A New Look at Modern Indian History
 MeetCoogole

The twenty stimulating and original essays in this volume provide a comprehensive analysis of the main strands of modern Indian political thought. The thinkers discussed are Rammohun Roy, Dayananda Saraswati, Bankimchandra Chattopadhyay, Ranade, Phule, Tilak, B R Ambedkar, Tagore, Sri Aurobindo, M N Roy, Jawaharlal Nehru and Gandhi. Separate essays are devoted to the Hindu and Muslim traditions in Indian political thought, Hindu nationalism, and the ideologies of the Communist and Sarvodaya movements. A significant feature of these essays is that they study each

thinker or movement in the relevant socio-historical context as also examine the consequences and impact of modern Indian political theories, These are analysed from a world-historical and, to some extent, a political economy perspective. The essays in this collection highlight two major streams in modern Indian political thought--one which favoured the adoption or adaptation of western political traditions and the other which sought to evolve indigenous or alternative formulations. The overall conclusion that emerges from this volume is that in order to formulate an adequate political philosophy for the modern age, both the western and Indian traditions have to be taken into account. In this context, some of the essays highlight the contemporary

global relevance of Gandhi's socio-political ideas. This book is a major contribution to modern political philosophy. It will be of great value to students and teacher of political science.

MPC-003: PERSONALITY: THEORIES AND ASSESSMENT Arora IAS

The essays in this book compare and analyze political processes in eight states within the Indian Union. A long introductory chapter by Myron Weiner sets the stage for individual studies of each state by separate scholars, namely: Myron Weiner (MIT) on Political Development in the Indian States; Paul H. Brass (University of Washington) on Uttar Pradesh; Wayne Wilcox (Columbia University) on Madhya Pradesh; Ram Joshi (S.I.E.S. College, Bombay) on

Maharashtra; Balraj Puri (Editor, Kashmir Affairs) on Jammu and Kashmir Marcus F. Franda (Colgate University) on West Bengal; Lawrence L. Shrader (Mills College) on Rajasthan; Hugh Gray (University of London) on Andhra Pradesh; and Baldev Raj Nayar (McGill University) on Punjab. Originally published in 1968. The Princeton Legacy Library uses the latest print-on-demand technology to again make available previously out-of-print books from the distinguished backlist of Princeton University Press. These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions. The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the

thousands of books published by Princeton University Press since its founding in 1905.

MCS-011: Problem Solving and Programming Notion Press

Forfatterens mål med denne bog er: 1) Analyse af de gældende teorier for international politik og hvad der heri er lagt størst vægt på. 2) Konstruktion af en teori for international politik som kan kan råde bod på de mangler, der er i de nu gældende. 3) Afprøvning af den rekonstruerede teori på faktiske hændelsesforløb.

MPC-004: ADVANCED SOCIAL PSYCHOLOGY CQ Press
 A thorough and incisive introduction to contemporary India The story of the forging of India, the world's largest democracy, is a rich and inspiring one. This volume, a sequel to the best-selling *India's Struggle for Independence*, analyses the challenges India has faced and the successes it has achieved, in the light of its colonial legacy and century-long struggle for freedom. The book

describes how the Constitution was framed, as also how the Nehruvian political and economic agenda and basics of foreign policy were evolved and developed. It dwells on the consolidation of the nation, examining contentious issues like party politics in the Centre and the states, the Punjab problem, and anti-caste politics and untouchability. This revised edition offers a scathing analysis of the growth of communalism in India and the use of state power in furthering its cause. It also documents the fall of the National Democratic Alliance in the 2004 General Elections, the United Progressive Alliance's subsequent rise to power and the Indo-US Nuclear Deal that served to unravel the political consensus at the centre. Apart from detailed analyses of Indian

economic reforms since 1991 and wide-ranging land reforms and the Green Revolution, this new edition includes an overview of the Indian economy in the new millennium. These, along with objective assessments of Jawaharlal Nehru, Indira Gandhi, Jayaprakash Narayan, Lal Bahadur Shastri, Rajiv Gandhi, Vishwanath Pratap Singh, Atal Bihari Vajpayee and Manmohan Singh, constitute a remarkable overview of a nation on the move.

The New Public Diplomacy Deep and Deep Publications

MPC-006: STATISTICS IN PSYCHOLOGY Arora IAS

In this pioneering history of modern India, Claude Markovits offers a new interpretation of events of world importance, focusing on the multiplicity of connections between India and the world. Beginning with an examination of India's evolving role in the world economy, he deals successively with the movement of people out of and into India, the role played by Indian soldiers in a series of conflicts from the mid-eighteenth to the late twentieth century, the place of India in the global circulation of ideas and cultural

productions and the relationships established between Indians and others both abroad and at home. Challenging dominant state-centred histories by focusing on the lived experiences of people, Markovits demonstrates that the multiple connections established between India and other lands did not necessarily result in mutual knowledge, but were often marked by misunderstanding.

Democracy and Development in India

Pearson Education India

This volume - in the Themes in Politics series - focuses on the relationship between language (culture) and politics (power) at the social, political, historical, cultural, and ideological levels. It explains the conceptual and historical unfolding of this relationship between

1900 and 2000. It also expands newer areas and frontiers of research and critical thinking by drawing attention to readings from different disciplines and perspectives predominantly history, political science, sociology, literature, anthropology, and cultural studies. The essays have been thematically arranged to illustrate the rich diversity of issues and arguments. The thematic plurality and methodological innovativeness is reflected in the selection of readings and their novel ways of interpreting the language question. The author highlights India's linguistic diversity and its political predicament, linguistic states formation in independent India, Indian Constitution and the language question, linguistic minorities, language and education to understand the complex character of

this relationship.

An Introduction to International Relations Disha Publications

The Handbook of Conflict Resolution, Second Edition is written for both the seasoned professional and the student who wants to deepen their understanding of the processes involved in conflicts and their knowledge of how to manage them constructively. It provides the theoretical underpinnings that throw light on the fundamental social psychological processes involved in understanding and managing conflicts at all levels—interpersonal, intergroup, organizational, and international. The Handbook covers a broad range of topics including information on cooperation and competition, justice, trust development and repair, resolving intractable conflict,

and working with culture and conflict. Comprehensive in scope, this new edition includes chapters that deal with language, emotion, gender, and personal implicit theories as they relate to conflict.
