Front Desk (Front Desk #1) (Scholastic Gold) Citadel Press

The inspiration for the film Total Recall, starring Colin Farrell and Kate Beckinsale, and directed by Len Wiseman. This ebook-only edition of Philip K. Dick's classic short story tells the story of Douglas Quail, an unfulfilled bureaucrat who dreams of visiting Mars, but can't afford the trip. Luckily, there is Rekal Incorporated, a company that lets everyday stiffs believe they've been on incredible adventures. The only problem is that when technicians attempt a memory implant of a spy mission to Mars, they find that real memories of just such a trip are already in Quail's brain. Suddenly, Quail is running for his life from government agents, but his memories might make him more of a liability than he is worth. Originally published as "We Can Remember It For You Wholesale."

The Best of Philip K. Dick HarperCollins

A strategy for changing attitudes about personal finances covers such topics as getting out of debt, the dangers of cash advances and keeping spending within income limits.

How to Stop Living Paycheck to Paycheck Hachette UK

Doing well with money isn't necessarily about what you know. It's about how you behave. And behavior is hard to teach, even to really smart people. Money—investing, personal finance, and business decisions—is typically taught as a math-based field, where data and formulas tell us exactly what to do. But in the real world people don't make financial decisions on a spreadsheet. They make them at the dinner table, or in a meeting room, where personal history, your own unique view of the world, ego, pride, marketing, and odd incentives are scrambled together. In *The Psychology of Money*, award-winning author Morgan Housel shares 19 short stories exploring the strange ways people think about money and teaches you how to make better sense of one of life's most important topics.

The Total Money Makeover Citadel Press

Selected Stories of Philip K. Dick contains twenty-one of Dick's most dazzling and resonant stories, which span his entire career and show a world-class writer working at the peak of his powers. In "The Days of Perky Pat," people spend their time playing with dolls who manage to live an idyllic life no longer available to the Earth's real inhabitants. "Adjustment Team" looks at the fate of a man who by mistake has stepped out of his own time. In "Autofac," one community must battle benign machines to take back control of their lives. And in "I Hope I Shall Arrive Soon," we follow the story

of one man whose very reality may be nothing more than a nightmare. The collection also includes such classic stories as "The Minority Report," the basis for the Steven Spielberg movie, and "We Can Remember It for You Wholesale," the basis for the film Total Recall. With an introduction by Jonathan Lethem, Selected Stories of Philip K. Dick is a magnificent distillation of one of American literature's most searching imaginations.

A Handful of Darkness Farrar, Straus and Giroux

PULITZER PRIZE WINNER • A "vivid and devastating" (The New York Times) portrait of an indomitable girl—from acclaimed journalist Andrea Elliott "From its first indelible pages to its rich and startling conclusion, *Invisible Child* had me, by turns, stricken, inspired, outraged, illuminated, in tears, and hungering for reimmersion in its Dickensian depths."—Ayad Akhtar, author of *Homeland Elegies* ONE OF THE TEN BEST BOOKS OF THE YEAR: The New York Times • ONE OF THE BEST BOOKS OF THE YEAR: The Atlantic, The New York Times Book Review, Time, NPR, Library Journal In *Invisible Child*, Pulitzer Prize winner Andrea Elliott follows eight dramatic years in the life of Dasani, a girl whose imagination is as soaring as the skyscrapers near her Brooklyn shelter. In this sweeping narrative, Elliott weaves the story of Dasani's childhood with the history of her ancestors, tracing their passage from slavery to the Great Migration north. As Dasani comes of age, New York City's homeless crisis has exploded, deepening the chasm between rich and poor. She must guide her siblings through a world riddled by hunger, violence, racism, drug addiction, and the threat of foster care. Out on the street, Dasani becomes a fierce fighter "to protect those who I love." When she finally escapes city life to enroll in a boarding school, she faces an impossible question: What if leaving poverty means abandoning your family, and yourself? A work of luminous and riveting prose, Elliott's *Invisible Child* reads like a page-turning novel. It is an astonishing story about the power of resilience, the importance of family and the cost of inequality—told through the crucible of one remarkable girl. Winner of the J. Anthony Lukas Book Prize • Finalist for the Bernstein Award and the PEN/John Kenneth Galbraith Award

The Eyes Have It Library of Alexandria

"The Joy Luck Club is one of my favorite books. From the moment I first started reading it, I knew it was going to be incredible. For me, it was one of those once-in-a-lifetime reading experiences that you cherish forever. It inspired me as a writer and still remains hugely inspirational." —Kevin Kwan, author of *Crazy Rich Asians* Amy Tan's beloved, New York Times bestselling tale of mothers and daughters, now the focus of a new documentary *Amy Tan: Unintended Memoir* on Netflix Four mothers, four daughters, four families whose histories shift with the four winds depending on who's

"saying" the stories. In 1949 four Chinese women, recent immigrants to San Francisco, begin meeting to eat dim sum, play mahjong, and talk. United in shared unspeakable loss and hope, they call themselves the Joy Luck Club. Rather than sink into tragedy, they choose to gather to raise their spirits and money. "To despair was to wish back for something already lost. Or to prolong what was already unbearable." Forty years later the stories and history continue. With wit and sensitivity, Amy Tan examines the sometimes painful, often tender, and always deep connection between mothers and daughters. As each woman reveals her secrets, trying to unravel the truth about her life, the strings become more tangled, more entwined. Mothers boast or despair over daughters, and daughters roll their eyes even as they feel the inextricable tightening of their matriarchal ties. Tan is an astute storyteller, enticing readers to immerse themselves into these lives of complexity and mystery.

Selected Stories Of Philip K. Dick AMACOM

WINNER OF THE 2020 PULITZER PRIZE IN GENERAL NONFICTION "The Undying is a startling, urgent intervention in our discourses about sickness and health, art and science, language and literature, and mortality and death. In dissecting what she terms 'the ideological regime of cancer,' Anne Boyer has produced a profound and unforgettable document on the experience of life itself." —Sally Rooney, author of *Normal People* "Anne Boyer's radically unsentimental account of cancer and the 'carcinogenosphere' obliterates cliché. By demonstrating how her utterly specific experience is also irreducibly social, she opens up new spaces for thinking and feeling together. The Undying is an outraged, beautiful, and brilliant work of embodied critique." —Ben Lerner, author of *The Topeka School* A week after her forty-first birthday, the acclaimed poet Anne Boyer was diagnosed with highly aggressive triple-negative breast cancer. For a single mother living paycheck to paycheck who had always been the caregiver rather than the one needing care, the catastrophic illness was both a crisis and an initiation into new ideas about mortality and the gendered politics of illness. A twenty-first-century illness as metaphor, as well as a harrowing memoir of survival, *The Undying* explores the experience of illness as mediated by digital screens, weaving in ancient Roman dream diarists, cancer hoaxers and fetishists, cancer vloggers, corporate lies, John Donne, pro-pain "dolorists," the ecological costs of chemotherapy, and the many little murders of capitalism. It excoriates the pharmaceutical industry and the bland hypocrisies of "pink ribbon culture" while also diving into the long literary line of women writing about their own illnesses and ongoing deaths: Audre Lorde, Kathy Acker, Susan Sontag, and others. A genre-bending memoir in the tradition of *The Argonauts*, *The Undying* will break your heart, make you angry enough to spit, and show you contemporary America as a thing both desperately ill and occasionally, perversely glorious. Includes black-and-white illustrations

The Minority Report Echo Point+ORM

The stories that inspired the original dramatic series. Though perhaps most famous as a novelist, Philip K. Dick wrote more than one hundred short stories over the course of his career, each as mind-bending and genre-defining as his longer works. Philip K. Dick's *Electric Dreams* collects ten of the best. In "Autofac," Dick shows us one of the earliest examples (and warnings) in science fiction of self-replicating machines. "Exhibit Piece" and "The Commuter" feature Dick exploring one of his favorite themes: the shifting nature of reality and whether it is even possible to perceive the world as it truly exists. And "The Hanging Stranger" provides a thrilling, dark political allegory as relevant today as it was when Dick wrote it at the height of the Cold War. Strange, funny, and powerful, the stories in this collection highlight a master at work, encapsulating his boundless imagination and deep understanding of the human condition.

The Seven Husbands of Evelyn Hugo HarperCollins

This early work by Philip K. Dick was originally published in 1952 and we are now republishing it with a brand new introductory biography. 'The Skull' is a short story about a man sent back in time to assassinate a man who would later change the world. Philip Kindred Dick was born on December 16 1928, in Chicago, Illinois. Dick and his family moved to the Bay Area of San Francisco when he was young, and later on to Washington DC following his parents divorce. Dick attended Elementary school and then a Quaker school before the family moved back to California. It was around this time that Dick began to take an active interest in the science fiction genre, reading his first magazine 'Stirring Science Stories', at age twelve. Dick married five times between 1959 and 1973, and had three children. He sold his first story in 1951 and from that point on he wrote full-time, selling his first novel in 1955. In addition to 44 published novels, Dick wrote an estimated 121 short stories, most of which appeared in science fiction magazines during his lifetime. In addition to 44 published novels, Dick wrote an estimated 121 short stories, most of which appeared in science fiction magazines during his lifetime. After his death, many of his stories made the transition to the big screen, with blockbuster films such as *Blade Runner*, *Total Recall* and *Minority Report* being based on his works.
