enthusiastic experience and complete satisfaction. It is a particular physical contact between the male and female genders of a particular specie. This physical contact involves the inclusion of male sex organ to the female sex organs and allows both to come closer and feel the delights from other's genders body by using their sex organs. More elaborately, the penis inclusion of a man inside the woman's vagina or anal hole, together with kissing, sucking or licking the bodies of the partner to feel him/her special and acknowledged. This physical intercourse doesn't come without any affiliations either personal, relevance or workable. These affiliations are built by continuous meetups, personal acknowledgments, or any other favorable relevance. Talking about sex, the must mention point is the importance of sex life in this modern world. The modern world is a materialistic one. It demands more professionalism, materialism and work approach every time from an individual. As a result, it is compressing the individual's personal life, leaving him or her with no time for his/herself and his/her family. This will sow the seeds of hatred, farness, and weaken the relationships, resulting in separations and divorces like phenomenon. Sex is a real-world alternative to all these problems. It allows the partners or relationship holders to indulge deep in their partners and explore the beauties in between them to grow a healthier relationship and lead a joyous life. This is only possible if a healthy sex life exists between the partners. Sex eases tensions, stresses, relieves discomfort and pain, exercises your body, grows your relationship, tightly bounds you two, brings you close enough to feel your partner and allows both of you to indulge deeply and benefit from your partner. You will find some of the tips on sex positions in the chapters of this book that include: - How to better connect to your partner on more than a physical level for more passionate lovemaking (Emotional and physical intimacy) - The benefits for the couple of the knowledge of sexual positions -

An accessible guide to the changes we can all make—small and large—to rid our lives of disposable plastic and clean up the world's oceans How to Give Up Plastic is a straightforward guide to eliminating plastic from your life. Going room by room through your home and workplace, Greenpeace activist Will McCallum teaches you how to spot disposable plastic items and find plastic-free, sustainable alternatives to each one. From carrying a reusable straw, to catching microfibers when you wash your clothes, to throwing plastic-free parties, you'll learn new and intuitive ways to reduce plastic waste. And by arming you with a wealth of facts about global plastic consumption and anecdotes from activists fighting plastic around the world, you'll also learn how to advocate to businesses and leaders in your community and across the country to commit to eliminating disposable plastics for good. It takes 450 years for a plastic bottle to fully biodegrade, and there are around 12.7 million tons of plastic entering the ocean each year. At our current pace, in the year 2050 there could be more plastic in the oceans than fish, by weight. These are alarming figures, but plastic pollution is an environmental crisis with a solution we can all contribute to.
