*The Curse* Dark Horse Comics  
One in a series of unofficial graphic novels for Minecraft The sequel to Megan Miller's *Quest for the Golden Apple* Follows Phoenix and her new friends as they fight to save Xenos from zombie monks Phoenix, Wolfie, and their friends are back in this exciting second part of the Unofficial Graphic Novel for Minecrafters series! Past the walls of their monastery, the monks of Xenos grow enchanted golden apples for their neighbor villagers. As readers learn in *Quest for the Golden Apple*, these golden apples have magical healing abilities and have the power to keep the villagers save. The monks also have and protect the knowledge that connects Xenos to her sister worlds. This

knowledge keeps Xenos and her citizens safe. But when the monks are zombified, Xenos's citizens need a new hero. Following the design of zombie comics and Minecraft comics, follow Phoenix and her friends as they fight to save the citizens and monks of Xenos. But Phoenix and her crew of heroes have no idea and do not suspect the culprit behind this disaster—an incredibly powerful foe who will do anything to keep Phoenix from saving her world. The following three books in this series—*Chasing Herobrine*, *The Ender Eye Prophecy*, and *Battle for the Dragon's Temple*—continue the adventures of Phoenix and are written by Cara J. Stevens. This book is sure to delight fans of both authors, graphic novels, and Minecraft. Sky Pony Press, with our Good Books, Racehorse and Arcade imprints, is proud to publish a broad range of books for young readers—picture books for small

children, chapter books, books for middle grade readers, and novels for young adults. Our list includes bestsellers for children who love to play Minecraft; stories told with LEGO bricks; books that teach lessons about tolerance, patience, and the environment, and much more. In particular, this adventure series is created especially for readers who love the fight of good vs. evil, magical academies like Hogwarts in the Harry Potter saga, and games like Minecraft, Terraria, and Pokemon GO. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.

An ancient jungle temple holds the secrets to stopping the evil Herobrine! Gameknight999's true enemy has finally surfaced: Herobrine, an artificially intelligent virus that wants to escape Minecraft and destroy mankind with their own creation—the Internet. If he is able

to escape the game and get online, Herobrine will infect millions of computer systems and turn machines and weapons on their masters, threatening all of humanity. After facing Herobrine in battle and nearly dying, Gameknight realizes he's going to need much more help to defeat this seemingly invincible enemy. His NPC friends tell him of the ancient Oracle residing in the oldest jungle temple in Minecraft who knows the secret to defeating this terrible threat. The path to the temple is fraught with danger, with zombies, spiders, and creepers lying in wait behind every tree and bush. Gameknight will enlist the help of his friends on his quest, but will they reach the Oracle in time to stop Herobrine? Gameknight999 will be tested to his limits, and perhaps beyond, in this spine-tingling new adventure. Gameknight999 reenters Minecraft to find it completely changed. There are new monsters that he's never seen before: giants and skeleton druids and pinch beetles and king spiders and mistwolves. Villages are larger than

ever, and more heavily fortified; Minecraft had become much more dangerous. Even the very trees had changed, with some of them reaching up taller than the User-that-is-not-a-user ever thought was imaginable. There's a diamond block portal outside of Crafter's village, and rumors are spreading that a strange user was seen coming out of the portal with a young boy, before they disappeared into another portal, leaving behind a square hole one block deep with a ring of flowers around it. Gameknight recognizes it as the portal to reach the Twilight Forest mod. But how can there be mods here in the vanilla Minecraft? The User-that-is-not-a-user follows the trail, and finds odd mentions of "303" and "White Castle." But what do the clues mean? Just how dangerous is this new user to Minecraft, and where is he taking the young NPC? Only Gameknight999 will be able to find out. Steve is back and ready for more adventures! But this time the excitement lands closer to home. While walking home from the village, Steve is surprised to hear a loud BOOM! When he returns home, he finds his wheat farm destroyed and a huge crater where the wheat once grew. And his diamond sword is missing! Steve believes it's the act of a griefer with a lot of TNT. Devastated, Steve wants to rebuild and find his sword, but with his wheat destroyed, he must call on old friends to help him. All together again, Lucy, Max, and Henry tell harrowing stories of their treasure hunts and conquests, and Steve discusses his strategy for rebuilding. They all go to sleep, excited to begin their plans; but when they wake up, Henry is missing! Looking for Henry in the village, two of Steve's neighbors, Kyra and Adam, have been targeted as well: Kyra's barn was flooded with lava, and Adam's friend Thomas is missing too! Who is the griefer terrorizing Steve and the

villagers? And how will Steve find the resources to rebuild his prosperous farm? With suspicion circulating and no answers to be found, Steve finds himself wrongly suspected of these crimes—and so he must discover who the mischievous griefer is before something even worse happens.
