This Book contains 500+ Electrical Interview Question for Electrical Engineering Graduates. It is designed based on personal experience and survey from students and includes most asked questions. Questions from various subjects viz. Power System, Electrical Machine, Power Electronics, Microprocessor, Digital Electronics etc have been included. It will work as ready reference for candidate preparing for interview session for core Electrical Company. If you fully and thoroughly go through the Book, you can answer almost 80% questions asked in any electrical interview session. This Book is an effort to help fresh electrical graduates to land to their dream job. Whether it is college campus interview or off campus interview, this Book will prove to be a success key for aspirants. Senior Electrical Engineer Arihant Publications India limited

This book has been prepared by a group of faculties who are highly experienced in training GATE candidates and are also subject matter experts. As a result this book would serve as a one-stop solution for any GATE aspirant to crack the examination. The book is divided into three parts covering, (1) General Aptitude, (2) Engineering Mathematics and (3) Electrical Engineering. Coverage is as per the syllabus prescribed for GATE and topics are handled in a comprehensive manner - beginning from the basics and progressing in a step-by-step manner supported by ample number of solved and unsolved problems. Extra care has been taken to present the content in a modular and systematic manner - to facilitate easy understanding of all topics.
