented, and successful, but slowly going under—maybe for the last time. Sylvia Plath masterfully draws the reader into Esther's breakdown with such intensity that Esther's insanity becomes completely real and even rational, as

probable and accessible an experience as going to the movies. Such deep penetration into the dark and harrowing corners of the psyche is an extraordinary accomplishment and has made *The Bell Jar* a haunting American classic. This P.S. edition features an extra 16 pages of insights into the book, including author interviews, recommended reading, and more.

 THIS IS A BOOK ABOUT SELF-SABOTAGE. Why we do it, when we do it, and how to stop doing it-for good. Coexisting but conflicting needs create self-sabotaging behaviors. This is why we resist efforts to change, often until they feel completely futile. But by extracting crucial insight from our most damaging habits, building emotional intelligence by better understanding our brains and bodies, releasing past experiences at a cellular level, and learning to act as our highest potential future selves, we can step out of our own way and into our potential. For centuries, the mountain has been used as a metaphor for the big challenges we face, especially ones that seem impossible to overcome. To scale our mountains, we actually have to do the deep internal work of excavating trauma, building resilience, and adjusting how we show up for the climb. In the end, it is not the mountain we master, but ourselves.

 Saved! What Happens When You Are Born Again "I am drawn to books on theology, in particular systematic theologies, which attempt to sum up the Bible's teaching...in

a clear concise way. Joseph Edhuine's book on salvation will be very helpful for someone new to the faith or looking for a fuller understanding of what the implications of that salvation is in our lives." ---Tom Quaid, Associate Pastor Vineyard Church North Phoenix

Most everyone knows that Jesus died for our sins, but not many in the Body of Christ truly understand exactly what that means, or what it means to be born again. The overwhelming majority of Christians do not fully comprehend the nature of salvation or the miraculous and eternal events that take place when you are saved. This lack of understanding causes millions of God-loving, Bible carrying believers to live lives of struggle, stress and strife, rather than the success, satisfaction and serenity that is guaranteed the confessed believer in Christ, Jesus. *Saved! What Happens When You Are Born Again*, by Joseph Edhuine takes you on a step-by-step journey through every stage of the salvation process from the Regeneration of the spirit to that magnificent day of Glorification when we shall all be caught up with Him in the clouds!"
