This makes it very easy for the students to understand and remember the contents. 3. All the concepts have been given pointwise which makes reading very fast and easy. 4. This book gives conceptual clarity of the law. 5. This book not only

helps in scoring very good marks in exam, but also in using the law in the practical world.

Legal Aspects of Business: Concepts and Applications, 2e LexisNexis

An ideal introductory textbook, Bourne on Company Law offers a succinct overview of the fundamental areas covered in LLB and GDL courses. Clear and easy to follow, the book is presented in

short, sub-headed sections for ease of navigation, and is thoroughly cross-referenced to highlight connections across topics. This sixth edition expands on emerging areas such as directors' duties and corporate governance, as well as offering increased discussion of EU Company Law. Written for both law and non-law students, it offers full case citations and

straightforward explanations of all key cases, as well as chapter summaries and end of chapter questions to aid student understanding . The sixth edition is also supported by a companion website offering self test questions, a useful glossary and annotated web links. *Business Law 2017-2018* Oxford University Press, USA

The book has been written for 'Business Laws' Paper of the MBA Programme, Semester-II examination of the Gautam Buddh Technical University in accordance with its new syllabus, effective from the academic year 2013-14. Its contents have been largely extracted from the author's reputed title 'Business Legislation for Management' which has gained tremendous readership over the years. This book presents the subject matter tailor-made, as per the revised course structure of the Paper, to enable the students to possess a textbook which caters to their needs in full. The book has been organized into six units, namely, Law of Contract, Law of Partnership and Law of Sale of Goods, Law of Negotiable Instruments, Company Law and Law of Consumer Protection, Law of Information Technology, and Law of

Diagrammatic and Tabular Presentation) CA. Ashish K Agrawal Robert's Rules of Order Newly Revised, commonly referred to as Robert's Rules of Order, RONR, or simply Robert's Rules, is the most widely used manual of parliamentary procedure in the United States. It governs the meetings of a diverse range of organizations- including church groups,

county commissions, homeowners associations, nonprofit associations, professional societies, school boards, and trade unions-that have adopted it as their parliamentary authority. The manual was first published in 1876 by .US Army officer Henry Martyn Robert, who adapted the rules and practice of Congress to the needs of non-legislative societies. Ten subsequent editions have been published, including major revisions in 1915 and 1970. The copyright to Robert's Rules of Order Newly Revised is owned by the Robert's Rules Association, which selects by contract an authorship team to continue the task of revising and updating the book. The 11th and current edition was published in 2011. In 2005, the Robert's Rules Association published an official concise guide, titled Robert's Rules of Order Newly Revised In Brief. A second edition of the brief book was published in 2011. *A Practical Handbook for Lawyers & Business Men, with an Appendix Containing the Acts, 1862 to 1900, and Rules, &c* Oxford University Press Tennessee Corporations, Partnerships and Associations Law Annotated is a single-volume reference of
