Discover and create a dynamic new model for growing your business by connecting with customers outside your usual field of view Do you think you know your ideal customer? Think again. Many businesses create an ideal consumer profile—aiming all their sales and marketing efforts towards this single type of person—and end up missing out on endless opportunities to sell their services or products. Award-winning business coach, speaker and author Pamela Slim has helped thousands of entrepreneurs around the world start, sustain, and scale their businesses. In *The Widest Net*, she explains how to build strong diverse relationships, identify and connect with

new partners, expand markets, generate leads, and find new customers in places you may never have considered. Social media is a valuable business tool, but it can often create a comfortable cocoon for entrepreneurs, marketers, and leaders who all need to understand the entirety of the marketplace, not just their own social graph. With this book as a guide, you'll learn how to connect with potential clients and customers using the true breadth of the marketplace, which she calls an ecosystem of living connections. *The Widest Net* shows how to: Search outside your own lens/bias/routine/history to target ideal customers. Attract the interest and attention of new leads by learning

more about them authentically. Develop products and services suited to these customers. Sell through a trusted reciprocity framework where your customers become part of your ecosystem and you each help the other grow. Build and sustain loyalty and trust with new customers. Nurture a diverse and resilient customer base by identifying and adjusting to the ideal customer target over time.

The Surprising Path to Purpose, Connection, and Fulfillment Baker Books
The next step in personal effectiveness, by the acclaimed author of *The Accidental Creative* and *Die Empty*. There has never been a better time to build an audience around your idea or product. But with so many people and companies clamoring for attention, it's also more challenging than ever to do work that deeply resonates with the marketplace and creates true and lasting impact. According to Todd Henry, the key to standing apart from the noise is to find your unique voice. Those who identify and develop their voices will gain more attention and wield more influence. But first they have to identify what they truly stand for, develop a compelling

vision, and become masters of expressing their ideas in whatever media they choose. Henry offers strategies, exercises, and true stories that illustrate the five attributes of resonant work: • **Authenticity:** Uncover the narratives that are at the core of your personal and professional identity. • **Uniqueness:** Identify what makes your work distinct from that of others, and learn to creatively package and present your message. • **Consonance:** Cultivate internal consistency and harmony in your work. • **Empathy:** Listen to your audience's aspirations and struggles to make your message more compelling. • **Timing:** Learn how to coordinate your work with ideas that already have cultural momentum. Making your work speak is a life-long process of trial, error, and realignment. Henry's book will help readers build a body of work that resonates deeply and achieves lasting impact.

The Accidental Creative Penguin
Life is not what you get out of it . . . it's what you put back in. Yet our current means for summarizing life's work, from resumes to salaries, are devoid of what matters most. This is why the work we do is often bad for our wellbeing, when it should be making us happier and healthier. What are the most meaningful contributions we can make? This is Life's Great Question. Life is about what you do that improves the world around you. It is about investing in the development of other people. And it is about efforts that will continue to grow when you are gone. Life's Great Question will show you how to make your work and life more meaningful,

and greatly boost your wellbeing. In this remarkably quick read, author Tom Rath describes how finding your greatest contribution is far more effective than following talent or passion alone. More than a book, each copy includes a code for an online program that identifies the most significant contributions you can make. This deeply practical book will alter how you look at your work and change the way you live each day.

Mastering the Transition from Talent to Leader Createspace Independent Publishing Platform

A life lesson that all parents want their children to learn: It's OK to make a mistake. In fact, hooray for mistakes! A mistake is an adventure in creativity, a portal of discovery. A spill doesn't ruin a drawing—not when it becomes the shape of a goofy animal. And an accidental tear in your paper? Don't be upset about it when you can turn it into the roaring mouth of an alligator. An award winning, best-selling, one-of-a-kind interactive book, *Beautiful Oops!* shows young readers how every mistake is an opportunity to make something beautiful. A singular work of imagination, creativity,

and paper engineering, *Beautiful Oops!* is filled with pop-ups, lift-the-flaps, tears, holes, overlays, bends, smudges, and even an accordion "telescope"—each demonstrating the magical transformation from blunder to wonder.

Aged emperor Thelden III Arrigar's last days are approaching and the Empire's leaders are taking sides in a struggle for power between rival heirs. Blood runs in the streets and the nights are thick with intrigue. Drake Arrigar, bastard prince and half-blooded sorcerer. Darius of Lorraddon, foreign-born Initiate of a holy order of warriors sworn to the Empire. Leasha, senior maiden and chief spy for the Emperor's daughter. These three unlikely friends must navigate the coming storms as plots, violence, and unholy barbarians tear their lives apart. Their trials, failures, and triumphs will have far-reaching consequences, for their people and for their own futures.

Brains on Fire The Accidental Creative How to Be Brilliant at a Moment's Notice From Mike Michalowicz, bestselling author of *Profit First*, *Clockwork*, and *Fix This*

Next, a practical and proven guide to standing out in a crowded market. Many business owners are frustrated because they feel invisible in a crowded marketplace. They know they are better than their competitors, but when they focus on that fact, they get little in return. That's because, to customers, better is not actually better. Different is better. And those who market differently, win. In his new marketing book, Mike Michalowicz offers a proven, no-bullsh*t method to position your business, service, or brand to get noticed, attract the best prospects, and convert those opportunities into sales. Told with the same humor and straight-talk that's gained Michalowicz an army of ardent followers, with actionable insights drawn from stories of real life entrepreneurs, this book lays out a simple, doable system based on three critical questions every entrepreneur and business owner must ask about their marketing: 1. Does it differentiate? 2. Does it attract? 3. Does it direct? *Get Different* is a game-changer for everyone who struggles to grow because their brand, message, product or service doesn't stand out and connect with

customers--the long-anticipated answer to the defining business challenge of our time.

Introduction to Applied Creative Thinking
Createspace Independent Publishing Platform

Forty-five-year-old Walter Baker, recently divorced and downsized out of his airline pilot job, has elected to enter 'the wilderness, ' physically and metaphorically, to review and reinvent his life. The wilderness he finds is far less idyllic than he had hoped. Even before he can move into an isolated cabin near Klamath Falls, Oregon, he meets an attractive widow with a troubled past and a mental health counselor disguised as a fishing guide, both of whom immediately insinuate themselves into his life. Next he learns that his landlord neighbors are hiding out in the U.S. Federal Witness Security Program, and that a new group of Muslims has taken up residence at a nearby ranch that had been a jihad training center in 1999. This diverse cast, plus a contingent from the 'Jefferson State Militia, ' eventually converges in Walter's front yard, where he is thrust into the role of peacemaker. The outcome is a surprise

for all parties concerned. Scattered throughout the story are 'educational interludes' in which Walter encounters a fiery fundamentalist preacher, a congenial Sufi, an aggressive nymphomaniac, a psychic duck, and various other local characters as he investigates interests such as fly fishing, Islam, New Thought, mid-life transitions, non-violence, vipassana meditation, and the local history of Klamath County, Oregon.

The Simple Habit That Expands Your Influence and Boosts Your Career Sounds True

"A must-read for anyone interested in moving from inspiration to action." —Cal Newport, author of *So Good They Can't Ignore You* Most of us fill our days with frantic activity, bouncing from task to task, scrambling to make deadlines and chase the next promotion. But by the end of each day we're often left wondering if any of it really mattered. We feel the ticking of the clock, but we're unsure of the path forward. *Die Empty* is a tool for people who aren't willing to put off their most important work for another day. Todd Henry explains the forces that lead to stagnation and introduces practices that

will keep you on a true and steady course. The key is embracing the idea that time is finite, so you should focus on the unique contribution to the world that only you can make. Henry shows how to sustain your enthusiasm, push through mental barriers, and unleash your best work each day.

Read to Lead Penguin

A practical handbook for every manager charged with leading teams to creative brilliance, from the author of *The Accidental Creative* and *Die Empty*. Doing the work and leading the work are very different things. When you make the transition from maker to manager, you give ownership of projects to your team even though you could do them yourself better and faster. You're juggling expectations from your manager, who wants consistent, predictable output from an inherently unpredictable creative process. And you're managing the pushback from your team of brilliant, headstrong, and possibly overqualified creatives. Leading talented, creative people requires a different skill set than the one many management books offer. As a consultant to creative companies, Todd Henry knows firsthand what prevents

creative leaders from guiding their teams to success, and in *Herding Tigers* he provides a bold new blueprint to help you be the leader your team needs. Learn to lead by influence instead of control. Discover how to create a stable culture that empowers your team to take bold creative risks. And learn how to fight to protect the time, energy, and resources they need to do their best work. Full of stories and practical advice, *Herding Tigers* will give you the confidence and the skills to foster an environment where clients, management, and employees have a product they can be proud of and a process that works.

How to Be Brilliant at a Moments Notice

Have better ideas, faster, without the stress and burnout. It isn't enough to just do your job anymore. In order to thrive in today's marketplace, all of us—even the accountants—have to be ready to generate brilliant ideas on demand. Business creativity expert Todd Henry explains how to establish effective practices that unleash your creative potential. Born out of his consultancy and his popular

podcast, Henry has created a practical method for discovering your personal creative rhythm. He focuses on five key elements: •Focus: Begin with your end goal in mind. •Relationships: Build stimulating relationships and ideas will follow. •Energy: Manage it as your most valuable resource. •Stimuli: Structure the right "inputs" to maximize creative output. •Hours: Focus on effectiveness, not efficiency. This is a guide for staying inspired and experiencing greater creative productivity than you ever imagined possible.

A funny paranormal romance with magic North Audley Media

Winky Studmire is the first children's fiction series ever to share its illustrations with readers "before" it is published; the main character is posting real photos, videos, and comments on his Facebook page ([facebook.com/WinkyStudmire](https://www.facebook.com/WinkyStudmire)) as the plot of each book unfolds in real-time from now through November 2013. This once-in-a-lifetime book event is possible because author G.T. Wiley spent 30 years developing the stories, the fictional town of Mystic Bay, and its quirky characters. Only this rare and unparalleled level of

dedication could sustain eight full-length novels and over eight months of live-blogging. You can be a part of this historic literary event by "liking" Winky on Facebook at [facebook.com/WinkyStudmire](https://www.facebook.com/WinkyStudmire). In Book 1 of the "*Winky Studmire*" series, a massive lightning storm is getting ready to strike the tiny tourist town of Mystic Bay. Eleven-year-old gifted student, Winky Studmire, is working on his entry for the Mystic Bay Electric Car Competition, never suspecting that he and his pal, Slick Parker, are about to become the world's first time travelers. Can Winky repair the accidental time machine before the boys end up as fossils in the Mystic Bay Museum?

Harness the Power of Your Authentic Voice
Penguin

Develop and harness a powerful, sustainable word-of-mouth movement. How did the 360-year-old scissor company, Fiskars, double its profit in key markets just by realizing its customers had already formed a community of avid scrapbookers? How is Best Buy planning to dominate the musical instruments market? By understanding the Brains on Fire model of tapping movements and stepping away

from the old-school marketing "campaign" mentality. Brains on Fire offers original, practical and actionable steps for creating a word-of-mouth movement for corporations, products, services, and organizations. It takes you step-by-step through the necessary actions needed to start your own authentic movement. Develop and harness a powerful, sustainable, word-of-mouth movement Describes 10 lessons to master and create a powerful, sustainable movement The Brains on Fire blog is often ranked in the top 100 of AdAge's Power 150 Marketing Blogs

Penguin

Welcome to the Age of Creatives, where more and more makers, designers, writers, and artists are in demand. Learn how to succeed at managing other

creatives ... once you understand the new strategies and mindset that are required. For creators, getting that promotion to management is exciting but can also be scary. The skills that made them so successful may not translate to the skill required to be a great manager, and this gets even more complicated when managing other creatives who often don't thrive under traditional management procedures. Creative Directions is a management masterclass in which readers attend lectures and seminars as they learn from some of the best in the business, including directors Ava DuVernay (When They See Us) and Joe Russo (Avengers: Endgame); two-time Academy Award-winning editor Angus Wall (The Social Network); executive producers from hit TV shows like The Simpsons and GLOW; and creative directors and leaders at businesses like Amazon, Apple, Disney, TikTok, and more. All of these lessons are provided in an attractive, easily accessible format so that readers can open the book to any page and find some actionable or inspirational insight or strategy. Readers will: Receive essential guidance on how to master the delicate balance required to

successfully lead a creative team, like how to relinquish control while keeping the focus where it needs to be. Learn from star creative leaders in the entertainment industry on essential lessons they learned on their path to success. Gain insights on how to balance mastering the new skills you need as a leader with finding the time and energy to focus on the creative work you love. Enjoy the snackable, easy-reference format that makes the lessons easy to implement and apply.
