Madison Kate is a new adult/college age dark romance with enemies to lovers/hate to love themes. This is a reverse harem series, meaning the leading lady has several love interests and she doesn't have to choose between them for her happily ever after. If this isn't your cup of tea, then this isn't the series for you.
♥ KATE is book 4 of 4 in the MADISON KATE series. The blurb below may contain spoilers for previous books, and I urge you not to read it until you've finished HATE, LIAR and FAKE. ♦♦♦ "I never miss." Riot Night changed my life. Coming back to Shadow Grove turned it on its head. I've been hunted, stabbed, stalked, tormented, and used. Hate fueled me, lies tore me apart, and in the end everything I thought I knew turned out to be fake. Except... Riot Night also brought Archer, Kody, and Steele back into my life. No matter how much I've fought it, hated it, been lied to or discovered the deceptions-I want them in my life. No one owns me. No one is taking them away. This is my life, dammit, and these guys are mine to keep. If a war is what it takes, then a war is what they'll get.

It should have been an easy task, for a skilled mercenary like Rybet Waise. Simply break into the royal palace, and rescue her friend from the executioner's block. But when Rybet accidentally qualifies for the Trials, she finds herself with little choice but to see them through. A thin veil of etiquette, elegance and glamour hides the true nature of the Trials. Thrust into the limelight and forced to compete with the Kingdom's elite sweethearts, unlikely allies emerge and bonds are formed. But someone will stop at nothing to see her fail. After all, she's nothing but a dirty pond-dweller. Rybet will do whatever it takes to survive until the Golden Ball, Princes be damned. Book 2: SEEKER One quest. One crown. One shattered heart. The Royal Trials were never meant to be easy, not even for an imposter like Rybet Waise. But nothing could have prepared her for the magical storms, mutated animals and malicious gods standing in her way. There is no time for tears, mere hours after being bathed in Prince

Alexander's blood, Rybet must embark on a quest. The second trial dictates she find a missing magical artefact--Queen Ophelia's crown. Released from the overbearing confines of the royal palace, Rybet competes not only with the other remaining ladies, but also with the land itself. Magic is more volatile than ever, and the gods have come out to play. Royal love interests who don't know how to share only make things harder for this dirty pond-dweller--if that's really all she is. Rybet will do whatever it takes to make it out alive, and with her heart unbroken. Book 3: HEIR A corrupt King. A murdered Queen. A missing Princess... Found. Once upon a time, The Royal Trials were a sacred ritual designed for a queen to select her king. But nothing is as it was in the kingdom of Tiech. Not since the brutal murder of beloved Queen Ophelia. The town of Ironforge revealed important secrets, but it all came at an unbearable cost. The streets run red with the blood of innocents and Rybet's heart is heavy as she returns to Lakehaven. Facing court and her mother's murderer will require more than just a brave face. She will need the skill, intellect and support of those who love her. Or what's left of them. Torn between love and duty, Rybet faces decisions she never thought she would have to make. This long lost princess will do whatever it takes to make it to the Golden Ball, even at the cost of her own happiness. **PLEASE NOTE: This is a reverse harem romance, meaning the leading lady ends up with 3+ love interests and does not choose between them. If that's not your cup of tea, this isn't the series for you!**

The fifth edition of *The Disability Studies Reader* addresses the post-identity theoretical landscape by emphasizing questions of interdependency and independence, the human-animal relationship, and issues around the construction or materiality of gender, the body, and sexuality. Selections explore the underlying biases of medical and scientific experiments and explode the binary of the sound and the diseased mind. The collection addresses physical disabilities, but as always investigates issues around pain, mental disability, and invisible disabilities as well. Featuring a new generation of scholars who are dealing with the most current issues, the fifth edition continues the Reader's tradition of remaining timely, urgent, and critical.

Anarchy is the SECOND in a new Shadow Grove series. Several characters cross over to the Madison Kate series but it is not necessary to read MK's story first. HADES is a contemporary new adult reverse harem series, which means the leading lady has several love interests and never has to choose in order to find her HEA. ♦♦♦ Five years ago, I made a choice that I haven't regretted a day since. I protected the single most important person in my world, my little sister. I protected myself, and I seized control of the Tri-state Timberwolves. Since then, I've wielded that power with an iron fist. Done whatever it took to take care of my people. Kept us out of the public eye, and kept us safe. Now a ghost from my past is threatening my position. Challenging me. Peddling their poison and breaking my rules. Stabbing at me in the dark. Blowing up my fucking club. But this last attack has taken it one step too far. They have no idea the lengths I'll go to protect what is mine. And Lucas? He's mine. They want anarchy? They haven't seen anything yet. ♦♦♦ Anarchy is book TWO of FOUR in the Hades series.

From the international bestselling author of The Lost Wife and The

Garden of Letters, comes a story--inspired by true events--of two women pursuing freedom and independence in Paris during WWII. As Paris teeters on the edge of the German occupation, a young French woman closes the door to her late grandmother's treasure-filled apartment, unsure if she'll ever return. An elusive courtesan, Marthe de Florian cultivated a life of art and beauty, casting out all recollections of her impoverished childhood in the dark alleys of Montmartre. With Europe on the brink of war, she shares her story with her granddaughter Solange Beaugiron, using her prized possessions to reveal her innermost secrets. Most striking of all are a beautiful string of pearls and a magnificent portrait of Marthe painted by the Italian artist Giovanni Boldini. As Marthe's tale unfolds, like velvet itself, stitched with its own shadow and light, it helps to guide Solange on her own path. Inspired by the true account of an abandoned Parisian apartment, Alyson Richman brings to life Solange, the young woman forced to leave her fabled grandmother's legacy behind to save all that she loved.
