MARCO NOELLE

The Ultimate Excuse Generator Scholastic Inc. Tom Gates is back ... and at the top of his class (nearly) From Tom: TIPS FOR BEING TOP OF THE CLASS (Sadly...I did NONE of these things.) 1. Stay awake in lessons (it helps.) 2. Don't draw HILARIOUS pictures of your teachers. 3. AVOID the class bully to stay out of trouble. 4. Don't let

Mum and Dad write ANYTHING in your school planner. 5. Don't let your grumpy sister Delia BOSS you around. (Technically not a school issue - but still important.) I'm TRYING to get voted onto the school council as well - but thanks to the ABOVE list it's not exactly going to plan. This ninth story in the award-winning Tom Gates series is packed with cheeky antics and hilarious doodles! Plus: a doodle-filled glossary that will help Canadian kids make sense of British terms (what IS a caramel

wafer, anyway?). *Excellent Excuses (and Other Good Stuff)* Tom Gates: Excellent Excuses (and Other Good Stuff) Tom Gates, master of excuses, expert doodler and hilarious story writer is back -- and making the most of his holiday! No school for two whole weeks leaves Tom with tons of time for the important things in life. He can forget all about school and the irritating Marcus Meldrew, and save his energy for the good stuff! Stuff like: inventing new ways to annoy his

sister Delia (so many); band practice for the Dogzombies (rock stars in the making!); watching TV and eating caramel wafers; eating caramel wafers and watching TV. Excellent. Of course, he still has to do his book report for Mr. Keen... Full of Tom's honest, silly, laugh-out-loud funny scribbles and stories -- and a doodle-filled glossary to help Canadian kids make sense of British terms (what IS a caramel wafer, anyway?) -- this follow-up to the Roald Dahl Funny Prize winner

The Brilliant World of Tom Gates is guaranteed to have readers in stitches!

A Tiny Bit Lucky

Candlewick Press

Toss Out Those Tired Old

Excuses...Once and for

All! Within the pages of

this transformational

book, Dr. Wayne W. Dyer

reveals how to change the

self-defeating thinking

patterns that have

prevented you from living

at the highest levels of

success, happiness, and

health. Even though you

may know what to think,

actually changing those

thinking habits that have

been with you since childhood might be somewhat challenging. If I changed, it would create family dramas ... I'm too old or too young ... I'm far too busy and tired ... I can't afford the things I truly want ... It would be very difficult for me to do anything differently ... and I've always been this way ... may all seem to be true, but they're in fact just excuses. So the business of modifying habituated thinking patterns really comes down to tossing out the same tired old excuses

and examining your beliefs in a new and truthful light. In this groundbreaking work, Wayne presents a compendium of conscious and subconscious crutches employed by virtually everyone, along with ways to cast them aside once and for all. You'll learn to apply specific questions to any excuse, and then proceed through the steps of a new paradigm. The old, habituated ways of thinking will melt away as you experience the absurdity of hanging on to

them. You'll ultimately realize that there are no excuses worth defending, ever, even if they've always been part of your life—and the joy of releasing them will resonate throughout your very being. When you eliminate the need to explain your shortcomings or failures, you'll awaken to the life of your dreams. Excuses ... Begone!

Tom Gates 2: Excellent Excuses (And Other Good Stuff) Scholastic Canada

Explain away your bad shots—and have your

friends laugh at the same time! In *Golf's Best Excuses*, author Joshua Shifrin takes a witty approach in helping golfers make sense of their worst days on the golf course. The next time a player goes down in defeat, he or she can always explain the woeful round with “My golf clubs are too old.” Or after a bad putt, golfers might try to explain the mishap with, “There were too many spike marks on the green.” Shifrin has crafted 150 funny—but all-too-real—excuses for pros and

amateurs alike. Examples include: I'm late for my wedding and it's throwing off my concentration. I thought this hole was a dogleg to the left . . . not right. If I didn't have those four double bogeys I could have scored really well today. Someone yelled "fore" during my backswing. Any many more! Whether you want to motivate the duffer in your life or laugh away embarrassing mistakes in your own game, *Golf's Best Excuses* is a must-read. Complete with laugh-out-loud full-color

cartoons, this book makes for the perfect gift.

Tom Gates Music Book

Estuche 1 Tom Gates. Castellano Turtleback Books

What's up the Gates family tree? In the next hilarious illustrated instalment of Tom Gates, Mr. Fullerman has a class assignment: a family tree! Tom's ready to learn all about the Gates family, his friends and a furry creature (or two!). But just what is that squawking sound coming from Tom's shoes?

Tom Gates #2 Scholastic UK

Hilariously entertaining, this book will teach you that: you're unlikely to get away with pretending to be dead; it's better to dump someone with no excuse at all than to tell them it's because they only like early Radiohead; sometimes, giving a genuine excuse is far more embarrassing than saying nothing; pretending to be an answering machine is never going to be convincing; and you should never attempt to

eat your underpants under any circumstances.

Yes, Lord, I Have Sinned But I Have Several Excellent Excuses Scholastic

Canada

You can blame your job...

You can blame the course... You can blame mother nature... Or you can blame your equipment... But Never, Ever, BLAME YOURSELF!
