From Elie Wiesel, a recipient of the Nobel Peace Prize and one of our fiercest moral voices, a provocative and deeply thoughtful new novel about a life shaped by the worst horrors of the twentieth century and one man's attempt to reclaim happiness.

Doriel, a European expatriate living in New York, suffers from a profound sense of desperation and loss. His mother, a member of the Resistance, survived World War II only to die in an accident, together with his father, soon after. Doriel was a child during the war, and his knowledge of the Holocaust is largely limited to what he finds in movies, newsreels, and books—but it is enough. Doriel's parents and their secrets haunt him, leaving him filled with longing but unable to experience the most basic joys in life. He plunges into an intense study of Judaism, but instead of finding solace, he comes to believe that he is possessed by a dybbuk. Surrounded by

ghosts, spurred on by demons, Doriel finally turns to Dr. Thérèse Goldschmidt, a psychoanalyst who finds herself particularly intrigued by her patient. The two enter into an uneasy relationship based on exchange: of dreams, histories, and secrets. Despite Doriel's initial resistance, Dr. Goldschmidt helps to bring him to a crossroads—and to a shocking denouement. In Doriel's journey into the darkest regions of the soul, Elie Wiesel has written one of his most profoundly moving works of fiction, grounded always by his unparalleled moral compass.

November 9th 1938 is

widely seen as a violent turning point in Nazi Germany's assault on the Jews. An estimated 400 Jews lost their lives in the anti-Semitic pogrom and more than 30,000 were imprisoned or sent to concentration camps, where many were brutally mistreated. Thousands more fled their homelands in Germany and Austria, shocked by what they had seen, heard and experienced. What they took with them was not only the pain of saying farewell but also the memory of terrible scenes: attacks by mobs of drunken Nazis, public humiliations, burning synagogues, inhuman conditions in overcrowded prison cells and concentration camp barracks. The

reactions of neighbours and passersby to these barbarities ranged from sympathy and aid to scorn, mockery, and abuse. In 1939 the Harvard sociologist Edward Hartshorne gathered eyewitness accounts of the Kristallnacht from hundreds of Jews who had fled, but Hartshorne joined the Secret Service shortly afterwards and the accounts he gathered were forgotten – until now. These eyewitness testimonies – published here for the first time with a Foreword by Saul Friedländer, the Pulitzer Prize historian and Holocaust survivor – paint a harrowing picture of everyday violence in one of Europe’s darkest moments. This unique and disturbing document will be of

great interest to anyone interested in modern history, Nazi Germany and the historical experience of the Jews.

A powerful and wide-ranging collection of essays, letters, and diary entries that weave together all the periods of the author's life from his childhood in Transylvania to Auschwitz and Buchenwald, Paris, and New York. • "One of the great writers of our generation addresses himself to the question of what it means to be a Jew." —The New Republic Elie Wiesel,

acclaimed as one of the most gifted and sensitive writers of our time, probes, from the particular point of view of his Jewishness, such central moral and political issues as Zionism and the Middle East conflict, Solzhenitsyn and Soviet anti-Semitism, the obligations of American Jews toward Israel, the Holocaust and its cheapening in the media. "Rich in autobiographical, philosophical, moral and historical implications."

Elie Wiesel's Dawn is an eloquent meditation on the compromises,

justifications, and sacrifices that human beings make when they murder other human beings. "The author . . . has built knowledge into artistic fiction." —The New York Times Book Review Elisha is a young Jewish man, a Holocaust survivor, and an Israeli freedom fighter in British-controlled Palestine; John Dawson is the captured English officer he will murder at dawn in retribution for the British execution of a fellow freedom fighter. The night-long wait for morning and death provides Dawn, Elie Wiesel's ever more timely novel, with its harrowingly taut, hour-by-hour narrative. Caught between the manifold horrors of the past and the troubling dilemmas of the

present, Elisha wrestles with guilt, ghosts, and ultimately God as he waits for the appointed hour and his act of assassination. The basis for the 2014 film of the same name, now available on streaming and home video.

From award-winning investigative journalist Kyle Swenson, *Good Kids, Bad City* is the true story of the longest wrongful imprisonment in the

United States to end in exoneration, and a critical social and political history of Cleveland, the city that convicted them. In the early 1970s, three African-American men—Wiley Bridgeman, Kwame Ajamu, and Rickey Jackson—were accused and convicted of the brutal robbery and murder of a man outside of a convenience store in Cleveland, Ohio. The prosecution’s case, which resulted in a combined 106 years in prison for the three men, rested on the more-than-questionable testimony of a pre-teen, Ed Vernon. The actual murderer was never found. Almost four decades later, Vernon recanted his testimony, and Wiley, Kwame, and

Rickey were released. But while their exoneration may have ended one of American history’s most disgraceful miscarriages of justice, the corruption and decay of the city responsible for their imprisonment remain on trial. Interweaving the dramatic details of the case with Cleveland’s history—one that, to this day, is fraught with systemic discrimination and racial tension—Swenson reveals how this outrage occurred and why. *Good Kids, Bad City* is a work of astonishing empathy and insight: an immersive exploration of race in America, the struggling Midwest, and how lost lives can be recovered. *Parallel Journeys* The

In this first volume of his two-volume autobiography, Wiesel takes us from his childhood memories of a traditional and loving Jewish family in the Romanian village of Sighet through the horrors of Auschwitz and Buchenwald and the years of spiritual struggle, to his emergence as a witness for the Holocaust's martyrs and survivors and for the State of Israel, and as a spokesman for humanity. With 16

When you Read Like a Writer (RLW) you work to identify some of the choices the author made so that you can better understand how such choices might

arise in your own writing. The idea is to carefully examine the things you read, looking at the writerly techniques in the text in order to decide if you might want to adopt similar (or the same) techniques in your writing. You are reading to learn about writing. Instead of reading for content or to better understand the ideas in the writing (which you will automatically do to some degree anyway), you are trying to understand how the piece of writing was put together by the author and what you can learn about writing by reading a particular text. As you read in this way, you think about how the choices the author made and the techniques that he/she used are

influencing your own responses as a reader. What is it about the way this text is written that makes you feel and respond the way you do?

The Day of Atonement

Hiroshima is the story of six people—a clerk, a widowed seamstress, a physician, a Methodist minister, a young surgeon, and a German Catholic priest—who lived through the greatest single manmade disaster in history. In vivid and indelible prose, Pulitzer Prize-winner John

Hersey traces the stories of these half-dozen individuals from 8:15 a.m. on August 6, 1945, when Hiroshima was destroyed by the first atomic bomb ever dropped on a city, through the hours and days that followed. Almost four decades after the original publication of this celebrated book, Hersey went back to Hiroshima in search of the people whose stories he had told, and his account of what he discovered is now the eloquent and moving final chapter of Hiroshima.

When a tornado watch is issued one Tuesday evening in June, twelve-year-old Dan Hatch and his best friend, Arthur, don't think much of it. After all, tornado warnings are a way of life during the summer in Grand Island, Nebraska. But soon enough, the wind begins to howl, and the lights and telephone stop working. Then the emergency siren starts to wail. Dan, his baby brother, and Arthur have only seconds to get to the basement

before the monstrous twister is on top of them. Little do they know that even if they do survive the storm, their ordeal will have only just begun. . . . *All Rivers Run to the Sea* Holt McDougal When the Six-Day War began, Elie Wiesel rushed to Israel. "I went to Jerusalem because I had to go somewhere, I had to leave the present and bring it back to the past. You see, the man who came to Jerusalem then came as a beggar, a madman, not believing his eyes and ears, and above all, his memory." This haunting novel takes place in the days following the Six-Day War. A Holocaust survivor visits the newly reunited city of Jerusalem. At the Western Wall he

encounters the beggars and madmen who congregate there every evening, and who force him to confront the ghosts of his past and his ties to the present. Weaving together myth and mystery, parable and paradox, Wiesel bids the reader to join him on a spiritual journey back and forth in time, always returning to Jerusalem.
