An overview of the key themes and messages of the book of Luke are offered in this Bible study, Luke: The Good News of God's Mercy. The overriding message of the book of Luke, that God has acted through Jesus Christ to meet our deepest needs, encourages us to welcome God's actions throughout our lives and, in turn, to go out and offer God's mercy to the world around us. A Guided Discovery of the Bible The Bible invites us to explore God's word and reflect on how we might respond to it. To do this, we need guidance and the right tools for discovery. The Six Weeks with the Bible series of Bible discussion guides offers both in a concise six-week format. Whether focusing on a specific biblical book or exploring a theme that runs throughout the Bible, these practical guides in this series provide meaningful insights that explain Scripture while helping readers make connections to their own lives. Each guide is faithful to Church teaching and is guided by sound biblical scholarship presents the insights of Church fathers and saints includes questions for discussion and reflection delivers information in a reader-friendly format gives suggestions for prayer that help readers respond to God's word appeals to beginners as well as to advanced students of the Bible By reading Scripture, reflecting on its deeper meanings, and incorporating it into our daily life, we can grow not only in our understanding of God's word, but also in our relationship with God."

In a rousing account of one of the critical turning points in American history, *Through the Perilous Fight* tells the gripping story of the burning of Washington and the improbable last stand at Baltimore that helped save the nation and inspired its National Anthem. In the summer of 1814, the United States of America teetered on the brink of disaster. The war it had declared against Great Britain two years earlier appeared headed toward inglorious American defeat. The young nation's most implacable nemesis, the ruthless British Admiral George Cockburn, launched an invasion of Washington in a daring attempt to decapitate the government and crush the American spirit. The British succeeded spectacularly, burning down most of the city's landmarks—including the White House and the Capitol—and driving President James Madison from the area. As looters ransacked federal buildings and panic gripped the citizens of Washington, beleaguered American forces were forced to regroup for a last-ditch defense of Baltimore. The outcome of that "perilous fight" would help change the outcome of the war—and with it, the fate of the fledgling American republic. In a fast-paced, character-driven narrative, Steve Vogel tells the story of this titanic struggle from the perspective of both sides. Like an epic novel, *Through the Perilous Fight* abounds with heroes, villains, and astounding feats of derring-do. The vindictive Cockburn emerges from these pages as a pioneer in the art of total warfare, ordering his men to "knock down, burn, and destroy" everything in their path. While President Madison dithers on how to protect the capital, Secretary of State James Monroe personally organizes the American defenses, with disastrous results. Meanwhile, a prominent Washington lawyer named Francis Scott Key embarks on a mission of mercy to negotiate the release of an American prisoner. His journey will place him with the British fleet during the climactic Battle for Baltimore, and culminate in the creation of one of the most enduring compositions in the annals of patriotic song: "The Star-Spangled Banner." Like Pearl Harbor or 9/11, the burning of Washington was a devastating national tragedy that ultimately united America and renewed its sense of purpose. *Through the Perilous Fight* combines bravura storytelling with brilliantly rendered character sketches to recreate the thrilling six-week period when Americans rallied from the ashes to overcome their oldest adversary—and win themselves a new birth of freedom. Praise for *Through the Perilous Fight* "Very fine storytelling, impeccably researched . . . brings to life the fraught events of 1814 with compelling and convincing vigor."—Rick Atkinson, Pulitzer Prize-winning author of *An Army at Dawn* "Probably the best piece of military history that I have read or reviewed in the past five years. . . . This well-researched and superbly written history has all the trappings of a good novel. . . . No one who hears the national anthem at a ballgame will ever think of it the same way after reading this book."—Gary Anderson, *The Washington Times* "[Steve] Vogel does a superb job. . . . [A] fast-paced narrative with lively vignettes."—Joyce Appleby, *The Washington Post* "Before 9/11 was 1814, the year the enemy burned the nation's capital. . . . A splendid account of the uncertainty, the peril, and the valor of those days."—Richard Brookhiser, author of *James Madison* "A swift, vibrant account of the accidents, intricacies and insanities of war."—Kirkus Reviews

[The Hawthorne Legacy](#) Little, Brown Books for Young Readers

The #1 New York Times bestseller and a USA Today bestseller! Intrigue, riches, and romance abound in this thrilling sequel to the beloved, bestselling *The Inheritance Games*. The Inheritance Games ended with a bombshell, and now heiress Avery Grambs has to pick up the pieces and find the man who might hold the answers to all of her questions—including why Tobias Hawthorne left his entire fortune to Avery, a virtual stranger, rather than to his own daughters or grandsons. Thanks to a DNA test, Avery knows that she's not a Hawthorne by blood, but clues pile up hinting at a deeper connection to the family than she had ever imagined. As the mystery grows and the plot thickens, Grayson and Jameson, two of the enigmatic and magnetic Hawthorne grandsons, continue

to pull Avery in different directions. And there are threats lurking around every corner, as adversaries emerge who will stop at nothing to see Avery out of the picture—by any means necessary. With nonstop action, aspirational jet-setting, Knives Out-like family intrigue, swoonworthy romance, and billions of dollars hanging in the balance, *The Hawthorne Legacy* will have you racing through the pages.

[Through the Perilous Fight](#) Entangled: Amara

*The Dakota War* (1862) was a searing event in Minnesota history as well as a signal event in the lives of Dakota people. Sarah F. Wakefield was caught up in this revolt. A young doctor's wife and the mother of two small children, Wakefield published her unusual account of the war and her captivity shortly after the hanging of thirty-eight Dakotas accused of participation in the "Sioux uprising." Among those hanged were Chaska (We-Chank-Wash-ta-don-pee), a Mdewakanton Dakota who had protected her and her children during the upheaval. In a distinctive and compelling voice, Wakefield blames the government for the war and then relates her and her family's ordeal, as well as Chaska's and his family's help and ultimate sacrifice. This is the first fully annotated modern edition of *Six Weeks in the Sioux Tepees*. June Namias's extensive introduction and notes describe the historical and ethnographic background of Dakota-white relations in Minnesota and place Wakefield's narrative in the context of other captivity narratives.

[Writing Your Journal Article in Twelve Weeks](#) Houghton Mifflin Harcourt

In this international bestseller, a "twisty tale of secrets and lies that reverberate across generations of a dysfunctional family" (Michele Campbell, author of *The Wife Who Knew Too Much*), a woman diagnosed with cancer sets out to discover if someone poisoned her before her time is up. Jennifer Barnes never expected the shocking news she received at a routine doctor's appointment: she has a terminal brain tumor—and only six weeks left to live. While stunned by the diagnosis, the forty-eight-year-old mother decides to spend what little time she has left with her family—her adult triplets and twin grandsons—close by her side. But when she realizes she was possibly poisoned a year earlier, she's determined to discover who might have tried to get rid of her before she's gone for good. Separated from her husband and with a contentious divorce in progress, Jennifer focuses her suspicions on her soon-to-be ex. Meanwhile, her daughters are each processing the news differently. Calm medical student Emily is there for whatever Jennifer needs. Moody scientist Aline, who keeps her mother at arm's length, nonetheless agrees to help with the investigation. Even imprudent Miranda, who has recently had to move back home, is being unusually solicitous. But with her daughters doubting her campaign against their father, Jennifer can't help but wonder if the poisoning is all in her head—or if there's someone else who wanted her dead. "Part whodunnit, part family drama, this textured and utterly spellbinding story unravels in surprising ways you won't see coming" (Christina McDonald, USA TODAY bestselling author).

Your student benefits from this Spelling Homework Journal in several ways. First, after their teacher delivers their weekly spelling assignment (for the upcoming spelling test) students will have a designated place to practice writing (journaling) their spelling words each week; parents can easily keep track of their child's progress, and they will have a permanent record of their assignments and what they've learned throughout the year. The 320 page Journal includes blank sheets on which the student can practice writing their spelling words daily. Each week of school is numbered and includes sheets enough for the student to write their spelling words 4 consecutive days a week. Additionally, the book includes a fun activity on each page that your child will look forward to completing. The activity is designed to build anticipation of the next day's practice session. This Journal is available for grades 1 through 7. Parents have reported to us that their child experienced an immediate improvement in their spelling scores once they began consistently using this hassle free spelling journal. Go ahead and click the "Add to Cart" button and give your child the tool they need to learn both spelling and good study skills.

**The Amazing Nutrient-Rich Program for Fast and Sustained Weight Loss** Center for Responsive Schools Incorporated

"Often fresh out of school, still with their recent Latin lessons fresh in their minds, many junior officers in the First World War went straight from being prefects to having to lead their men in a charge over the top, knowing that the German machine guns would be trained on the man at the front, knowing that so many of their predecessors had fallen before them. In this remarkable book, John Lewis-Stempel focuses on the oft-overlooked men who were crucial to Britain's war effort, the men who had to persuade the ordinary Tommy to follow them into action. Basing his account on a huge range of first person accounts, including poignant letters and diaries sent home or back to their school, Lewis-Stempel reveals what motivated these men who faced an average life expectancy of just six weeks once they reached the frontline. He shows the life they led in the trenches, how they sought to keep up the spirits of their men, and how they tried to behave with honour in a world where their codes of conduct were being quite literally shot to pieces."--Publisher's description.

*Six Weeks to Words of Power* Anchor

The mega-bestseller with more than 2 million readers, soon to be a major television series From the #1 New York Times-bestselling author of *The Lincoln Highway* and *Rules of Civility*, a beautifully transporting novel about a man who is ordered to spend the rest of his life inside a luxury hotel In 1922, Count Alexander Rostov is deemed an unrepentant aristocrat by a Bolshevik tribunal, and is sentenced to house arrest in the Metropol, a grand hotel across the street from the Kremlin. Rostov, an indomitable man of erudition and wit, has never worked a day in his life, and must now live in an attic room while some of the most tumultuous decades in Russian history are unfolding outside the hotel's doors. Unexpectedly, his reduced circumstances provide him entry into a much larger world of emotional discovery. Brimming with humor, a glittering cast of characters, and one beautifully rendered scene after another, this singular novel casts a spell as it relates the count's endeavor to gain a deeper understanding of what it means to be a man of purpose.

*Six Weeks to Words of Power. (2nd Printing.)*. Random House

A guidebook for K-6 teachers offers tips for structuring the first six weeks of school to provide a foundation for a productive year of learning.
