Read the inspiring words of Pope Francis to discover the transforming power of faith. Drawing on examples of faith from the Old and New Testaments, as well as examples from his own life of faith at work in the world, Pope Francis demonstrates that faith, like hope, is rooted in love. On Faith brings us Pope Francis's encouragement to live our faith as individuals and in community. "True faith is that which makes us more charitable, more merciful, more honest, and more humane. It moves our hearts to

love everyone without counting the cost. It spurs us on to live out a culture of encounter, dialogue, respect, and fraternity." —Pope Francis

God Our Sunday Visitor
Joe Paprocki demystifies the Catholic sacraments and presents them as a way of life to be experienced each day, rather than as standalone events.

Ê A Guide to the Ministries of the Mass Loyola Press One of Publishers Weekly’s Best Books of the Year Winner of the Christopher Award Winner of the Catholic Press Association Book Award WITTY, WRYLY HONEST, AND ALWAYS ORIGINAL, My Life with the Saints is James Martin’s story of how his life has been shaped by some surprising friends—the saints of the Catholic Church. In his modern classic memoir, Martin introduces us to saints throughout history—from St. Peter to Dorothy Day, St. Francis of Assisi to Mother Teresa—and chronicles his lifelong friendships with them.

Filled with fascinating tales, Martin's funny, vibrant, and stirring book invites readers to discover how saints guide us throughout our earthly journeys and how they help each of us find holiness in our own lives. Featuring a new chapter from Martin, this tenth-anniversary edition of the best-selling memoir updates readers about his life over the past ten years. In that time, he has been a New York Times best-selling author, official chaplain of The Colbert Report, and a welcome presence in the media whenever there's a breaking Catholic news story. But he has always remained recognizably himself. John L. Allen, Jr., the acclaimed Catholic journalist, contributes

a foreword that shows how Martin has become one of the wisest and most insightful voices of this era. "An outstanding and often hilarious memoir." —Publishers Weekly "One of the best spiritual memoirs in years." —Robert Ellsberg "Remarkably engaging." —U.S. Catholic "Martin's final word is as Jungian as it is Catholic: God does not want us to be Mother Teresa or Dorothy Day. God wants us to be most fully ourselves." —The Washington Post Book World

My Life with the Saints (10th Anniversary Edition)

Harper Collins
Written specifically for any catechist who is new to the job or has never had any formal training, The

Catechist's Toolbox features an invaluable collection of catechetical tips, techniques, methodologies, and advice. Throughout the book, master teacher Joe Paprocki shares the wisdom he has gleaned in two decades as a catechist, high school teacher, and religious educator. Employing the metaphor of a homeowner's toolbox, Paprocki explains how a new catechist is like a do-it-yourself builder who needs the right collection of tools to do the job; he then explains what the tools are, what they can do, and how to use them skillfully and effectively.  The Pontifical Council for the Promotion of the New Evangelization presents the Directory to guide the proclamation of the Gospel by the Christian faithful to people of all ages and in all seasons of life. The Directory places catechetical instruction and formation of catechetical teachers clearly within the realm of evangelization. It offers guidelines to assist in the creation of local directories and catechisms and clarifies the importance of catechetical renewal in Christian communities. The Directory affirms the presentation of the Catholic faith articulated in the Catechism of the Catholic Church as a sound point of

reference for instruction while drawing deeply from Scripture and the writings of recent popes, especially Pope Francis's *Evangelii Gaudium*. The Directory will also be indispensable for all those responsible for formal religious instruction, including pastors and parish priests, deacons, lay and religious catechists, and religious education teachers.

Take a moment and ask yourself: does

every activity in my parish point more deeply to Jesus? Julianne Stanz wants to help you and your parish community make sure the answer to this question is a resounding, "Yes!" Serving parishes in her diocese as the Director of New Evangelization, Stanz has recognized a practical and motivational way to restructure a parish's mission – start with Jesus. *Start with Jesus* is a book about people, process, and culture, rather than an emphasis on quick fixes or unsustainable efforts. She aims to help regular people be transformed from the inside out by growing in relationship with Jesus Christ through individual and group experiences, thus transforming our parish

communities. Start with Jesus will be an essential resource for decision-makers and thought-leaders in parishes, but its true strength lies in its value for the countless Catholics longing for peace, healing, and hope in the context of our parish communities. It will be an inspiration to Catholics who come to Mass each week, parents trying to instill the faith in their children, leaders searching for an effective and sustainable approach to parish renewal, and to all who are curious about developing a relationship with Jesus.

"With the growing shortage of priests in the United States, a significant number of parishes are being entrusted to religious, deacons, and lay pastoral leaders. Sometimes called parish life coordinators (PLCs), these men and women are bringing new life and purpose to parishes. Drawing on information gathered

from focus groups of bishops and surveys of all identified PLCs in the United States conducted by CARA for the Emerging Models Project, this book explains how the PLC model works, shares best practices from parishes using the model, and offers practical implementation ideas that will help parishes without a priest serve the pastoral needs of their people"--From publisher description.

Nail down the facts, tear down the barriers! The Catechism of the Catholic Church is over nine hundred pages long, so it comes as no surprise that many Catholics think of their faith as complex—and certainly too complex to share with others! A Well-Built Faith—cleverly developed around a construction theme—makes it easy and flat-out fun for any Catholic to know what they believe and to feel confident in sharing those beliefs with others. The eighteen-chapter book—at times profound, at times humorous, always

practical—follows the structure of the four pillars of the Catechism of the Catholic Church (Creed, Sacraments, Morality, and Prayer). Taking otherwise difficult topics about the Catholic faith and making them accessible and relevant to the lives of average Catholics, acclaimed author and teacher Joe Paprocki does so in a way that never compromises the rich depth of Catholic teaching and tradition. From the Trinity to the seven sacraments, from the Ten Commandments to the Lord's Prayer, *A Well-Built Faith* will help Catholics nail down the facts of the faith and tear down the barriers keeping them from sharing their beliefs with others.

Disciples Will Renew the Church Loyola Press

God's call for us doesn't end when we retire. In fact, many of our biblical saints were in their later years before God called them to the adventures for which we know them: leadership, new life, transformation, healing. Their lives demonstrate that true callings are discerned not simply through reason and circumstance but also through self-knowledge and conversation with God. In *Answering God's Call*, spiritual director Barbara Lee uses Scripture-focused prayer to help readers connect with some of our elder saints and consider what God reveals to us through their lives. We will spend time with Anna

and Abram, Simon's mother-in-law and Namaan the Syrian, a widow, a leper, a king, and a late-in-life mother-to-be, among others, who will open for us the calls to trust humility stillness forgiveness service radical change letting go choosing caregiving courage... Sometimes we feel too

overwhelmed to even start, and in other cases deepening our relationship with God seems like one more burden among the many we have from day-to-day. In his latest book, Jansen offers an answer that he calls “microshifting”—small, incremental adjustments to the way we think, act, work, and pray that gradually reshape our deeply rooted patterns. With a blend of masterful storytelling and dozens of practical tips,

MicroShifts suggests simple, small changes across many aspects of our lives—everything from how we greet others, how we sleep, and how we deal with the incessant chatter in our own heads—to generate big results physically, mentally, and spiritually. If you are looking to improve your life in ways that are achievable, sustainable, and potentially life-changing, MicroShifts is a powerful place to begin.
