Darla Cody had a near-death experience in 1991, which started her journey away from the materialistic, American life into one of questioning true happiness. It would take another accident in 1994 before she actually changed her lifestyle into a quest for truth in the spiritual realm. Cody connected with her spirit guides, who told her to visit sacred sites around the world, which first led her down Egypt's Nile River, where she received wisdom from the many sites of ancient knowledge there. Inside an ancient Egyptian temple she became "reacquainted" with Isis, who told her to go to the east gate to receive divine information. Just as in ancient times, Isis and other spirit guides were once again bringing personal messages to seekers. From Egypt, she was called to the Himalayas to see Babaji and the ascended masters of the Great White Brotherhood. St. Germain led her to the Valley of the Flowers and the Sacred Lake on the border of China among the Seven Sacred Peaks, where she was initiated by Lord Maitreya. St. Germain, Quan Yin and Babaji. Sai Baba - an avatar living in India at the time - began communicating with her via mental telepathy, asking her to help him by teaching others about his works. And this book followed. Sirius: Understanding Ancient Wisdom for Spiritual Ascension enhances your understanding of your evolution and ascension process, by answering questions like What is the Hierarchy, and what are the major departments of the ascended masters? Who were the ascended masters in their past lives? How can I connect with the ascended master who is right for me today? How do the seven rays relate to the ascended masters and to me? What initiations must I go through, and what is that process? How does Shambhala - the City of White - relate to humanity and Sanat Kumara, the Planetary Logos? How do I work with my endocrine system and how does it work with my chakras? What is the importance of conscious breathing in my everyday life and in my ascension process? What is prana, and how can I use it to renew my body and mind? How can I use the violet flame of transmutation? How am I being affected by the electromagnetic fields that permeate our modern world? How can I protect myself from negative energies?

Unveiling a new paradigm in research. The definition of pyramid is changing. Is it dependent upon geometry, or rather culture and religion? Should a few very large mounds and cairns of Europe be reclassified as pyramids? Are they based on a similar religion to pyramids found elsewhere? The answer to this question, the author suggests, is a `yes!' Learn what possibly links the pyramids of Europe to those of Asia and Egypt. Includes never-before read information on the Giza complex with paradigm-changing conclusions regarding the Old-Kingdom Egyptians.

Life is full of tough calls and daunting decisions. The question isn't if you'll face a big decision in the future, but how you'll face the tough call that's guaranteed to come your way. Think about it. There are wedding proposals to ponder, college applications to submit, career moves to make, homes to sell, and confrontations to consider. And, knowing how poorly things could go, we sometimes find ourselves facing these decisions with a deep fear of future regret. The pressure is on. Or is it? Short and straightforward, yet full of practical insight and spiritual truths, Tough Call, will help you see that the Christian faith offers a mindset to confidently and joyfully make your next big decision. More importantly you'll see that you can face life with your fears recognized, your peace maximized, and your hope anchored in something greater than your ability to "get it right." Readers familiar with authors like Acuff, Chan, and Tchividjian will resonate with Matt Popovits's witty, practical, and gospel-centered take on complicated topics. Tough Call is an enjoyable and essential read for any and all facing a major decision.

The Earth speaks to us in many ways through the spirits of her various elements. In this deck of 48 oracle cards created by Steven D. Farmer, you'll find descriptions and images of several of these Earth elements along with clear and concise messages from the spirits of each. Through the use of these cards, you'll uncover sensible advice that will provide guidance for questions you may have about any aspect of your life. The enclosed guidebook includes easy-to-follow instructions as well as expanded descriptions and messages for each card, allowing you to give yourself and others accurate, meaningful readings.

[Sacred Energies of the Sun and Moon](#) Mike Frost

- Mongolian shamaness Sarangerel provides a hands-on guide for serious students of the shamanic path. • Includes complete directions for traditional Siberian rituals, meditations, and divination techniques never before published. • Shows how to recognize and acknowledge a call from the spirits. • Offers traditional wisdom for nurturing a working relationship with personal spirit helpers to promote healing and balance in a community. The shaman's purpose is to heal and restore balance to his or her community by developing a working relationship with the spirit world. Mongolian shamanic tradition maintains that all true shamans are called by the spirits--but those who are not from shamanic cultures may have difficulty recognizing the call or nurturing the essential shamanic relationship with their helper spirits. Buryat shamaness Sarangerel has written Chosen by the Spirits as a guide for both the beginning shaman and the advanced practitioner. Although raised in the United States, she was drawn to the shamanic tradition, and in 1991 returned to her ancestral homeland in the Tunken region of southern Siberia to study with traditional Buryat shamans. Her first book, Riding Windhorses, provided an introduction to the shamanic world of Siberia. Chosen by the Spirits delves more deeply into the personal

relationship between the shamanic student and his or her "spirit family." Sarangerel recounts her own journey into shamanic practice and provides the serious student with practical advice and hands-on techniques for recognizing and acknowledging a shamanic calling, welcoming and embodying the spirits, journeying to the spirit world, and healing both people and places.

For generation after generation, Toltec shamans have passed down their wisdom through teaching stories. The purpose of these stories is to implant a seed of knowledge in the mind of the listener, where it can ultimately sprout and blossom into a new and better way of life. In The Wisdom of the Shamans: What the Ancient Masters Can Teach Us About Love and Life, Toltec shaman and master storyteller don Jose Ruiz shares some of the most popular stories from his family's oral tradition and offers corresponding lessons that illustrate the larger ideas within each story. Ruiz begins by explaining that contrary to the stereotypical image of "witch doctor," the ancient shamans were men and women who fulfilled several roles within their communities: philosopher, spiritual guide, medical doctor, psychologist, and friend. According to Ruiz, their teachings are not primitive or reserved for a chosen few initiates but are instead a powerful series of lessons on love and life that are available to us all. To that aim, he has included exercises, meditations, and shamanic rituals to help you experience the personal transformation these stories offer. The shamans taught that the truth you seek is inside of you. Let these stories, lessons, and tools be your guide to finding the innate wisdom that lives within.

The mountains of Calabria: ancient, beautiful, harsh, enchanting, and austere. Luciano Martello was born in this land, into a desperate, stubborn poverty that was passed on from one generation to the next. The only way to escape the cycle of poverty is to emigrate. This is the story of an ordinary man with an unyielding determination to provide his family a chance at a life of plenitude no matter the cost. A man with a monomaniacal obsession: America! His efforts to reach the promised land are met with frustration and bitterness. He soon learns that immigrating to America in the mid twentieth century is not as simple as it was in his father's time. He must first obtain the money to finance the voyage, survive the horrors of World War II, and suffer the consequences of avenging his sister's death to restore the family's honor.

David Werden wants nothing more than to lead a quiet, ordinary life. But his world is turned upside down when an unknown event changes the face of the planet. Realizing he cannot live alone in the ruins of the old world, and compelled by a strange internal force to reach the sea, he sets out on foot, carrying what he can, struggling against the harsh post-apocalyptic environment to search out others who may still be alive. Thrust into the leadership of a band of survivors, David struggles to scratch out the necessities of life while dealing with the staggering destruction and overwhelming sense of loss - and begins to understand the tragic and marvelous events that have occurred to the planet and to humanity itself. Finding love and betrayal, he must fight those who cling to the old world with all their strength and those who wish to stamp out the growing number of people coming to terms with their new levels of perception and insight into the Universal Mind.

[Gone to Earth](#) Sounds True

This is true story about real people is set in Edinburgh City and Dundee, where a petite Scottish Lassie called Rosie Gilmour, mother to Finlay Sinclair, receives news of the death of her son - who tragically has taken his own life by hanging. Rosie pretends her son is still alive by talking to him, for that takes away the unbearable pain of her loss. But once she begins to face up to the fact that Finlay is not coming back, her conversations become more of a challenge than she can handle. When memories of her past are triggered by everyday life events, they take her mind back and forth in time - back to her own childhood days in 1960, when she flirted with the fairground boys, and to the day she gave birth to Finlay - "ME LADDIE". Rosie's Scottish accent becomes more apparent whenever her emotions are heightened and she begins to recite poetry. She goes on to reveal doubts about her own self-worth and and how she re-unites her role as mother - a role she had denied herself for seven years prior to Finlay's death. Rosie learns

how to forgive herself and how to accept her loss with using practical coping strategies that sometimes but not always work for her. Many voices of different natures and walks of life appear in Rosie's story with each one offering a part of their own belief to try and console her in her misery - except that she turns her back on any advice or support offered. Rosie is convinced that she can cope with her loss on her own and "needs no help from anyone, thank you" - until a sweet, gentle, soft-spoken voice begins to travel with her throughout her ordeal, leaving her no other choice but to listen. Eventually moving to the countryside in Angus, Rosie finds the isolation gives her life a new meaning offering her the opportunity to re-value her beliefs about her own self values and decides the time has come to give her son a memorial service and invite a chosen few dance companions whom she met on a regular basis in Edinburgh to honour this day. Rosie begins to accept she will never be the same person she once had been and shall never be again, believing now her journey through grief taught her many lessons making her a stronger and better person than she imagined she could ever be.

Pocket Guide to Spirit Animals Createspace Independent Publishing Platform

Have you ever wondered: What it's like to daily bet hundreds of thousands of dollars working for some of the largest professional gamblers in Las Vegas? ... How to spend a summer house sitting one of the biggest stars in the world's 11,000 square-foot mansion - without an invitation from it's celebrity owner ... Whether the life of crime - specifically, running a shoplifting ring in a middle American mall - pays? ... What causes a son to finally say enough is enough ... and decide "Today is the day I am going to kill my dad." Comedian Brandt Tobler has the answers in this funny, touching and sometimes downright unbelievable memoir of a small town Wyoming-kid turned "mall-fia" don, turned nationally touring comic. Brand tells his life story with candor, detailing the many pit stops, wrong turns, crazy connections and lucky breaks he experienced along the way to his comedy career, all while trying to balance a toxic relationship with his unreliable jailbird dad. In these pages Brandt will make you laugh (he better - it's his job!) and believe as he does that, when it comes to defining family, blood isn't always thicker than water. -- back cover.

EARTH MAGIC In this fascinating book, Dr. Steven Farmer offers a unique synthesis of ancient shamanic practices and philosophies that have proven over millennia to help heal the spiritual causes of physical and emotional illnesses, augment personal power, enhance manifestation abilities, and encourage a balanced and harmonious relationship with our Earth. Although the foundation for Earth Magic is universal shamanic wisdom, it's not necessary to have an interest in shamanism to benefit from its contents, as it expands beyond this topic to incorporate processes that are useful for all those with the sincere intention to heal themselves, others, and the planet.

Healing Ancestral Karma Simon and Schuster

This book contains casting instructions for over a hundred magic spells. It is intended for use by practitioners of Wicca, general witchcraft, or candle magic. In the *Magic Book of Spells* by Alexis Morrigan you will find: Enchantments and rituals to create a magic wand for use in spell work and other rituals. Blessing spells to consecrate your books, pens, or quills, and energy spells to energize crystals. Protection spells include chants to ward off worries, charms for yourself or your child, and spells to protect your animals. You can banish black magic from your home or person, cleanse your space, break hexes cast against you or your loved ones, and break bad habits. Energy spells can increase your personal energy, create a fiery passion in your love life, heal rifts between you and your lover or give you help in conceiving a child. Use powerful spells to create strong oil for your candle dressings, increase your abilities in certain skills, and imbue yourself or an object with luck. Fortune spells include drawing a specific amount of money to you, creating charms for unexpected funds, or blessing your entire home with increased wealth which you can use to create a better environment for your family. Love spells include spells to enhance relationships and spells for those who are seeking their soul mate. Also included

are chapters on candle color correspondence, auspicious days of the week, and phases of the Moon.

Magic Book of Spells Simon and Schuster

Uncover Your Family's Past and Create a Better Future Has your family gone through the same trials and tribulations generation after generation? Do you feel fated to continue that trend? If so, it's possible you've inherited the karma of your family members. The good news is that you can break the cycle. Renowned author, soul healer, and shamanic practitioner Dr. Steven Farmer shows you how to not only free yourself from negative cycles of the past but also access the ancient wisdom of your ancestors. In *Healing Ancestral Karma*, you'll learn how to: Make contact with your ancestors. Heal hereditary traits and characteristics that have compromised your physical, emotional and mental health. Incorporate your ancestors' wisdom into your spiritual path. Clear karmic baggage so your descendants inherit only positive karma. Imagine how different life could be if you had access to the wisdom of all those who've come before you. *Healing Ancestral Karma* shows you how. No matter what your current spiritual philosophy or practice, you can have a relationship with your ancestors and gain guidance, knowledge and healing.

Earth Magic Oracle Cards Inner Traditions / Bear & Co

'Long before the birth of science, our ancestors spoke the language of the Earth to create the healing and miracles of life. Steven Farmer brings this timeless wisdom alive as he shares his knowledge of nature's ancient code-the Earth Magic of today. Through a masterful blend of personal experience and true-life accounts, he shares the keys to renew our relationship to the core of our essence. Long after we close the pages of his book, Steven's words linger as the magic that shows itself in each moment of life!' - Gregg Braden, the best-selling author of *The Divine Matrix* In this fascinating book, Dr. Steven Farmer offers a unique synthesis of ancient shamanic practices and philosophies that have proven over millennia to help heal the spiritual causes of physical and emotional illnesses, augment personal power, enhance manifestation abilities, and encourage a balanced and harmonious relationship with our Earth.
