As marketing specialists know all too well, our experience of products is prefigured by brands: trademarks that identify a product and differentiate it from its competitors. This process of branding has hitherto gained little academic discussion in the field of literary studies. Literary authors and the texts they produce, though, are constantly 'branded': from the early modern period onwards, they have been both the object and the initiator of a complex marketing process. This book analyzes this branding process throughout the centuries, focusing on the case of the Netherlands. To what extent is our experience of Dutch literature prefigured by brands, and what role does branding play when introducing European authors in the Dutch literary field (or vice versa)? By answering these questions, the volume seeks to show how literary scholars can account for the phenomenon of branding.

Marina HarperCollins

The internationally acclaimed, New York Times bestselling author returns to the magnificent universe he constructed in his bestselling novels *The Shadow of the Wind*, *The Angel's Game*, and

*The Prisoner of Heaven* in this riveting series finale—a heart-pounding thriller and nail-biting work of suspense which introduces a sexy, seductive new heroine whose investigation shines a light on the dark history of Franco's Spain. In this unforgettable final volume of Ruiz Zafón's cycle of novels set in the universe of the Cemetery of Forgotten Books, beautiful and enigmatic Alicia Gris, with the help of the Sempere family, uncovers one of the most shocking conspiracies in all Spanish history. Nine-year-old Alicia lost her parents during the Spanish Civil War when the Nacionales (the fascists) savagely bombed Barcelona in 1938. Twenty years later, she still carries the emotional and physical scars of that violent and terrifying time. Weary of her work as an investigator for Spain's secret police in Madrid, a job she has held for more than a decade, the twenty-nine-year old plans to move on. At the insistence of her boss, Leandro Montalvo, she remains to solve one last case: the mysterious disappearance of Spain's Minister of Culture, Mauricio Valls. With her partner, the intimidating policeman Juan Manuel Vargas, Alicia discovers a possible clue—a rare book by the author Victor Mataix hidden in Valls' office in his Madrid mansion. Valls was the director of the notorious Montjuic Prison in Barcelona during World War II where several writers were imprisoned, including David Martín and Victor Mataix. Traveling to Barcelona on the trail of these writers, Alicia and Vargas meet with several booksellers, including Juan Sempere, who knew her parents. As Alicia and Vargas come closer to finding Valls, they uncover a tangled web of kidnappings and murders tied to the Franco regime, whose corruption is more widespread and horrifying than anyone imagined. Alicia's courageous and uncompromising search for the truth puts her life in peril. Only with the help of a circle of devoted friends will she emerge from the dark labyrinths of Barcelona and its history into the light of the future. In this haunting new novel, Carlos Ruiz Zafón proves yet again that he is a masterful storyteller and pays homage to the world of books, to his ingenious creation of the Cemetery of Forgotten, and to that magical bridge between literature and our lives.

*The Labyrinth of the Spirits* Harper Collins

From the New York Times bestselling author of *A Long Petal of the Sea* comes “a bold exploration of womanhood, feminism, parenting, aging, love and more” (Associated Press). “The Soul of a Woman is Isabel Allende’s most liberating book yet.”—Elle “When I say that I was a feminist in kindergarten, I am not exaggerating,” begins Isabel Allende. As a child, she watched her mother, abandoned by her husband, provide for her three small children without “resources or voice.” Isabel became a fierce and defiant little girl, determined to fight for the life her mother couldn’t have. As a young woman coming of age in the late 1960s, she rode the second wave of feminism. Among a tribe of like-minded female journalists, Allende for the first time felt comfortable in her own skin, as they wrote “with a knife between our teeth” about women’s issues. She has seen what the movement has accomplished in the course of her lifetime. And over the course of three passionate marriages, she has learned how to grow as a woman while having a partner, when to step away, and the rewards of embracing one’s sexuality. So what feeds the soul of feminists—and all women—today? To be safe, to be valued, to live in peace, to have their own resources, to be connected, to have control over our bodies and lives, and above all, to be loved. On all these fronts, there is much work yet to be done, and this book, Allende hopes, will “light the torches of our daughters and granddaughters with mine. They will have to live for us, as we lived for our mothers, and carry on with the work still left to be finished.”

He will become a gambler, a forger, a seducer of nuns; and at the same time he will be the greatest painter of his time, the teacher of Botticelli and the confidante of the Medicis.
