*The Art of Being the Donald* Penguin

The Making of Donald Trump Melville House

**Summary of The Making of Donald Trump** Center Street  
THE NEW YORK TIMES BESTSELLER that connects the dots from Donald Trump's racist background to the Russian scandals "A searing indictment." — Michiko Kakutani, The New York Times "Johnston has given us this year's must-read Trump book." — Lawrence O'Donnell, host of MSNBC's The Last Word with Lawrence O'Donnell The international bestseller that brought Trump's long history of racism, mafia ties, and shady business dealings into the limelight. Now with a new introduction and epilogue. Pulitzer Prize-winning investigative journalist David Cay Johnston, who had spent thirty years chronicling Donald Trump for the New York Times and other leading newspapers, takes

readers from the origins of the Trump family fortune—his grandfather's Yukon bordellos during the Gold Rush—to his tumultuous gambling and real estate dealings in New York and Atlantic City, all the way to his election as president of the United States, giving us a deeply researched and shockingly full picture of one of the most controversial figures of our time.

**TrumpNation** Henry Holt and Company

An instant New York Times bestseller. Critics agree: Michael Wolff's *Landslide* is THE book on Trump. "Landslide . . . is the one to leap upon. Smart, vivid and intrepid . . ." —The New York Times "I inhaled *Landslide*, gobbled it up." —Slate "Wow. Just wow . . ." —Evening Standard "Cruel, unforgiving, muckraking, scandalous. I couldn't stop reading it."—The Telegraph We all witnessed some of the most shocking and confounding political events of our lifetime: the careening last stage of Donald J. Trump's reelection campaign, the president's audacious election challenge, the harrowing mayhem of January 6, the buffoonery of the second impeachment trial. But what was really going on in

the inner sanctum of the White House during these calamitous events? What did the president and his dwindling cadre of loyalists actually believe? And what were they planning? Michael Wolff pulled back the curtain on the Trump presidency with his #1 bestselling blockbuster *Fire and Fury*. Now, in *Landslide*, he closes the door on the presidency with a final, astonishingly candid account. Wolff embedded himself in the White House in 2017 and gave us a vivid picture of the chaos that had descended on Washington. Almost four years later, Wolff finds the Oval Office even more chaotic and bizarre, a kind of *Star Wars* bar scene. At all times of the day, Trump, behind the Resolute desk, is surrounded by schemers and unqualified sycophants who spoon-feed him the “alternative facts” he hungers to hear—about COVID-19, Black Lives Matter protests, and, most of all, his chance of winning reelection. Once again, Wolff has gotten top-level access and takes us front row as Trump’s circle of plotters whittles down to the most enabling and the president reaches beyond the bounds of democracy as he entertains the idea of martial law and balks at calling off the insurrectionist mob that threatens the institution of democracy itself. As the Trump presidency’s hold over the country spiraled out of control, an untold and human account of desperation, duplicity, and delusion was unfolding within the West Wing. *Landslide* is that story as only Michael Wolff can tell it.

#### *Never Enough* Random House

An in-depth investigation into Donald Trump’s business—and how he used America’s top job to service it. *White House, Inc.* is a newsmaking exposé that details President Trump’s efforts to make money off of politics, taking us inside his exclusive clubs,

luxury hotels, overseas partnerships, commercial properties, and personal mansions. Alexander tracks hundreds of millions of dollars flowing freely between big businesses and President Trump. He explains, in plain language, how Trump tried to translate power into profit, from the 2016 campaign to the ramp-up to the 2020 campaign. Just because you turn the presidency into a business doesn’t necessarily mean you turn it into a good business. After Trump won the White House, profits plunged at certain properties, like the Doral golf resort in Miami. But the presidency also opened up new opportunities. Trump’s commercial and residential property portfolio morphed into a one-of-a-kind marketplace, through which anyone, anywhere, could pay the president of the United States. Hundreds of customers—including foreign governments, big businesses, and individual investors—obliged. The president’s disregard for norms sparked a trickle-down ethics crisis with no precedent in modern American history. Trump appointed an inner circle of centimillionaires and billionaires—including Ivanka Trump, Jared Kushner, Wilbur Ross, and Carl Icahn—who came with their own conflict-ridden portfolios. Following the president’s lead, they trampled barriers meant to separate their financial holdings from their government roles. *White House, Inc.* is a page-turning, hair-raising investigation into Trump and his team, who corrupted the U.S. presidency and managed to avoid accountability. Until now. [Betrayal](#) Simon and Schuster

One of the Top 10 Politics and Current Events Books of Fall 2019 (Publishers Weekly) An incisive cultural history that captures a fractious nation through the prism of television and the rattled mind of a celebrity president. *Television* has entertained America,

television has ensorcelled America, and with the election of Donald J. Trump, television has conquered America. In *Audience of One*, New York Times chief television critic James Poniewozik traces the history of TV and mass media from the Reagan era to today, explaining how a volcanic, camera-hogging antihero merged with America's most powerful medium to become our forty-fifth president. In the tradition of Neil Postman's masterpiece *Amusing Ourselves to Death*, *Audience of One* shows how American media have shaped American society and politics, by interweaving two crucial stories. The first story follows the evolution of television from the three-network era of the 20th century, which joined millions of Americans in a shared monoculture, into today's zillion-channel, Internet-atomized universe, which sliced and diced them into fractious, alienated subcultures. The second story is a cultural critique of Donald Trump, the chameleonic celebrity who courted fame, achieved a mind-meld with the media beast, and rode it to ultimate power. Braiding together these disparate threads, Poniewozik combines a cultural history of modern America with a revelatory portrait of the most public American who has ever lived. Reaching back to the 1940s, when Trump and commercial television were born, Poniewozik illustrates how Donald became "a character that wrote itself, a brand mascot that jumped off the cereal box and entered the world, a simulacrum that replaced the thing it represented." Viscerally attuned to the media, Trump shape-shifted into a boastful tabloid playboy in the 1980s; a self-parodic sitcom fixture in the 1990s; a reality-TV "You're Fired" machine in the 2000s; and finally, the biggest role of his career, a Fox News-obsessed, Twitter-mad, culture-warring demagogue in the

White House. Poniewozik deconstructs the chaotic Age of Trump as the 24-hour TV production that it is, decoding an era when politics has become pop culture, and vice versa. Trenchant and often slyly hilarious, *Audience of One* is a penetrating and sobering review of the raucous, raging, farcical reality show—performed for the benefit of an insomniac, cable-news-junkie "audience of one"—that we all came to live in, whether we liked it or not.

#### The Covert Campaign to Rig Our Tax System to Benefit the Super Rich--and Cheat Everybody Else Penguin

The instant #1 New York Times bestseller. From the reporter who was there at the very beginning comes the revealing inside story of the partnership between Steve Bannon and Donald Trump—the key to understanding the rise of the alt-right, the fall of Hillary Clinton, and the hidden forces that drove the greatest upset in American political history. Based on dozens of interviews conducted over six years, Green spins the master narrative of the 2016 campaign from its origins in the far fringes of right-wing politics and reality television to its culmination inside Trump's penthouse on election night. The shocking elevation of Bannon to head Trump's flagging presidential campaign on August 17, 2016, hit political Washington like a thunderclap and seemed to signal the meltdown of the Republican Party. Bannon was a bomb-throwing pugilist who'd never run a campaign and was despised by Democrats and Republicans alike. Yet Bannon's hard-edged ethno-nationalism and his elaborate, years-long plot to destroy Hillary Clinton paved the way for Trump's unlikely victory. Trump became the avatar of a dark but powerful worldview that dominated the airwaves and spoke to voters

whom others couldn't see. Trump's campaign was the final phase of a populist insurgency that had been building up in America for years, and Bannon, its inscrutable mastermind, believed it was the culmination of a hard-right global uprising that would change the world. Any study of Trump's rise to the presidency is unavoidably a study of Bannon. *Devil's Bargain* is a tour-de-force telling of the remarkable confluence of circumstances that decided the election, many of them orchestrated by Bannon and his allies, who really did plot a vast, right-wing conspiracy to stop Clinton. To understand Trump's extraordinary rise and Clinton's fall, you have to weave Trump's story together with Bannon's, or else it doesn't make sense.

**The Making of Donald Trump** Simon and Schuster

Learn from the story of Donald Trump, and how he transitioned from a billionaire businessman to president of the United States of America. This reformatted bestseller from Baby Professor features better images and a child-friendlier layout. Go ahead and grab a copy in either print, hardcover or ebook edition. Have a good read!

by [David Cay Johnston](#) | [Includes Analysis](#) Hachette Books

According to the media, Donald Trump could never become president. Now many are on a mission to prove he shouldn't be president. The Trump administration and the press are at war—and as in any war, the first casualty has been truth.

Bestselling author Howard Kurtz, host of Fox News's *Media Buzz* and former Washington Post columnist, offers a stunning exposé of how supposedly objective journalists, alarmed by Trump's success, have moved into the opposing camp. Kurtz's exclusive, in-depth, behind-the-scenes interviews with reporters, anchors,

and insiders within the Trump White House reveal the unprecedented hostility between the media and the president they cover. In *Media Madness*, you'll learn: Why White House strategist Steve Bannon told Trump he is in danger of being impeached How the love-hate relationship between the president and *Morning Joe* hosts—Joe Scarborough and Mika Brzezinski—turned entirely to hate How Kellyanne Conway felt betrayed by journalists who befriended her—and how she fought back How elite, mainstream news reporters—named and quoted—openly express their blatant contempt for Trump How Bannon tried to block short-lived Communications Director Anthony Scaramucci—and why Trump soured on him How Ivanka and Jared Kushner aren't the liberals the pundits want them to be—and why Trump tried to discourage them from joining the White House Why Trump believes some journalists harbor hatred for him—and how some liberals despise his voters How Trump is a far more pragmatic politician than the press often acknowledges (and how the press dismisses his flip-flops when he flops their way) What Trump got wrong about Charlottesville—and how Steve Bannon predicted the debacle How the media consistently overreached on the Russian “collusion” scandal Why Trump actually likes journalists, secretly meets with them, and allows the press unprecedented access Why Reince Priebus couldn't do his job—and the real reason he left the White House How Sean Spicer privately berated journalists for bad reporting—and why he and Kellyanne Conway were relentlessly attacked by the media Never before has there been such an eye-opening, shocking look at what the White House and the media think about each other. It's not pretty. But

it also makes for the most important political book of the year. *Summary of the Making of Donald Trump* Ballantine Books Love them or hate them, the tweets of President Donald J. Trump rule the Twitterverse. Until our last presidential campaign, television, particularly campaign ads, dominated the political landscape. But with the rise of Donald J. Trump came a new political tool: the internet. Trump used this to communicate instantly and very effectively with the American people. And it worked. Establishing his political positions by tweeting numerous times a day, Trump pulled a major upset by defeating Hillary Rodham Clinton to become the 45th president of the United States. Once in office, Trump did not abandon his penchant for using Twitter as his populist platform. Instead, he doubled down on it, making it his primary means of communicating with the American people. Knowing how effective a tweet can be, Trump once wrote, "Boom. I press it and within two seconds we have breaking news." With a massive Twitter following of 78 million by the spring of 2020, Trump's direct impact upon Americans cannot be dismissed, nor can the value of his tweets as an essential part of the historical record be denied. To put the enormous impact of his tweets into perspective, Trump won the White House with 63 million votes—a number significantly lower than his massive Twitter following. Now you can read the collected tweets of wisdom—or ridiculousness—from President Donald J. Trump, from his inauguration through February 2020 in this historically significant collection.

**Trump, the Administrative Presidency, and Federalism**  
Simon and Schuster

In the summer of 2015, as he vaulted to the lead among the

many GOP candidates for president, Donald Trump was the only one dogged by questions about his true intentions. This most famous American businessman had played the role of provocateur so often that pundits, reporters, and voters struggled to believe that he was a serious contender. Trump stirred so much controversy that his candidacy puzzled anyone who applied ordinary political logic to the race. But as Michael D'Antonio shows in *Never Enough*, Trump has rarely been ordinary in his pursuit of success and his trademark method is based on a logic that begins with his firm belief that he is a singular and superior human being. As revealed in this landmark biography, Donald Trump is a man whose appetite for wealth, attention, power, and conquest is practically insatiable. Declaring that he is still the person he was as a rascally little boy, Trump confesses that he avoids reflecting on himself "because I might not like what I see" and he believes "most people aren't worthy of respect." A product of the media age and the Me Generation that emerged in the 1970s, Trump was a Broadway showman before he became a developer. Mentored by the scoundrel attorney Roy Cohn, Trump was a regular on the New York club scene and won press attention as a dashing young mogul before he had built his first major project. He leveraged his father's enormous fortune and political connections to get his business off the ground, and soon developed a larger-than-life persona. In time, and through many setbacks, he made himself into a living symbol of extravagance and achievement. Drawing upon extensive and exclusive interviews with Trump and many of his family members, including all his adult children, D'Antonio presents the full story of a truly American icon, from his beginnings as a businessman to his

stormy romantic life and his pursuit of power in its many forms. For all those who wonder: Just who is Donald Trump?, *Never Enough* supplies the answer. He is a promoter, builder, performer and politician who pursues success with a drive that borders on obsession and yet, has given him, almost everything he ever wanted.

*Understanding Trump* Simon and Schuster

Based on groundbreaking original reporting, an extensive new look at Donald Trump's relationships with women, revealing new accusations of sexual misconduct, exploring the roots of his alleged predatory behavior, and illustrating how Trump's presidency has helped catalyze the #MeToo movement and revitalize women's activism.

**All the President's Women** Twelve

Rage is an unprecedented and intimate tour de force of new reporting on the Trump presidency facing a global pandemic, economic disaster and racial unrest. Woodward, the #1 international bestselling author of *Fear: Trump in the White House*, has uncovered the precise moment the president was warned that the Covid-19 epidemic would be the biggest national security threat to his presidency. In dramatic detail, Woodward takes readers into the Oval Office as Trump's head pops up when he is told in January 2020 that the pandemic could reach the scale of the 1918 Spanish Flu that killed 675,000 Americans. In 17 on-the-record interviews with Woodward over seven volatile months—an utterly vivid window into Trump's mind—the president provides a self-portrait that is part denial and part combative interchange mixed with surprising moments of doubt as he glimpses the perils in the presidency and what he calls the

“dynamite behind every door.” At key decision points, *Rage* shows how Trump's responses to the crises of 2020 were rooted in the instincts, habits and style he developed during his first three years as president. Revisiting the earliest days of the Trump presidency, *Rage* reveals how Secretary of Defense James Mattis, Secretary of State Rex Tillerson and Director of National Intelligence Dan Coats struggled to keep the country safe as the president dismantled any semblance of collegial national security decision making. *Rage* draws from hundreds of hours of interviews with firsthand witnesses as well as participants' notes, emails, diaries, calendars and confidential documents. Woodward obtained 25 never-seen personal letters exchanged between Trump and North Korean leader Kim Jong Un, who describes the bond between the two leaders as out of a “fantasy film.” Trump insists to Woodward he will triumph over Covid-19 and the economic calamity. “Don't worry about it, Bob. Okay?” Trump told the author in July. “Don't worry about it. We'll get to do another book. You'll find I was right.”

*The Making of the President 2016* Simon and Schuster

*The Making of Donald Trump* by David Cay Johnston | SummaryBook Preview: Journalist David Cay Johnston has written this book, *The Making of Donald Trump*, in journalistic prose sprinkled with pointed dry humor. His discussions of his various arguments are to the point, but the book lacks some in overall organization. While some points made do not add a lot towards the intended depiction of Donald Trump, other elements of Trump's life that could act as supporting evidence are not mentioned at all. Some of these latter elements include: Trump's *The Apprentice* reality show, the President Obama birther

movement, and Trump's previous runs for presidency. This is a summary and analysis of the book and NOT the original book This Book Contains: \* Summary Of The Entire Book \* Chapter By Chapter Breakdown \* Analysis Of The Reading Experience Download Your Copy Today

**Donald J. Trump's Catastrophic Final Year** Penguin

How Trump has used the federal government to promote conservative policies The presidency of Donald Trump has been unique in many respects—most obviously his flamboyant personal style and disregard for conventional niceties and factual information. But one area hasn't received as much attention as it deserves: Trump's use of the "administrative presidency," including executive orders and regulatory changes, to reverse the policies of his predecessor and advance positions that lack widespread support in Congress. This book analyzes the dynamics and unique qualities of Trump's administrative presidency in the important policy areas of health care, education, and climate change. In each of these spheres, the arrival of the Trump administration represented a hostile takeover in which White House policy goals departed sharply from the more "liberal" ideologies and objectives of key agencies, which had been embraced by the Obama administration. Three expert authors show how Trump has continued, and even expanded, the rise of executive branch power since the Reagan years. The authors intertwine this focus with an in-depth examination of how the Trump administration's hostile takeover has drastically changed key federal policies—and reshaped who gets what from government—in the areas of health care, education, and climate change. Readers interested in the

institutions of American democracy and the nation's progress (or lack thereof) in dealing with pressing policy problems will find deep insights in this book. Of particular interest is the book's examination of how the Trump administration's actions have long-term implications for American democracy.

Trump Simon and Schuster

The extensively researched biography that goes beyond the hype to "separate Trump the reality from Trump the reality show" (USA Today). Now with a new introduction by the author, this entertaining look inside the world of Donald Trump is chock full of rip-roaring anecdotes, jaw-dropping quotes, and rigorous research into the business deals, political antics, curious relationships, and complex background of the forty-fifth US president. Granted unprecedented access, Timothy L. O'Brien traveled across the country and up and down the East Coast with Trump on his private jet, wheeled around Palm Beach with him in his Ferrari, and spent hours interviewing him in his home, in his office, and on the golf course. He met with the entrepreneur's closest friends and most aggressive rivals, while compiling a treasure trove of Trumpisms from the Donald himself: Trump on the public's enduring fascination with Trump: "There is something crazy, hot, a phenomenon out there about me, but I'm not sure I can define it and I'm not sure I want to." Trump on naysayers: "You can go ahead and speak to guys who have four-hundred-pound wives at home who are jealous of me, but the guys who really know me know I'm a great builder." Trump on the art of self-promotion: "You might as well tell people how great you are, because no one else is going to." Ultimately, when O'Brien's research revealed that Trump's business record and annual spot

on the Forbes 400 list of richest Americans might be more fantasy than reality, he—like so many others who have dared to tangle with the former host of *The Apprentice*—found himself in a courtroom. In a new introduction, O'Brien reflects on the recent wave of TrumpMania and updates readers on what it's like to depose one of the world's most litigious businessmen—and win.

[Trump / Russia](#) Simon and Schuster

How did the party of Lincoln become the party of Trump? From an acclaimed political reporter for *The New York Times* comes the definitive story of the mutiny that shattered American politics. "A bracing account of how the party of Lincoln and Reagan was hijacked by gadflies and grifters who reshaped their movement into becoming an anti-democratic cancer that attacked the U.S. Capitol."—Joe Scarborough  
 Jeremy W. Peters's epic narrative chronicles the fracturing of the Republican Party. Insurgency is a fantasia-like story of a party establishment that believed it could control the dark energy it helped foment—right up until it suddenly couldn't. How, Peters asks, did conservative values that Republicans claimed to cherish, like small government, fiscal responsibility, and morality in public service, get completely eroded as an unshakable faith in Donald Trump grew to define the party? The answer is a tale traced across three decades—with new reporting and firsthand accounts from the people who were there—of populist uprisings that destabilized the party. The signs of conflict were plainly evident for anyone who cared to look. After Barack Obama's election convinced many Republicans that they faced an existential demographics crossroads, many believed the only way to save the party was to create a more inclusive and diverse coalition. But party leaders underestimated

the energy and popular appeal of those who would pull the party in the opposite direction. They failed to see how the right-wing media they hailed as truth-telling was warping the reality in which their voters lived. And they did not understand the complicated moral framework by which many conservatives would view Trump, leading evangelicals and one-issue voters to shed Republican orthodoxy if it delivered a Supreme Court that would undo *Roe v. Wade*. In this sweeping history, Peters details key junctures and episodes to unfurl the story of a revolution from within. Its architects had little interest in the America of the new century but a deep understanding of the iron will of a shrinking minority. With Trump as their polestar, their gamble paid greater dividends than they'd ever imagined, extending the life of far-right conservatism in United States domestic policy into the next half century.

*Donald Trump Center Street*

This is the book that the leftist elites don't want you to read -- Donald Trump, Jr., exposes all the tricks that the left uses to smear conservatives and push them out of the public square, from online "shadow banning" to rampant "political correctness." In *Triggered*, Donald Trump, Jr. will expose all the tricks that the left uses to smear conservatives and push them out of the public square, from online "shadow banning" to fake accusations of "hate speech." No topic is spared from political correctness. This is the book that the leftist elites don't want you to read! Trump, Jr. will write about the importance of fighting back and standing up for what you believe in. From his childhood summers in Communist Czechoslovakia that began his political thought process, to working on construction sites with his father, to the

major achievements of President Trump's administration, Donald Trump, Jr. spares no details and delivers a book that focuses on success and perseverance, and proves offense is the best defense.

**Journey to the Presidency: Biography of Donald Trump Revised Edition | Children's Biography Books** Open Road Media

In this revelatory, authoritative portrait of Donald J. Trump and the toxic family that made him, Mary L. Trump, a trained clinical psychologist and Donald's only niece, shines a bright light on the dark history of their family in order to explain how her uncle became the man who now threatens the world's health, economic security, and social fabric. Mary Trump spent much of her childhood in her grandparents' large, imposing house in the heart of Queens, New York, where Donald and his four siblings grew up. She describes a nightmare of traumas, destructive relationships, and a tragic combination of neglect and abuse. She explains how specific events and general family patterns created the damaged man who currently occupies the Oval Office, including the strange and harmful relationship between Fred Trump and his two oldest sons, Fred Jr. and Donald. A firsthand witness to countless holiday meals and interactions, Mary brings an incisive wit and unexpected humor to sometimes grim, often confounding family events. She recounts in unsparing detail everything from her uncle Donald's place in the family spotlight and Ivana's penchant for gifting to her grandmother's frequent injuries and illnesses and the appalling way Donald, Fred Trump's favorite son, dismissed and derided him when he began to succumb to Alzheimer's. Numerous pundits, armchair psychologists, and

journalists have sought to parse Donald J. Trump's lethal flaws. Mary L. Trump has the education, insight, and intimate familiarity needed to reveal what makes Donald, and the rest of her clan, tick. She alone can recount this fascinating, unnerving saga, not just because of her insider's perspective but also because she is the only Trump willing to tell the truth about one of the world's most powerful and dysfunctional families.

**The Tweets of President Donald J. Trump** Penguin

First he made five billion dollars. Then he made *The Apprentice*. Now *The Donald* shows you how to make a fortune, Trump style. HOW TO GET RICH Real estate titan, bestselling author, and TV impresario Donald J. Trump reveals the secrets of his success in this candid and unprecedented book of business wisdom and advice. Thousands applied to be Trump's apprentice, and millions have been watching the program, making it the highest rated debut of the season. In *Trump: How To Get Rich*, Trump tells all-about the lessons learned from *The Apprentice*, his real estate empire, his position as head of the 20,000-member Trump Organization, and his most important role, as a father who has successfully taught his children the value of money and hard work. With his characteristic brass and smarts, Trump offers insights on how to

- invest wisely
- impress the boss and get a raise
- manage a business efficiently
- hire, motivate, and fire employees
- negotiate anything
- maintain the quality of your brand
- think

big and live large Plus, The Donald tells all on the art of the hair! With his luxury buildings, award-winning golf courses, high-stakes casinos, and glamorous beauty pageants, Donald J. Trump is one of a kind in American business. Every day, he lives the American dream. Now he shows you how it's done, in this rollicking, inspirational, and illuminating behind-the-scenes story of invaluable lessons and rich rewards.

The Definitive Biography of the 45th President Penguin

As this bestseller predicted, Trump has only grown more erratic and dangerous as the pressures on him mount. This new edition includes new essays bringing the book up to date—because this is still not normal. Originally released in fall 2017, *The Dangerous Case of Donald Trump* was a runaway bestseller. Alarmed Americans and international onlookers wanted to know: What is wrong with him? That question still plagues us. The Trump administration has proven as chaotic and destructive as its

opponents feared, and the man at the center of it all remains a cipher. Constrained by the APA's "Goldwater rule," which inhibits mental health professionals from diagnosing public figures they have not personally examined, many of those qualified to weigh in on the issue have shied away from discussing it at all. The public has thus been left to wonder whether he is mad, bad, or both. The prestigious mental health experts who have contributed to the revised and updated version of *The Dangerous Case of Donald Trump* argue that their moral and civic "duty to warn" supersedes professional neutrality. Whatever affects him, affects the nation: From the trauma people have experienced under the Trump administration to the cult-like characteristics of his followers, he has created unprecedented mental health consequences across our nation and beyond. With eight new essays (about one hundred pages of new material), this edition will cover the dangerous ramifications of Trump's unnatural state. It's not all in our heads. It's in his.
