HOPE MARISA

Pregnancy Sucks St. Martin's Griffin

What's being widely regarded as "one of the most life changing books ever written" may be the simplest approach to achieving everything you've ever wanted, and faster than you ever thought possible. What if you could wake up tomorrow and any-or EVERY-area of your life was beginning to transform? What would you change? The Miracle Morning is already transforming the lives of tens of thousands of people around the world by showing them how to wake up each day with more ENERGY, MOTIVATION, and FOCUS to take your life to the next level. It's been right here in front of us all along, but this book has finally brought it to life. Are you ready? The next chapter of YOUR life—the most extraordinary life you've ever imagined—is about to begin. It's time to WAKE UP to your full potential...

A Course in Miracles Made Easy Harmony

NAMED A BEST BOOK OF 2018 BY NPR AND THE NEW YORK TIMES A PBS NEWSHOUR-NEW YORK TIMES BOOK CLUB PICK "Somehow Casey Gerald has pulled off the most urgently political, most deeply personal, and most engagingly spiritual statement of our time by just looking outside his window and inside himself. Extraordinary." —Marlon James "Staccato prose and peripatetic storytelling combine the cadences of the Bible with an urgency reminiscent of James Baldwin in this powerfully emotional memoir." —BookPage The testament of a boy and a generation who came of age as the world came apart—a generation searching for a new way to live. Casey Gerald comes to our fractured times as a uniquely visionary witness whose life has spanned seemingly unbridgeable divides. His story begins at the end of the world: Dallas, New Year's Eve 1999, when he gathers with the congregation of his grandfather's black evangelical church to see which of them will be carried off. His beautiful, fragile mother disappears frequently and mysteriously; for a brief idyll, he and his sister live like Boxcar Children on her disability checks. When Casey—following in the footsteps of his father, a gridiron legend who literally broke his back for the team—is recruited to play football at Yale, he enters a world he's never dreamed of, the anteroom to secret societies and success on Wall Street, in Washington, and beyond. But even as he attains the inner sanctums of power, Casey sees how the world crushes those who live at its margins. He sees how the elite perpetuate the salvation stories that keep others from rising. And he sees, most painfully, how his own ascension is part of the scheme. There Will Be No Miracles Here has the arc of a classic rags-to-riches tale, but it stands the American Dream narrative on its head. If to live as we are is destroying us, it asks, what would it mean to truly live? Intense, incantatory, shot through with sly humor and quiet fury, There Will Be No Miracles Here inspires us to question—even shatter—and reimagine our most cherished myths.

Miracle Celebrity Books

An account of the acclaimed actor's Hollywood career and struggles with methamphetamine addiction covers his Detroit background, his relationships with various co-stars, and his experiences as a father of twin boys.

Miracle Morning Millionaires Penguin

NEW YORK TIMES BESTSELLER The complete, uncensored history of the award-winning The Daily Show with Jon Stewart, as told by its correspondents, writers, and host. For almost seventeen years, The Daily Show with Jon Stewart brilliantly redefined the borders between television comedy, political satire, and opinionated news coverage. It launched the careers of some of today's most significant comedians, highlighted the hypocrisies of the powerful, and garnered 23 Emmys. Now the show's behind-the-scenes gags, controversies, and camaraderie will be chronicled by the players themselves, from legendary host Jon Stewart to the star cast members and writers—including Samantha Bee, Stephen Colbert, John Oliver, and Steve Carell - plus some of The Daily Show's most prominent guests and adversaries: John and Cindy McCain, Glenn Beck, Tucker Carlson, and many more. This oral history takes the reader behind the curtain for all the show's highlights, from its origins as Comedy Central's underdog late-night program to Trevor Noah's succession, rising from a scrappy jester in the 24-hour political news cycle to become part of the beating heart of politics—a trusted source for not only comedy but also commentary, with a reputation for calling bullshit and an ability to effect real change in the world. Through years of incisive election coverage, passionate debates with President Obama and Hillary Clinton, feuds with Bill O'Reilly and Fox, and provocative takes on Wall Street and racism, The Daily Show has been a cultural touchstone. Now, for the first time, the people behind the show's seminal moments come together to share their memories of the last-minute rewrites, improvisations, pranks, romances, blow-ups, and moments of Zen both on and off the set of one of America's most groundbreaking shows.

The Fatherhood Miracle Macmillan

The incredible true story of former Navy SEAL Mike Day, who survived being shot twenty-seven times while deployed in Iraq. On the night of April 6, 2007, in Iraq's Anbar Province, Senior Chief Mike Day, his team of Navy SEALs, and a group of Iraqi scouts were on the hunt for a high-level al Qaeda cell. Day was the first to enter a 12x12 room where four terrorist leaders were waiting in ambush. When the gunfight was over, he took out all four terrorists in the room, but not before being shot twenty-seven times and hit with grenade shrapnel. Miraculously, Day cleared the rest of the house and rescued six women and children before walking out on his own to an awaiting helicopter, which flew him to safety. While in the hospital, the Navy SEAL lost fifty-five pounds in two weeks. It took almost two years for Day to physically recover from his injuries, although he still deals with pain. Like so many veterans, doctors diagnosed Day with Post Traumatic Stress Disorder and Traumatic Brain Injury -- the invisible wounds of war. Perfectly Wounded is the remarkable story of an American hero whose incredible survival defies explanation, and whose blessed life of service continues in the face of unimaginable odds.

It Ends with Us Sarah Crichton Books

That "glowing skin" everyone promised you looks remarkably similar to the hormonal acne you battled as a teen Your special bond with your husband? It means he can't sleep in the same room as you, thanks to your killer gas The lady at the grocery store remarks "it must be any day now!" when you haven't finished your second trimester You debut the perfect name for your baby—which your mother-in-law immediately describes as "interesting" (complete with a wrinkled nose) There's no doubt about it: Pregnancy isn't all it's cracked up to be. In this complete update of the bestselling first edition, Joanne Kimes pairs no-holds-barred humor with helpful advice to get you through the next nine months with (some level of) your sanity intact. So whether you're looking for the scoop on

hypnobirthing, you want to know a cure for your hemorrhoids, or you really just want a laugh (even if you might pee in your maternity leggings), this book will tell you exactly what to do when that miracle of yours is making you totally, completely, gestationally miserable.

You're a Miracle (and a Pain in the Ass) Algonquin Books

In this "brave and heartbreaking novel that digs its claws into you and doesn't let go, long after you've finished it" (Anna Todd, New York Times bestselling author) from the #1 New York Times bestselling author of All Your Perfects, a workaholic with a too-good-to-be-true romance can't stop thinking about her first love. Lily hasn't always had it easy, but that's never stopped her from working hard for the life she wants. She's come a long way from the small town where she grew up—she graduated from college, moved to Boston, and started her own business. And when she feels a spark with a gorgeous neurosurgeon named Ryle Kincaid, everything in Lily's life seems too good to be true. Ryle is assertive, stubborn, maybe even a little arrogant. He's also sensitive, brilliant, and has a total soft spot for Lily. And the way he looks in scrubs certainly doesn't hurt. Lily can't get him out of her head. But Ryle's complete aversion to relationships is disturbing. Even as Lily finds herself becoming the exception to his "no dating" rule, she can't help but wonder what made him that way in the first place. As questions about her new relationship overwhelm her, so do thoughts of Atlas Corrigan—her first love and a link to the past she left behind. He was her kindred spirit, her protector. When Atlas suddenly reappears, everything Lily has built with Ryle is threatened. An honest, evocative, and tender novel, It Ends with Us is "a glorious and touching read, a forever keeper. The kind of book that gets handed down" (USA TODAY).

The Miracle Morning Random House

NEW YORK TIMES BESTSELLER • A harrowing, moving memoir of the 1972 plane crash that left its survivors stranded on a glacier in the Andes—and one man's quest to lead them all home—now in a special edition for 2022, commemorating the fiftieth anniversary of the crash, featuring a new introduction by the author "In straightforward, staggeringly honest prose, Nando Parrado tells us what it took—and what it actually felt like—to survive high in the Andes for seventy-two days after having been given up for dead."—Jon Krakauer, author of Into the Wild "In the first hours there was nothing, no fear or sadness, just a black and perfect silence." Nando Parrado was unconscious for three days before he woke to discover that the plane carrying his rugby team to Chile had crashed deep in the Andes, killing many of his teammates, his mother, and his sister. Stranded with the few remaining survivors on a lifeless glacier and thinking constantly of his father's grief, Parrado resolved that he could not simply wait to die. So Parrado, an ordinary young man with no particular disposition for leadership or heroism, led an expedition up the treacherous slopes of a snowcapped mountain and across forty-five miles of frozen wilderness in an attempt to save his friends' lives as well as his own. Decades after the disaster, Parrado tells his story with remarkable candor and depth of feeling. Miracle in the Andes, a first-person account of the crash and its aftermath, is more than a riveting tale of true-life adventure; it is a revealing look at life at the edge of death and a meditation on the limitless redemptive power of love.

The Age of Miracles Courier Corporation

Stress, pain, grief... Do you need a miracle? They still happen, says Wuellner, a wise spiritual director, counselor and healer. She's a witness to their power and mystery. "Fifty years ago, as a young pastor, I probably would've denied it," she writes. "But over the years I have become humbler, listening and observing more. Yes, acts of wonder still occur surprisingly often in the physical world. "God works closely in, with and through us as every atom, each cell, every thought and action open to reveal God's love." Televangelists have sullied them, but the mystery of miracles fit into the biblical and theological framework of today. Rediscover their wonder and power. Focusing on seven of Jesus' miracles, Wuellner invites you to consider: What does this story tell me about God and how God feels for me? How can this story help me with my problem? Wuellner explores the many ways God's generous goodness and mercy are available to each of us. For anyone facing illness or a life crisis, Miracle opens the depths of spiritual richness for living a full life in spite of it all. Each chapter ends with a guided meditation. In these stories and meditations, you'll discover Christ's power to touch your intense hurts. Christ can transform them into a life of miracles.

There Will Be No Miracles Here Flatiron Books

By Some Miracle I Made It Out Of There Simon and Schuster

Good to Great Convergent Books

Tallahassee, Florida, 1960s: Brought up by his loving, strict and clear-sighted grandmother, Elwood Curtis is about to enroll at the local black college. But one innocent mistake is enough to destroy his future, and so Elwood arrives instead at the Nickel Academy, which claims to provide training for its inmates to become "honorable and honest men". In reality, the Nickel Academy is a chamber of horrors, where abuse is rife. Stunned to find himself in this vicious environment, Elwood attempts to live by Dr. Martin Luther King's assertion, "Throw us in jail and we will still love you." But his new friend Turner believes the only way to survive is to emulate the cruelty of their oppressors. The tension between Elwood's idealism and Turner's skepticism leads to a decision that will have decades-long repercussions...

A Course in Miracles Penguin

A Course in Miracles (ACIM)—the self-study spiritual-thought system that teaches the way to love and forgiveness—has captured the minds and hearts of millions of people, and delivered inner peace where fear and pain once prevailed. Its universal message is unsurpassed in its power to heal. Yet many students report that they have difficulty grasping the principles, or encounter resistance to the lessons. So, even while they yearn for the spiritual freedom the Course offers, they put the book aside, hoping one day to get to it. Alan Cohen, ACIM student and teacher for over 30 years, takes the Big Picture ideas of the Course and brings them down to earth in practical, easy-to-understand lessons with plenty of real-life examples and applications. A Course in Miracles Made Easy is the Rosetta stone that will render the Course understandable and relatable; and, most importantly, generate practical, healing results in the lives of students. This unique reader-friendly guide will serve longtime students of the Course, as well as those seeking to acquaint themselves with the program.

The Nickel Boys Harlequin

Adam Taliaferro had it all: smarts, an easy-going personality, and incomparable athletic ability. None of that seemed to matter, however, on that fateful September day when his father was given startling news: Do not expect your son to walk. Ever. Since that numbing day, Taliaferro, the Penn State freshman cornerback who was paralyzed after he tackled an Ohio State running back, has

defied the odds. Before he had spinal-fusion surgery, he made a vow to his mother: "Mom, I'm not going out like this." Three months later, he walked out of a Philadelphia hospital on crutches, determined to complete his amazing recovery, making the name "Adam Taliaferro" synonymous with courage and perseverance.

The Miracle of Kathleen: The Kathleen Wright Story Harper Collins

New York Times bestseller: The true story of the WWII naval battle portrayed in the Roland Emmerich film is "something special among war histories" (Chicago Sun-Times). Six months after Pearl Harbor, the seemingly invincible Imperial Japanese Navy prepared a decisive blow against the United States. After sweeping through Asia and the South Pacific, Japan's military targeted the tiny atoll of Midway, an ideal launching pad for the invasion of Hawaii and beyond. But the US Navy would be waiting for them. Thanks to cutting-edge code-breaking technology, tactical daring, and a significant stroke of luck, the Americans under Adm. Chester W. Nimitz dealt Japan's navy its first major defeat in the war. Three years of hard fighting remained, but it was at Midway that the tide turned. This "stirring, even suspenseful narrative" is the first book to tell the story of the epic battle from both the American and Japanese sides (Newsday). Miracle at Midway reveals how America won its first and greatest victory of the Pacific war—and how easily it could have been a loss.

The Daily Show (The Book) St. Martin's Press

Twin brothers David and Jason Benham grew up with big dreams of baseball and an even bigger trust in God. Though they attended a small high school with no baseball field, turned down a professional offer so they could attend college together, and faced more than one missed pitch and injuries, they kept dreaming, praying together on the field, and believing in God's provision for their lives. David and Jason's journey, from Little League to college to professional baseball and beyond, reminds us that even when we don't know what God is up to, He's putting together the pieces of our life's puzzle and executing the plans He has for each of us. Miracle in Shreveport tells the story of a family's love, the power of prayer, and a game that is truly all-American. It is also the story of brotherhood staying strong, despite the threat of comparison in a profession committed to competition. Most of all, it is the story of being faithful in small steps, honoring God in the process, and trusting His hand in our lives. In this book, the Benhams call us to remember that when we follow God's dream for us, we find it is better than we could have ever dreamed for ourselves.

A Snicker of Magic (Scholastic Gold) Random House

What if the real secret of millionaires isn't about doing more, but becoming more? Millionaires know everything in your present is a result of how you thought, decided, and acted in the past. That's where you find your Millionaire Miracle Morning.

The Miracle Equation Upper Room Books

The bestselling author of *The Miracle Morning* shares the secret to unlocking your full potential—all day, every day. "A simple, proven formula for creating extraordinary results in your life."—Lewis Howes, New York Times bestselling author of *The School of Greatness* Even after the incredible success of his book *The Miracle Morning*, Hal Elrod realized that he still had more to share with the world. What he had discovered was a timeless but overlooked formula for success. The world's top achievers have used it for centuries. He used it to thrive against seemingly insurmountable odds, from overcoming life-threatening health challenges to near financial collapse. That formula is *The Miracle Equation*, and it couldn't be any simpler: Unwavering Faith + Extraordinary Effort = Miracles By establishing and maintaining Unwavering Faith that you can achieve anything you desire, and

then putting forth Extraordinary Effort until you do, you'll create results beyond what you believe to be possible. In *The Miracle Equation*, you'll learn how to • Replace fear with faith • Move from resistance to acceptance • Let go of negative emotions • Turn off your stress response • Overcome your limitations to unlock your limitless potential • Develop emotional invincibility • Grow from happiness, which is fleeting, to inner peace, which is lasting And with the *Miracle Equation 30-Day Challenge* to guide your way, you'll create a step-by-step plan to actualize your miracles and become the person you need to be in order to succeed. No goal is out of reach! Praise for *The Miracle Equation* "The *Miracle Equation* isn't just a book, it's the formula that I myself have used to achieve greatness beyond what I ever believed was possible. Hal Elrod has taken the mystery out of miracles and gives you a simple, proven formula for creating extraordinary results in your life. Highly recommended."—Lewis Howes, New York Times bestselling author of *The School of Greatness* "You're only two decisions away from achieving everything you want. And my friend, Hal Elrod, has simplified these two decisions into a simple equation for achieving results. Follow it, and your success is virtually guaranteed. If you want your biggest goals to move from possible, to probable, to inevitable, you better read *The Miracle Equation*."—Mel Robbins, bestselling author of *The 5-Second Rule*

Sigh, Gone Farrar, Straus and Giroux

Offers ecumenical meditations on love, perception, forgiveness, eternal life, and theoretical concepts in theology

The Unwinding of the Miracle Scholastic Inc.

"Holding brain science in one hand and rich emotional presence in the other, this book feels timely and necessary."—Shauna Niequist, New York Times bestselling author of *Present Over Perfect* Why is there such a gap between what you want to do and what you actually do? The host of *Ask Science Mike* explains why our desires and our real lives are so wildly different—and what you can do to close the gap. For thousands of years, scientists, philosophers, and self-help gurus have wrestled with one of the basic conundrums of human life: Why do we do the things we do? Or, rather, why do we so often not do the things we want to do? As a podcast host whose voice goes out to millions each month, Mike McHargue gets countless emails from people seeking to understand their own misbehavior--why we binge on Netflix when we know taking a walk outside would be better for us, or why we argue politics on Facebook when our real friends live just down the street. Everyone wants to be a good person, but few of us, twenty years into the new millennium, have any idea how to do that. In *You're a Miracle (and a Pain in the Ass)*, McHargue addresses these issues. We like to think we're in control of our thoughts and decisions, he writes, but science has shown that a host of competing impulses, emotions, and environmental factors are at play in every action we undertake. Touching on his podcast listeners' most pressing questions, from relationships and ethics to stress and mental health, and sharing some of the biggest triumphs and hardships from his own life, McHargue shows us how some of our qualities that seem most frustrating--including "negative" emotions like sadness, anger, and anxiety--are actually key to helping humans survive and thrive. In doing so, he invites us on a path of self-understanding and, ultimately, self-acceptance. *You're a Miracle (and a Pain in the Ass)* is a guided tour through the mystery of human consciousness, showing readers how to live more at peace with themselves in a complex world.

Pocket Books

Now a major motion picture starring Drew Barrymore, Ted Danson, Kristen Bell, Tim Blake Nelson, John Krasinski, and Vinessa Shaw—an account of the dramatic rescue of three gray whales trapped under the ice in Alaska in 1988. Set in Cold War-era 1988, *Big Miracle* tells the real story behind the remarkable, bizarre, and oftentimes uproarious event that mesmerized the world for weeks. On October 7, an Inuit hunter near Barrow, Alaska, found three California Gray whales imprisoned in the Arctic ice. In the past, as was nature's way, trapped whales always died. Not this time. Tom Rose, who was covering the event for a Japanese TV station, compellingly describes how oil company executives, environmental activists, Inupiat people, small business people, and the U.S. military boldly worked together to rescue the whales. He also tells the stories of some of the more than 150 international journalists who brought the story to the world's attention. The rescue was followed by millions of people around the world as Ronald Reagan and Mikhail Gorbachev joined the forces of their two nations to help free the whales.
