 The Art of Being Normal (2019) The Art of Being Normal. Short, Drama | 27 April 2019 (USA) David Piper has always been an outsider. His parents think he's gay. The school bully thinks he's a freak. Only his two best friends know the real truth: David wants to be a girl.
 The Art of Being Normal (2019) - IMDb
 The Art of Being Normal follows David Piper who knows he isn't who he wants to be. When his teacher once asked the whole class what they want to be when they grow up, everyone wrote "normal things" like wanting to be a doctor, or a famous soccer player, or a computer genius, but David wrote that he wants to be a girl.
 The Art of Being Normal by Lisa Williamson
 The Art of Being Normal is a book about two trans teens (one stealth and the other

closeted) and follows the plotline of family relationships (don't worry this book isn't the kicking-out narrative). This book was good for a cis-written ice-breaker into a trans narrative- the characters seem fairly authentic and the story is interesting.
