LAM STEPHANIE

The Island of Missing Trees Beacon Press

“Joy is not made to be a crumb,” writes Mary Oliver, and certainly joy abounds in her new book of poetry and prose poems. Swan, her twentieth volume, shows us that, though we may be “made out

of the dust of stars,” we are of the world she captures here so vividly. Swan is Oliver’s tribute to “the mortal way” of desiring and living in the world, to which the poet is renowned for having always been “totally loyal.”

[The Tree of Inspiration](#)
Northwestern University Press
Inspiring and uplifting, The Wish Trees is rooted in the idea that

every child can help make the world a better place. Pre-readers and early readers will love turning the pages to reveal children planting Wish Trees and making wishes. Kids will discover the wonder of trees and enjoy searching for different animals and signs with each new page. Thoughtful, empowering and beautifully written by Canadian writer Andrea Koehle Jones, *The Wish Trees* features adorable and engaging illustrations by talented Venezuelan children's book illustrator Alicia Padrón.

The Secret Wisdom of Nature Princeton University Press
A series of recollections that concern both the childhood and work of

the writer John Fowles. For him, the tree is the best analogue of prose fiction, symbolising the wild side of our psyche, and he stresses the importance in art of the unpredictable, the unaccountable and the intuitive.

Their Eyes Were Watching God Penguin National Book Award Winner, PEN America Award Winner, and New York Times Bestseller! Perfect for fans of *This Is Us*, Robin Benway's beautiful interweaving story of three very different teenagers connected by blood explores the meaning of family in all its forms—how to find it, how to keep it, and how to love it. Being the middle child has its ups and downs. But for Grace, an only child who was adopted at

birth, discovering that she is a middle child is a different ride altogether. After putting her own baby up for adoption, she goes looking for her biological family, including— Maya, her loudmouthed younger bio sister, who has a lot to say about their newfound family ties. Having grown up the snarky brunette in a house full of chipper redheads, she's quick to search for traces of herself among these not-quite-strangers. And when her adopted family's long-buried problems begin to explode to the surface, Maya can't help but wonder where exactly it is that she belongs. And Joaquin, their stoic older bio brother, who has no interest in bonding over their shared biological

mother. After seventeen years in the foster care system, he's learned that there are no heroes, and secrets and fears are best kept close to the vest, where they can't hurt anyone but him. Don't miss this moving novel that addresses such important topics as adoption, teen pregnancy, and foster care.

Far from the Tree

Harper Collins

The tree of inspiration has many branches, and the words of wisdom in this book are like the leaves on the branches of this tree. These leaves should leave you feeling motivated, enlightened, and - yes - inspired.

[Inspirational Quotes and Sayings](#)
[Mandala Coloring Book](#) Simon

and Schuster

A triumphant tale of a young woman and her difficult childhood, *The Glass Castle* is a remarkable memoir of resilience, redemption, and a revelatory look into a family at once deeply dysfunctional and wonderfully vibrant. Jeannette Walls was the second of four children raised by anti-institutional parents in a household of extremes.

[Apples from the Tree of Life \(Book of Quotes\)](#)

W. W. Norton & Company

Join in the celebration of the holiday season with the Christmas tree lights, ribbon, ornaments, and the star as they come together as one. Each item needs the tree's wisdom and truth to take its place on the tree and fulfill its

purpose, just like we need God's guidance to find our place in this world.

[The Lorax](#) Macmillan

Once upon a time there was a war . . . and a young American who thought of himself as the Quiet American and the Ugly American, and who wished to be neither, who wanted instead to be the Wise American, or the Good American, but who eventually came to witness himself as the Real American and finally as simply the Fucking American. That's me. This is the story of Skip Sands—spy-in-training, engaged in Psychological Operations against the Vietcong—and the disasters that befall him thanks to his famous uncle, a war hero known in

intelligence circles simply as the Colonel. This is also the story of the Houston brothers, Bill and James, young men who drift out of the Arizona desert into a war in which the line between disinformation and delusion has blurred away. In its vision of human folly, and its gritty, sympathetic portraits of men and women desperate for an end to their loneliness, whether in sex or death or by the grace of God, this is a story like nothing in our literature. *Tree of Smoke* is Denis Johnson's first full-length novel in nine years, and his most gripping, beautiful, and powerful work to date. *Tree of Smoke* is the 2007 National Book Award Winner for Fiction.

The Tree of Life

Simon and Schuster PBS's *The Great American Read* named it one of America's best-loved novels. *A Separate Peace* has been a bestseller in the United States for nearly thirty years, and it is ageless in its depiction of youth during a time when the entire country was losing its innocence to World War II. *A Separate Peace* is a horrific and brilliant fable about the dark side of adolescence set at a boys' boarding school in New England during the early years of World War II. Gene is an introverted, lonely intellectual. Phineas is a reckless athlete who is attractive and taunts others. Like the war itself, what happens between the two friends one summer

robs these guys and their world of their innocence.

 displacement and
 home, faith and belief.
 Balm for our bruised
 times." -David Mitchell,
 author of *Utopia*
Avenue A rich, magical
 new novel on
 belonging and identity,
 love and trauma,
 nature and renewal,
 from the Booker-
 shortlisted author of *10*
Minutes 38 Seconds in
This Strange World.
 Two teenagers, a
 Greek Cypriot and a
 Turkish Cypriot, meet
 at a taverna on the
 island they both call

home. In the taverna,
 hidden beneath
 garlands of garlic, chili
 peppers and creeping
 honeysuckle, Kostas
 and Defne grow in their
 forbidden love for each
 other. A fig tree
 stretches through a
 cavity in the roof, and
 this tree bears witness
 to their hushed, happy
 meetings and
 eventually, to their
 silent, surreptitious
 departures. The tree is
 there when war breaks
 out, when the capital is
 reduced to ashes and
 rubble, and when the
 teenagers vanish.
 Decades later, Kostas
 returns. He is a
 botanist looking for
 native species, but
 really, he's searching
 for lost love. Years
 later a *Ficus carica*
 grows in the back
 garden of a house in
 London where Ada
 Kazantzakis lives. This

tree is her only connection to an island she has never visited--- her only connection to her family's troubled history and her complex identity as she seeks to untangle years of secrets to find her place in the world. A moving, beautifully written, and delicately constructed story of love, division, transcendence, history, and eco-consciousness, *The Island of Missing Trees* is Elif Shafak's best work yet.

The People in the Trees
Simon and Schuster
Traces the author's experiences as an illegal child immigrant, describing her father's violent alcoholism, her efforts to obtain a higher education, and the inspiration of Latina authors.

TREE OF LIFE Coloring Book If you or your family appreciates the value and importance of life and how magical trees and their branches can be, this coloring book is just what you are looking for. At the same time, if you are looking for that perfect gift for other family and friends that have these same passions, it's likely a great match for them as well. This 8.5x11 color book is loaded with different sayings, quotes and messages all focused on one thing... the beautiful tree of life! In addition to the great wording you will find on each page, there is also a beautiful mandala design to be colored in as well. Best of all, with a large

selection of different sayings and mandala designs, you will always see a different coloring page throughout the book. All coloring pages are printed on their own sheet, with nothing on the backside of the page. This makes it perfect for drawing, coloring, doodling or painting in as you like, and not having it bleed through the other side. The blank white backside of each page is also great for note taking, jotting down ideas or even sketching out your own pictures or designs. Be sure to order your copy today!

“As you read these pages you will understand why I so admire [Peter Wohlleben] and am so in love with his

work.”—JANE GOODALL

Nature is full of surprises: deciduous trees affect the rotation of the Earth, cranes sabotage the production of Iberian ham, and coniferous forests can make it rain. But what are the processes that drive these incredible phenomena? And why do they matter? In *The Secret Wisdom of Nature*, master storyteller and international sensation Peter Wohlleben takes readers on a thought-provoking exploration of the vast natural systems that make life on Earth possible. In this tour of an almost unfathomable world, Wohlleben describes the fascinating interplay between animals and plants and answers such questions as: How do

they influence each other? Do lifeforms communicate across species boundaries? And what happens when this finely tuned system gets out of sync? By introducing us to the latest scientific discoveries and recounting his own insights from decades of observing nature, one of the world's most famous foresters shows us how to recapture our sense of awe so we can see the world around us with completely new eyes. Published in Partnership with the David Suzuki Institute. [The Way of Nature and the Way of Grace](#) Random House Celebrate Earth Day with Dr. Seuss and the Lorax in this classic picture book about protecting the environment! I am the

Lorax. I speak for the trees. Dr. Seuss's beloved story teaches kids to speak up and stand up for those who can't. With a recycling-friendly "Go Green" message, *The Lorax* allows young readers to experience the beauty of the Truffula Trees and the danger of taking our earth for granted, all in a story that is timely, playful and hopeful. The book's final pages teach us that just one small seed, or one small child, can make a difference. Printed on recycled paper, this book is the perfect gift for Earth Day and for any child—or child at heart—who is interested in recycling, advocacy and the environment, or just loves nature and playing outside. Unless someone like you cares

a whole awful lot, nothing is going to get better. It's not. "Pretty much all the stuff you need to know is in Dr. Seuss." -President Barack Obama

Silver on the Tree

Bloomsbury Publishing

"Fans of R.J. Palacio's *Wonder* will appreciate this feel-good story of friendship and unconventional smarts." —Kirkus Reviews Ally has been smart enough to fool a lot of smart people. Every time she lands in a new school, she is able to hide her inability to read by creating clever yet disruptive distractions. She is afraid to ask for help; after all, how can you cure dumb? However, her newest teacher Mr. Daniels sees the bright, creative kid

underneath the trouble maker. With his help, Ally learns not to be so hard on herself and that dyslexia is nothing to be ashamed of. As her confidence grows, Ally feels free to be herself and the world starts opening up with possibilities. She discovers that there's a lot more to her—and to everyone—than a label, and that great minds don't always think alike. The author of the beloved *One for the Murphys* gives readers an emotionally-charged, uplifting novel that will speak to anyone who's ever thought there was something wrong with them because they didn't fit in. This paperback edition includes *The Sketchbook of Impossible Things* and discussion questions. A

New York Times Bestseller! *
 “Unforgettable and uplifting.”—School Library Connection, starred review *
 “Offering hope to those who struggle academically and demonstrating that a disability does not equal stupidity, this is as unique as its heroine.”—Booklist, starred review *

 A thrilling anthropological adventure story with a profound and tragic vision of what happens when cultures collide—from the

bestselling author of National Book Award-nominated modern classic, *A Little Life* “Provokes discussions about science, morality and our obsession with youth.” —Chicago Tribune
 It is 1950 when Norton Perina, a young doctor, embarks on an expedition to a remote Micronesian island in search of a rumored lost tribe. There he encounters a strange group of forest dwellers who appear to have attained a form of immortality that preserves the body but not the mind. Perina uncovers their secret and returns with it to America, where he soon finds great success. But his discovery has come at a terrible cost, not only for the islanders, but for Perina himself. Look

for Hanya Yanagihara's latest bestselling novel, *To Paradise*.
