OROZCO HOOD

Rockabilly Omnibus Press

This book is the first to establish the relevance of same-sex desires, pleasures and anxieties in the cinema of post-war Italy. It explores cinematic representations of homosexuality and their significance in a wider cultural struggle in Italy involving society, cinema, and sexuality between the 1940s and 1970s. Besides tracing the evolution of representations through both art and popular films, this book also analyses connections with consumer culture, film criticism and politics. Giori uncovers how complicated negotiations between challenges to and valorization of dominant forms of knowledge of homosexuality shaped representations and argues that they were not always the outcome of hatred but also sought to convey unmentionable pleasures and complicities. Through archival research and a survey of more than 600 films, the author enriches our understanding of thirty years of Italian film and cultural history.

Joe Pass Guitar Style Oak Publications

David Bowie, alias il Duca Bianco, alias Ziggy Stardust: quarant'anni di carriera tra glam, rock ed elettronica. Questo libro offre il ritratto di un camaleontico performer sempre in viaggio tra ambiguità, genio, droghe, donne e star system. Nicholas Pegg recupera tutto sul musicista britannico e lo riorganizza in un quadro coerente: dall'esplosione cosmica di «Space Oddity» alle vibrazioni dell'ultimo album «Reality».

I'd Rather Be the Devil Hal Leonard Corporation

At about the same time as 1783-85, a version for piano duet was made which rearranged the movements of the five Divertimenti as '6 Viennese Sonatinas'. Our new edition is based on the piano version of 1803 but also takes into account the original wind divertimenti and attempts to combine the original phrasing and part-writing with an idiomatic pianistic style.

Blues Traveling BenBella Books

Since the emergence of rock'n'roll in the early 1950s, there have been a number of live musical performances that were not only memorable in themselves, but became hugely influential in the way they shaped the subsequent trajectory and development of popular music. Each, in its own way, introduced new styles, confronted existing practices, shifted accepted definitions, and provided templates for others to follow. Performance and Popular Music explores these processes by focusing on some of the specific occasions when such transformations occurred. An international array of

scholars reveal that it is through the (often disruptive) dynamics of performance - and the interaction between performer and audience - that patterns of musical change and innovation can best be recognised. Through multi-disciplinary analyses which consider the history, place and time of each event, the performances are located within their social and professional contexts, and their immediate and long-term musical consequences considered. From the Beatles and Bob Dylan to Michael Jackson and Madonna, from Woodstock and Monterey to Altamont and Live Aid, this book provides an indispensable assessment of the importance of live performance in the practice of popular music, and an essential guide to some of the key moments in its history.

Hal Leonard Rockabilly Guitar Method EDT srl

Nei suoi settant'anni di vita, e cinquanta di carriera, Lou Reed ha attraversato innumerevoli fasi contribuendo, con venticinque dischi, una serie di libri, collaborazioni cinematografiche e spettacoli teatrali, a trasformare il rock in una forma d'arte compiutamente adulta. Dagli esordi come paroliere all'incontro con Andy Warhol e alla nascita dei Velvet Underground; dall'amicizia-rivalità con David Bowie alle sperimentazioni dei secondi anni Settanta, in piena era punk, fino ai grandi album della maturità (The Blue Mask, New York, Magic and Loss) e al sodalizio sentimentale e artistico con Laurie Anderson, non esiste scena musicale che questo straordinario poeta e chitarrista non abbia contribuito a plasmare. Lavorando sugli archivi che la famiglia ha reso consultabili presso la New York Public Library, Will Hermes ha ricostruito nei minimi dettagli la vita di un uomo difficile e complesso, leggendario per le sfuriate, gli odi repentini, ma anche per la generosità e la passione riversata nella sua musica. E ne offre un ritratto che è un grande omaggio, senza ombra di piaggerie. Liberato dal mito oscuro che lo circondava, Lou Reed ci appare come una figura a tutto tondo, e come l'espressione più completa di un'epoca di inarrivabile creatività. La sua storia, capitolo dopo capitolo, si intreccia con la storia di New York, che di quell'epoca è stata il centro propulsore e che nessuno come lui è stato capace di cantare e celebrare.

Performance and Popular Music Mel Bay Publications

An intimate memoir of the flamboyant Queen singer by the man who knew him best. Peter Freestone was Freddie Mercury's Personal Assistant for the last 12 years of his life. He lived with Mercury in London, Munich and New York, and he was with him when he died. In this book, the most intimate account of Mercury's life ever written, he reveals the truth behind the scandalous rumours, the outrageous lifestyle and Mercury's relationships with men, women and the other members of Queen. From the famous names - including Elton John, Kenny Everett, Elizabeth Taylor and Rod Stewart - to the shadowy army of lovers, fixers and hangers-on, Peter Freestone saw them all play

their part in the tragi-comedy that was Freddie Mercury's life. Freestone lived with Mercury in Europe and America for over a decade. From the East 50s apartment in New York to Kensington Lodge, the house in London where Mercury died – not to mention innumerable international hotel rooms and apartments in between – Freestone was always on hand to serve and protect the man he had first met in the Biba department store in the early 1970s. Then Queen was a largely unknown band. Soon it would be the most glitzy of glam rock bands. Freestone saw the fame arrive and with it the generosity, the excess, and the celebrity friends who came and went. "I was chief cook and bottle washer, waiter, butler, valet, secretary, amanuensis, cleaner, baby-sitter... and agony aunt," he writes. "I shopped for him both at supermarkets and art markets, I travelled the world with him, I was with him at the highs and came through the lows with him. I saw the creative juices flow and I also saw the frustration when life wasn't going well. I acted as his bodyguard when needed and in the end, of course, I was one of his nurses." Freestone's bet-selling account of a talented and extravagant star's life and death is compelling, entertaining and ultimately, very touching. Illustrated with many photos from personal and Freestone's own archives. Press Reviews "An entertaining and thought provoking read" – PRS for Music Sales "This collection of Freddie's own words is the closest thing there is to an autobiography of a man with no regrets. The foreword is written by his mother" – reFRESH magazine, Leading Gay mag in the UK

100 Classic Rock Licks for Guitar goes way beyond every other 'boring' lick book, and teaches you 100 essential rock guitar licks in the style of the world's 20 greatest rock guitarists....

The Complete Book of Ghosts Mel Bay Publications

Ciao, in questo e-book troverai qualcuno dei più grandi chitarristi della nostra era, ma anche tutte le diversità degli stili musicali che hanno dato alla chitarra il suo prestigio: la grande virtuosità di interpreti classici (come Andrés Segovia e John Williams) o la potenza creatrice di grandi artisti del rock (come Jimi Hendrix e Eddie Van Halen) o, ancora, la fluidità innovatrice di maestri del jazz (come Charlie Christian, John McLaughlin e Pat Metheny). Troverai anche i pionieri del rock, della musica country, del blues o della world music che hanno fatto la leggenda di questo strumento. Infatti dalla chitarra classica ai virtuosi del rock elettrico, passando per il jazz o il flamenco, la chitarra è senza dubbio divenuta lo strumento più popolare del nostro paesaggio sonoro.

Presentando la biografia di ogni artista, con i suoi punti caratteristici e le curiosità legate ai vari chitarristi (quindi NON troverai la classica biografia che d'altronde, trovi abbondantemente in giro su internet: ad esempio di alcuni trovi solo qualche riga ma con aneddoti e informazioni curiose e interessanti), questo e-book racconta la storia di questi chitarristi d'eccezione o meno, la cui creatività, in ogni caso, ha contribuito a fare la musica di oggi. Pertanto questo è un e-book indispensabile a tutti gli amanti (e non solo) della chitarra, classica, folk o elettrica che sia.

Attraverso i chitarristi, poi, si parlerà anche delle chitarre che li hanno accompagnati. Per ovvie ragioni, non sono trattati TUTTI i chitarristi, quindi potresti sicuramente trovare delle mancanze :-), ma penso tu possa capire che non è possibile parlare di tutti i chitarristi famosi. Non mi resta che augurarti una buona e piacevole lettura! Barbara Polacchi In questo ebook trovi: INTRODUZIONE ALLMAN DUANE (1946 - 1971) ALMEIDA LAURINDO (1917 - 1995) ATKINS CHET (1924 - 2001) BECK JEFF (1944) BENSON GEORGE (1943) BERRY CHUCK (1926) BREAM JULIAN (1933) BROONZY BIG BILL

LA COLLANA "INOVEURO" Enciclopedia rock, anni '70 Macmillan

La prima opera italiana che, a 60 anni esatti dalla nascita, celebra la storia della musica che ha cambiato il nostro mondo. Dalle radici folk e blues all'avvento di Elvis, dalla Swinging London di Beatles e Rolling Stones alla San Francisco psichedelica, dalla rivoluzione punk al "fragore del metallo" sino al nichilismo grunge e ai suoni del nuovo Millennio. Il rock è un'arte straordinaria, una delle più rilevanti e influenti del secolo scorso. Ma anche una delle forme d'espressione più rivoluzionarie mai concepite dagli esseri umani. Perché il rock non è stato soltanto ritmo e melodia: nuove mode, stili di vita innovativi, filosofie di pensiero alternative, arti, culture e controculture sono state influenzate o addirittura generate da questa formidabile miscela sonora. Una blend acustica nata a metà del '900 dall'incrocio tra la cultura nordamericana bianca e quella afroamericana, fenomenale mix di folk e blues che ancora oggi è in grado di affascinare il mondo intero. Come le

sue "radici" sono lì a testimoniare, il rock è una forma d'arte popolare. E, come tale, deve essere analizzato tenendo conto del tempo, del luogo e del contesto socio-culturale da cui è emerso. Ecco perché quest'opera, la prima in Italia come unicità e completezza, traccia un percorso per "momenti", "scene" e "fenomeni" piuttosto che concentrarsi sulle bio-discografie (per altro presenti) dei protagonisti o seguire un percorso strettamente cronologico.

Lou Reed Feltrinelli Editore

Neil Young took on the music industry so that fans could hear his music—all music—the way it was meant to be heard. Today, most of the music we hear is compressed to a fraction of its original sound, while analog masterpieces are turning to dust in record company vaults. As these recordings disappear, music fans aren't just losing a collection of notes. We're losing spaciousness, breadth of the sound field, and the ability to hear and feel a ping of a triangle or a pluck of a guitar string, each with its own resonance and harmonics that slowly trail off into silence. The result is music that is robbed of its original quality—muddy and flat in sound compared to the rich, warm sound artists hear in the studio. It doesn't have to be this way, but the record and technology companies have incorrectly assumed that most listeners are satisfied with these low-quality tracks. Neil Young is challenging the assault on audio quality—and working to free music lovers from the flat and lifeless status quo. *To Feel the Music* is the true story of his quest to bring high-quality audio back to music lovers—the most important undertaking of his career. It's an unprecedented look inside the successes and setbacks of creating the Pono player, the fights and negotiations with record companies to preserve masterpieces for the future, and Neil's unrelenting determination to make musical art available to everyone. It's a story that shows how much more there is to music than meets the ear. Neil's efforts to bring quality audio to his fans garnered media attention when his Kickstarter campaign for his Pono player—a revolutionary music player that would combine the highest quality possible with the portability, simplicity and affordability modern listeners crave—became the third-most successful Kickstarter campaign in the website's history. It had raised more than \$6M in pledges in 40 days. Encouraged by the enthusiastic response, Neil still had a long road ahead, and his Pono music player would not have the commercial success he'd imagined. But he remained committed to his mission, and faced with the rise of streaming services that used even lower quality audio, he was determined to rise to the challenge. An eye-opening read for all fans of Neil Young and all fans of great music, as well as readers interested in going behind the scenes of product creation, *To Feel the Music* has an inspiring story at its heart: One determined artist with a groundbreaking vision and the absolute refusal to give up, despite setbacks, naysayers, and skeptics.

Cripple Nation Blu Editore

(Guitar Play-Along). The Guitar Play-Along Series will help you play your favorite songs quickly and easily! Just follow the tab, listen to the CD to hear how the guitar should sound, and then play along using the separate backing tracks. For PC and Mac computer users, the CD is enhanced so you can adjust the recording to any tempo without changing pitch! 8 songs: Be-Bop-A-Lula * Blue Suede Shoes * Hello Mary Lou * Little Sister * Mystery Train * Rock This Town * Stray Cat Strut * That'll Be the Day.

Rockabilly Guitar Giunti

Looks at the history of rockabilly music, profiling such greats as Elvis, Jerry Lee Lewis, Carl Perkins, and Buddy Holly.

Bob Dylan Arcturus Publishing

At a crossroads in the Mississippi Delta, Robert Johnson is said to have sold his soul to the Devil so that he could become a guitar virtuoso and King of the Delta Blues. *Blues Traveling: The Holy Sites of Delta Blues* will tell you where that legendary deal was supposed to have been made and guide you to all the other hallowed grounds that nourished Mississippi's signature music. Johnson, Mississippi John Hurt, Memphis Minnie, Jimmie Rodgers, Bessie Smith, Muddy Waters, Mississippi Fred McDowell, Howlin' Wolf, B. B. King, Little Milton, Elvis Presley, Bobby Rush, Junior Kimbrough, R. L. Burnside—the list of great artists with Mississippi connections goes on and on. A trip through Mississippi blues sites is a pilgrimage every music lover ought to make at least once in a lifetime, to see the juke joints and churches, to visit the birthplaces and graves of blues greats, to walk down the dusty roads and over the levee, to eat some barbecue and greens, to sit on the bank of the Mississippi River, and to hear some down-home blues music. *Blues Traveling* is the first and only guidebook to Mississippi's musical places and blues history. With photographs, maps, easy-to-follow directions, and an informative, entertaining text, this book will lead you in and out of Clarksdale, Greenwood, Helena (Arkansas), Rolling Fork, Jackson, Natchez, Bentonia, Rosedale, Itta Bena, and dozens of other locales that generations of blues musicians have lived in, traveled through, and sung about. Stories, legends, and lyrics are woven into the text so that each backroad and barroom comes alive. Touring Mississippi with *Blues Traveling* is like having a knowledgeable and entertaining guide at your side. Even people with no immediate plans to visit Mississippi will enjoy reading the book for its photos, descriptions, and lore that will broaden their understanding and enhance their appreciation of the blues. Steve Cheseborough is an independent scholar and blues musician. His work has been published in *Living Blues*, *Blues Access*, *Mississippi*, and the *Southern Register*.

Chitarristi famosi Hal Leonard Publishing Corporation

This comprehensive edition brings together all of the standard pieces in the adopted Albeniz guitar repertoire along with additional pieces that complete many of the suites and other groupings as published during the composer's lifetime. These solo arrangements were made while consulting the earliest editions of the piano originals, and are faithful to Albeniz tempo indications, dynamics, phrasing slurs, and other expression markings. The selections are: *Pavana-Capriccio*, Op. 12 (1892); *Suite española*, Op. 47 (1886); *Recuerdos de viaje*, Op. 92 (1888); *Doce piezas españolas*, Op. 164 (1889); *España, seis hojas de album*, Op. 165 (1890); *Serenata española (Cadiz, canción)*, Op. 181 (1890); *Mallorca, barcarola*, Op. 202 (1890); *Zambra granadina, danse orientale*, WoO (1891); *Cadiz-gaditana*, WoO (1891); and *Chants d'Espagne*, Op. 232 (1891-1894). Carefully researched and meticulously fingered in the scholarly manner one would expect from Stanley Yates.

Fiddle Tunes for Flatpickers Guitar HOEPLI EDITORE

Photographs and text chronicle the history of American roots music, encompassing blues, country and western, gospel, Cajun, zydeco, Tejano, Native American, and other American genres of folk music.

Enciclopedia rock anni '50 Harry N. Abrams

This collection brings new voices and new perspectives to the study of popular—and particularly rock—music. Focusing on a variety of artists and music forms, *Rock Over the Edge* asks what happens to rock criticism when rock is no longer a coherent concept. To work toward an answer, contributors investigate previously neglected genres and styles, such as “lo fi,” alternative country, and “rock en español,” while offering a fresh look at such familiar figures as Elvis Presley, the Beatles, and Kurt Cobain. Bridging the disciplines of musicology and cultural studies, the collection has two primary goals: to seek out a language for talking about music culture and to look at the relationship of music to culture in general. The editors’ introduction provides a backward glance at recent rock criticism and also looks to the future of the rapidly expanding discipline of popular music studies. Taking seriously the implications of critical theory for the study of non-literary aesthetic endeavors, the volume also addresses such issues as the affective power of popular music and the psychic construction of fandom. *Rock Over the Edge* will appeal to scholars and students in popular music studies and American Studies as well as general readers interested in popular music. Contributors. Ian Balfour, Roger Beebe, Michael Coyle, Robert Fink, Denise Fulbrook, Tony Grajeda, Lawrence Grossberg, Trent Hill, Josh Kun, Jason Middleton, Lisa Ann Parks, Ben Saunders, John J. Sheinbaum, Gayle Wald, Warren Zanes

100 ROCKABILLY LICKS FOR GUITAR Chicago Review Press

Ghosts and spirits populate the world around us. We just need to be sensitive or psychic enough to hear and see them. In this book, author Paul Roland examines a fascinating assortment of recorded sightings from as far back in history as Roman times. This serious look at ghosts presents them not

as chain-rattling spooks or clouds of cold, swirling mist, but as entities with which we share a greater reality. A comprehensive exploration of the realm of the supernatural, from ghost ships and poltergeists to out-of-body experiences and the idea of spirits as the manifestation of people still living, *The Complete Book of Ghosts* will challenge your beliefs and preconceptions as never before.

Stati Uniti orientali Hal Leonard Corporation

Clinton Heylin has devoted his career to Bob Dylan's work and presents here a comprehensive study of all of Dylan's recording sessions.

Freddie Mercury: An Intimate Memoir by the Man who Knew Him Best WWW.Fundamental-Changes.com

This is the internationally acclaimed Joe Pass guitar method in which Joe displays his mastery of the jazz guitar. Part Two/Melody, is divided into twelve sections, including chord scales, altered scales, ear training, whole tone scales, chord resolutions, improvising, blues, minor blues, modern blues, rhythm changes, 3/4 blues, and includes a transcribed solo recorded by Joe on his album for Django.

6 Viennese Sonatinas HOEPLI EDITORE

"Mel Bay Publications, Inc. is proud to present this new series of lessons as part of Stefan Grossman's highly successful Guitar Workshop Audio Series. In support of the book's contents, the three companion CDs contain three full hours of note-by-note, phrase-by-phrase instruction. Focused lessons address: 12-bar blues, blues scales, triplets, shuffles, licks and more. All of these elements are then utilized in solos designed to implement the techniques learned. Each solo is presented in standard notation and tablature."
