HORTON MICHAEL

The Modern Homesteader's Guide to Keeping Geese New Society Publishers
This one-of-a-kind encyclopedia shines a spotlight on more than 200 animals and their wondrous fleece. Profiling a worldwide array of fiber-producers that includes northern Africa's dromedary camel, the Navajo churro, and the Tasmanian merino, Carol Ekarius and Deborah Robson include photographs of each animal's fleece at every stage of the handcrafting process, from raw to cleaned, spun, and woven. The Fleece & Fiber Sourcebook is an

artist's handbook, travel guide, and spinning enthusiast's ultimate reference source all in one.

Storey's Guide to Raising Pigs, 4th Edition

Storey Kids
How to raise rabbits for a steady source of meat and income
Rabbits are one of the most sustainable, nutritious, and economic meat sources available. They can easily be raised in a variety of locations and climates, and require less space and infrastructure than many other species of livestock. Raising Rabbits for Meat is the how-to guide to help you succeed in starting and running a home rabbitry for a steady source of meat or income. Coverage includes: The history of the domestic rabbit

Information on breeding, housing, and harvesting Tools to help you succeed with your program An emphasis on heritage breeds. Raising Rabbits for Meat provides a solid foundation for success in raising rabbits and is ideal for anyone interested in starting a small rabbitry for home use or to market rabbit meat as a business opportunity.

Storey's Guide to Raising Dairy Goats, 5th Edition

Agriculture Canada Rabbits are the third-most popular pet in the United States and have also earned significant farming and commercial followings: fiber enthusiasts love angora for its light-weight warmth, and chefs are serving up increasing amounts of

their high-protein, low-fat meat. In Rabbit Breeds, photographer Lynn M. Stone spotlights all 49 breeds recognized by the American Rabbit Breeders Association with adorable original photos, engaging descriptions, and fun facts. This handsome and educational guide is sure to inform and bring a smile to the face of rabbit fanciers and general animal lovers alike.

Raising Pastured Rabbits for Meat

Storey Kids Raise your rabbit the right way! Friendly and easy to care for, rabbits make ideal family pets. But how do you keep a pet rabbit happy and healthy? How can you tell if your rabbit is sick? What would you do if it were? Raising a

Healthy Rabbit explains all the essentials of caring for a rabbit, including choosing a rabbit for adoption, the proper way to pick up and carry a rabbit, and setting up the best housing. It also includes vital information on supplying proper nutrition (including when, what, and how much to feed your pet); performing daily, weekly, and monthly health care checks; recognizing and treating common health problems; and stocking a rabbit first-aid kit.

Storey's Guide to Raising Ducks, 2nd Edition Lerner

Publications

Are you and your family self-reliant? Will you be able to provide for them and keep

them safe? The best way to prepare for the future is not through fancy tools and gadgets—it's experience and knowledge that will best equip you to handle the unexpected. Everyone begins somewhere, especially with disaster preparedness. In 52 Prepper's Projects, you'll find a project for every week of the year, designed to start you off with the foundations of disaster preparedness and taking you through a variety of projects that will increase your knowledge in self-reliance and help you acquire the actual know-how to prepare for anything. Self-reliance isn't about building a bunker and waiting for the end of the world. It's about

understanding the necessities in life and gaining the knowledge and skill sets that will make you better prepared for whatever life throws your way. 52 Prepper's Projects is the ultimate instructional guide to preparedness, and a must-have book for those with their eye on the future.

How to Raise Rabbits

Storey's Guide to Raising Rabbits, 5th Edition Createspace Independent Publishing Platform

The fifth edition of this best-selling handbook features the same detailed approach that has made it the trusted source for raising healthy, productive rabbits — plus a total redesign with color photos and graphics. Whether you're interested in raising rabbits for show, meat, fur, or as pets, this comprehensive guide offers expert advice on breed selection, housing, feeding, humane handling, and more. In addition, author Bob Bennett includes the most up-to-date information on

preventive health care, treating diseases, marketing, and showing.

How to Breed a

Rabbit Storey

Publishing, LLC

Presents an overview on rabbits, and offers advice on buying, raising, caring, marketing, and showing them.

Cottontail Rabbits

Voyageur Press

This best-selling handbook is packed with detailed information on housing, feeding, and fencing dairy goats. It's been the trusted resource on the topic for farmers and homesteaders since it was originally published in 1975, and the new edition — completely updated and redesigned — makes Storey's Guide to Raising Dairy Goats

more comprehensive and accessible than ever. In-depth sections explain every aspect of milking, including necessary equipment, proper hand-milking techniques, and handling and storing the milk. New color illustrations show each stage of kidding, and substantial chapters on dairy goat health and breeding include the most up-to-date research and practices.

Raising Rabbits

Storey Publishing, LLC

Gail Damerow shows you how to incubate, hatch, and brood baby chickens, ducklings, goslings, turkey poults, and guinea keets. With advice on everything from selecting a breed and choosing the best incubator to feeding and caring for newborn chicks in a brooder, this comprehensive

guide also covers issues like embryo development, panting chicks, and a variety of common birth defects. Whether you want to hatch three eggs or one hundred, you'll find all the information you need to make your poultry-raising operation a success.

Raising Meat Rabbits

John Wiley & Sons
Raise a gaggle of geese, the unsung heroes of the small farm While chickens preen in the spotlight, geese are the historic unsung heroes of small farms and homesteads. Providing weed control, large eggs, and entertainment, and acting as "security" over other animals, geese are the ultimate modern homesteading companion. The Modern Homesteader's Guide to Keeping

Geese covers everything you need to know to raise geese, including: Profiles of breeds and how to select the best one for your needs How to "imprint" goslings on a person Feeding, housing, animal health, and cold weather care Using geese for weed control, soil improvement, and as "watch-geese" Cooking with goose eggs and meat Additional coverage includes a look at the rich history of geese on farms in North America and Europe that will enhance any goose keeper's enjoyment of these intelligent and unique birds. This practical guide is a must-have essential for the kitchen table of homesteaders, small farmers, permaculturists, and

professional farmers looking to add the power of geese to their land.

Storey's Guide to Raising Sheep Storey Publishing, LLC

Create a safe, sanitary, and efficient home for your rabbits. In this informative guide, Bob Bennett provides clear step-by-step instructions for building attractive all-wire hutches of all sizes, with additional tips for adding the necessary accessories like feeders, watering systems, nest boxes, and fencing. From the direction a hutch door should swing to proper ventilation and protection from predators, Bennett covers everything you need to know to create a housing structure that will help promote a healthy and

productive rabbit-raising operation.

Your Rabbit Storey Publishing, LLC

In this freshly updated third edition of *How to Raise Rabbits*, you'll find practical advice for raising any number of rabbits in any environment—rural or urban, one rabbit or twenty. Brother-sister writing duo Daniel and Samantha Johnson expertly walk readers through all the basics on breed types, housing and food requirements, shows, kit care, and general healthcare for the rabbit. Rabbits are wonderful animals to raise, whether as pets or as livestock on a farm. They are especially great as starter animals for children who participate in rabbit shows. Before you

embark on owning one of these lovable critters, however, there's a lot you need to know—for instance, which of the forty-seven rabbit breeds is best for you? Licensed by the Future Farmers of America, the guidebooks in our acclaimed How to Raise series have helped countless first-time animal owners across the United States confidently care for their new companions. With clear and informative instructions, fully illustrated with beautiful how-to photography, *How to Raise Rabbits* continues to be an essential primer for the newcomer to rabbit care and a classic on any rabbit lover's bookshelf.

Storey's Guide to

Raising Dairy Goats

Rabbit Housing

Createspace

Independent Publishing Platform

For 17 years readers have turned to Storey Books for advice on raising animals. Our Modern Way series of six books has sold more than 1,000,000 copies. In an effort to provide readers with

the best how-to animal books on the market we are completely updating all six Modern Way titles and reintroducing them as part of our Guide to Raising series. Written by experts, these guides give novice and experienced livestock farmers all they need to know to successfully keep and profit from animals. Each book includes information on selection, housing, space requirements, breeding and birthing techniques, feeding, behavior, and health concerns and remedies for illness. The books also address the business of raising animals -- processing meat, milk, eggs, and more. The authors were chosen not only for their expertise but also for their ability to explain the ins and

outs of animal husbandry in an inviting and authoritative manner. Whether readers are ready to start an entire herd or flock or are considering purchasing their first animal, Storey's Guide to Raising series offers vital information; each book is an indispensable reference.
