NEW YORK TIMES BESTSELLER • From the stars of the Netflix series Get Organized with The Home Edit (with a serious fan club that includes Reese Witherspoon, Gwyneth Paltrow, and Mindy Kaling), here is an accessible, room-by-room guide to establishing new order in your home. “A master class on how to arrange even your most unattractive belongings—and spaces—in an aesthetically pleasing and easy-to-navigate way.”—Glamour (10 Books to Help You Live Your Best Life) Believe this: every single space in your house has the potential to function efficiently and look great. The mishmash of summer and winter clothes in the closet? Yep. Even the dreaded junk drawer? Consider it done. And the best news: it’s not hard to do—in fact, it’s a lot of fun. From the home organizers who made their orderly eye candy the method that everyone swears by comes Joanna and Clea’s signature approach to decluttering. The Home Edit walks you through paring down your belongings in every room, arranging them in a stunning and easy-to-find way (hello, labels!), and maintaining the system so you don’t need another do-over in six months. When you’re done, you’ll not only know exactly where to find things, but you’ll also love the way it looks. A masterclass and look book in one, The Home Edit is filled with bright photographs and detailed tips, from placing plastic dishware in a drawer where little hands can reach to categorizing pantry items by color (there’s nothing like a little ROYGBIV to soothe the soul). Above all, it’s like having your best friends at your side to help you turn the chaos into calm. Includes a link to download and print the labels from a computer (you will need 8-1/2 x 11-inch clear repositionable sticker project paper, such as Avery 4397).

"...the authors provide a detailed review of existing drug policy in the United States and an excellent and thorough review of the effects of both legal and illegal substances. One of the book's outstanding features is its comprehensive coverage of policy regarding legal and non legal drugs...this book is also extremely thought provoking and challenges readers to consider the foundation of their own perspectives on drugs and drug policies." —PSYCCRITQUES Drugs and Drug Policy: The Control of Consciousness Alteration provides a cross-national perspective on the regulation of drug use by examining and critiquing drug policies in the United States and abroad in terms of their scope, goals, and effectiveness. In this engaging text, authors Clayton J. Mosher and Scott Akins discuss the physiological, psychological, and behavioral effects of legal and illicit drugs; the patterns and correlates of use; and theories of the “causes” of drug use.

The study provides an overview of relevant legislation and policy in South Africa, pre- and post-1994, as well as a review of international research that reveals global trends in small media development. It sketches the distribution of the sector in South Africa, revealing the topography of service providers and key stakeholders. The report identifies the interests that are common to small independent and community media groupings and examines ways in which the sustainability of these organisations can be promoted. Providing a range of pertinent data, analysis and information, this study will be invaluable for anyone wishing to engage effectively with the small media sector. The Media Development and Diversity Agency (MDDA) was established to direct funding and support to the small media sector in the interests of deepening South Africa's young

democracy. The principal objective of this study is to assist the MDDA in its important and complex work.
