In book one in the award-winning Austin Family

Chronicles young adult series from Madeleine L'Engle, author of A Wrinkle in Time, Vicky Austin experiences the

difficulties and joys of growing up. For a family with four kids, two dogs, assorted cats, and a constant stream of family and friends dropping by, life in the Austin family home has always been remarkably steady and contented. When a family friend suddenly dies in a plane crash, the Austins open their home to an orphaned girl, Maggy Hamilton. The Austin children—Vicky, John, Suzy, and Rob—do their best to be generous and welcoming to Maggy. Vicky knows she should

feel sorry for Maggy, but having sympathy for Maggy is no easy thing. Maggy is moody and spoiled; she breaks toys, wakes people in the middle of the night screaming, discourages homework, and generally causes chaos in the Austin household. How can one small child disrupt a family of six? Will life ever return to normal? In a timeless story, 16-year-old Marigold "Goldie" Vance lives at a Florida resort with her dad, who manages the place. Her mom, who divorced her dad years ago, works as a live mermaid at a club downtown. Goldie has an insatiable curiosity, which explains her dream to one

day become the hotel's in-house detective. When Charles, the current detective, encounters a case he can't crack, he agrees to mentor Goldie in exchange for her help solving the mystery utilizing her smarts, random skills, and connections with the hotel staff and various folks in town.

**A Wrinkle in Time: The Graphic Novel** Simon and Schuster

A Wrinkle in Time is the winner of the 1963 Newbery Medal. It was a dark and stormy

night—Meg Murry, her small brother Charles Wallace, and her mother had come down to the kitchen for a midnight snack when they were upset by the arrival of a most disturbing stranger. "Wild nights are my glory," the unearthly stranger told them. "I just got caught in a downdraft and blown off course. Let me sit down for a moment, and then I'll be on my way. Speaking of ways, by the way, there is such a thing as a tesseract." A tesseract (in case the reader doesn't

know) is a wrinkle in time. To tell more would rob the reader of the enjoyment of Miss L'Engle's unusual book. *A Wrinkle in Time*, winner of the Newbery Medal in 1963, is the story of the adventures in space and time of Meg, Charles Wallace, and Calvin O'Keefe (athlete, student, and one of the most popular boys in high school). They are in search of Meg's father, a scientist who disappeared while engaged in secret work for the government on the tesseract problem. *A Wrinkle in Time: The*

PM, French Hill, Nova Scotia: A girl named Tara is running. She runs through her nice neighborhood and up a road to the burned ruins of what was once a beautiful house--her family's house. August 31, 1859, French Hill, Nova Scotia: A girl named Josey is picking blackberries with her friend Connie. As the girls gossip, a handsome stranger knocks on the door of Josey's house. His name is Asa, and with his coming, Josey's life--and later in time, Tara's as well--is

about to change forever. Because there is treasure in the woods that belong to Josey's family. Gold--an untold fortune. Asa has a secret way of finding it, and his partnership with Josey's father could make them all rich. But there is darkness in the woods, and in Asa. And in the present day, Tara, Josey's descendent, is about to discover the truth about what really happened in the family's past. Eisner award winner Hope Larson weaves together history, romance, and a touch of her trademark

magical realism in this remarkable graphic novel of how the past haunts a teenage girl's present. [Book Three of The Austin Family Chronicles](#) Marvel Entertainment  
 "LOL funny." --Girls Life A middle schooler comes head-to-head with his vampire slayer crush in this laugh-out-loud funny graphic novel that's a perfect coming-of-age story for anyone who's ever felt too young, too small, or too average. It's the beginning of the new school year and AJ feels like everyone is changing

but him. He hasn't grown or had any exciting summer adventures like his best friends have. He even has the same crush he's harbored for years. So AJ decides to take matters into his own hands. But how could a girl like Nia Winters ever like plain vanilla AJ when she only has eyes for vampires? When AJ and Nia are paired up for a group project on Transylvania, it may be AJ's chance to win over Nia's affection by dressing up like the vamp of her dreams. And soon enough

he's got more of Nia's attention than he bargained for when he learns she's a slayer. Now AJ has to worry about self-preservation while also trying to save everyone he cares about from a real-life threat lurking in the shadows of Spoons Middle School.

Star Trek: The Next Generation Andrews McMeel Publishing Long out of print, the second novel by the bestselling author of *A Wrinkle in Time* looks at the darker side of love in a Southern town. From

the moment Henry Porcher first sees Ilsa Brandes, he worships her. Despite controversy surrounding the young girl, Henry is drawn to her, a fascination that turns into a lifelong infatuation. As the years pass, Ilsa's memory never leaves him, not until the day he returns to their sleepy Southern hometown and renews their childhood friendship. Henry watches as she becomes a wife, then a mother, then a widow, irrevocably changed by tragedy. Out of print for

nearly six decades, this rare and sought-after novel is a portrait of a remarkable woman bound by both the stifling conventions of her time and place, and her own sense of honor and purpose. A departure from L'Engle's later works, *Ilsa* is a dark, intriguing novel about passion, fixation, and the real price of unrequited love by an author renowned for her children's classics as well as her candid personal memoirs. This ebook features an illustrated biography of Madeleine

L'Engle including rare images from the author's estate.

It takes a graveyard to raise a child. Nobody Owens, known as Bod, is a normal boy. He would be completely normal if he didn't live in a graveyard, being raised by ghosts, with a guardian who belongs to neither the world of the living nor the dead. There are adventures in the graveyard for a boy—an ancient Indigo Man, a

gateway to the abandoned city of ghouls, the strange and terrible Sleer. But if Bod leaves the graveyard, he will be in danger from the man Jack—who has already killed Bod's family.

A beautifully rendered graphic novel adaptation of Lauren Tarshis's bestselling *I Survived the Nazi Invasion, 1944*, with text adapted by Georgia Ball and art by Álvaro Sarraseca. It's been years since the Nazis invaded Max Rosen's home country of Poland. All the Jewish people, including Max's family, have been forced to live in a ghetto. At least Max and his sister, Zena, had Papa with them . . . until two months ago, when the

Nazis took him away. Now Max and Zena are on their own. One day, with barely enough food to survive, the siblings make a daring escape from Nazi soldiers into the nearby forest. They are found by Jewish resistance fighters, who take them to a safe camp. But soon, grenades are falling all around them. Can Max and Zena survive the fallout of the Nazi invasion? With art by Álvaro Sarraseca and text adapted by Georgia Ball, Lauren Tarshis's New York Times bestselling *I Survived* series takes on

vivid new life in this explosive graphic novel edition. Includes nonfiction back matter with historical photos and facts about World War II and the Holocaust. Perfect for readers who prefer the graphic novel format, or for existing fans of the *I Survived* chapter book series, *I Survived* graphic novels combine historical facts with high-action storytelling that's sure to keep any reader turning the pages.

Summer Long, a coming-of-age middle-grade graphic novel about summer and friendships, written and illustrated by the Eisner Award-winning and New York Times–bestselling Hope Larson. Thirteen-year-old Bina has a long summer ahead of her. She and her best friend, Austin, usually do everything together, but he's off to soccer camp for a month, and he's been acting kind of weird lately anyway. So it's up to Bina to see how much fun she can have on her own. At first it's a lot

of guitar playing, boredom, and bad TV, but things look up when she finds an unlikely companion in Austin's older sister, who enjoys music just as much as Bina. But then Austin comes home from camp, and he's acting even weirder than when he left. How Bina and Austin rise above their growing pains and reestablish their friendship and respect for their differences makes for a touching and funny coming-of-age story. **Gray Horses** Farrar Straus & Giroux

April 18, 1906: A massive earthquake rocks San Francisco just before daybreak, igniting a devouring inferno. Lives are lost, lives are shattered, but some rise from the ashes forever changed. Sophie Whalen is a young Irish immigrant so desperate to get out of a New York tenement that she answers a mail-order bride ad and agrees to marry a man she knows nothing about. San Francisco widower Martin Hocking proves to be as aloof as he is mesmerizingly handsome.

Sophie quickly develops deep affection for Kat, Martin's silent five-year-old daughter, but Martin's odd behavior leaves her with the uneasy feeling that something about her newfound situation isn't right. Then one early-spring evening, a stranger at the door sets in motion a transforming chain of events. Sophie discovers hidden ties to two other women. The first, pretty and pregnant, is standing on her doorstep. The second is hundreds of miles away in the American Southwest,

grieving the loss of everything she once loved. The fates of these three women intertwine on the eve of the devastating earthquake, thrusting them onto a perilous journey that will test their resiliency and resolve and, ultimately, their belief that love can overcome fear. From the acclaimed author of *The Last Year of the War* and *As Bright as Heaven* comes a gripping novel about the bonds of friendship and mother love, and the power of female solidarity.

scientists know her as HeLa. She was a poor Southern tobacco farmer who worked the same land as her slave ancestors, yet her cells—taken without her knowledge—became one of the most important tools in medicine: The first “immortal” human cells grown in culture, which are still alive today, though she has been dead for more than sixty years. HeLa cells were vital for developing the polio vaccine; uncovered secrets of cancer, viruses, and the atom bomb’s

effects; helped lead to important advances like in vitro fertilization, cloning, and gene mapping; and have been bought and sold by the billions. Yet Henrietta Lacks remains virtually unknown, buried in an unmarked grave. Henrietta’s family did not learn of her “immortality” until more than twenty years after her death, when scientists investigating HeLa began using her husband and children in research without informed consent. And though the cells had launched a multimillion-

dollar industry that sells human biological materials, her family never saw any of the profits. As Rebecca Skloot so brilliantly shows, the story of the Lacks family—past and present—is inextricably connected to the dark history of experimentation on African Americans, the birth of bioethics, and the legal battles over whether we control the stuff we are made of. Over the decade it took to uncover this story, Rebecca became enmeshed in the lives of the Lacks

family—especially Henrietta’s daughter Deborah. Deborah was consumed with questions: Had scientists cloned her mother? Had they killed her to harvest her cells? And if her mother was so important to medicine, why couldn’t her children afford health insurance? Intimate in feeling, astonishing in scope, and impossible to put down, *The Immortal Life of Henrietta Lacks* captures the beauty and drama of scientific discovery, as well as its human consequences.
