with all legislative changes, new cases and general practice developments
Snell's Principles of Equity ... Twenty-first Edition. By H. Gibson Rivington

Forgotten Books

'Snell's Equity' provides in-depth commentary and analysis of the law of equity and offers interpretation of how the different rules can be applied to property. This supplement updates the main work to 31st August 2012.

Snell's Equity Bloomsbury Publishing

This text deals with equitable principles and remedies, together with their application in trusts, probate and mortgages. It includes trusts; administration of assets; securities; equitable doctrines; equitable protection; and equitable remedies. What you'll find in the supplement:

Andrews v Australian & New Zealand Banking Corporation considering jurisdiction to relieve from penalties -- Suggitt v Suggitt on the idea of proportionality in granting relief based on estoppel -- GHLM Trading v Maroo on a fiduciary's duty of disclosure -- Various cases on the question of the relationship between equitable liability for breach of confidence and liability in tort

An Analysis of the Tenth Edition of Snell's Principles of Equity. ... By E.E. Blyth ... Fourth Edition Legare Street Press

An Analysis of the Thirteenth Edition of Snell's Principles of Equity; with Notes Sweet & Maxwell

Excerpt from The Principles of Equity: Intended for the Use of Students-and of Practitioners This. Sixteenth Edition of Snell's Equity is the thirteenth edition of that work which has been published since 1875, when law and equity were for the first time fused effectively under one and the same juridical administration; and it was my chief duty as Editor, in 1875, to suggest, how the fusion would operate as regards the different subject-matters comprised in the Book; and it has been my endeavour, continuously in all the twelve successive editions which I have edited since 1875, to further show (by state ment and illustration), how the fusion was. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at

www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.

An Analysis of the Fourteenth

Edition of Snell's Principles of Equity

Excerpt from An Analysis of the Twelfth Edition of Snell's Principles of Equity: With Notes Thereon In presenting this Analysis, I have to acknowledge my indebtedness to Messrs. Stevens and Haynes for their kindness in sanctioning it, as proprietors of "Snell's Principles of Equity." My further obligations to various authors are apparent and duly acknowledged. Having experienced in the course of my own reading the advantages, of an analysis of this character, I venture to hope that it may prove useful to all law students, especially in preparing for examinations. This analysis is intended as a companion to Snell's work, with which it is to be read chapter by chapter. Such being the

object in view, it has not been considered necessary, in quoting cases, to give references or details, except where these particulars do not appear in Snell. Snell's Equity

This book is the fourth in a series of essay collections on defences in private law. It addresses defences to liability arising in equity. The essays range from those adopting a mainly doctrinal perspective to others that explore the law from a more philosophical perspective. Some essays concentrate on specific defences, while others are concerned with the links between defences, or with how defences relate to the structure of the law of equity generally. One aim of the book is to shed light on equitable doctrines by analysing them through the lens of defences. The essays offer original contributions to this complex, important but neglected field

of scholarly investigation. The contributors – judges, practitioners and academics – are all distinguished jurists. The essays are addressed to all of the major common law jurisdictions.
