Jamaicasaurus Simon and Schuster

As the influence of Caribbean continues to expand, LMH has catered for this increase in international interest for this unique and diverse culture with its range of Official Dictionaries that offer a quick capsule of the Caribbean's everyday lifestyle. This latest instalment in the series is a humorous look at how to love it up island style.

The Ganja Dictionary LMH Publishers

A document of the evolution of Falmouth, Jamaica, from its heyday in the 17th century through to the start of the 20th century, when the Falmouth Court House was destroyed by fire symbolising the end of colonialism and the emergence of a new Jamaica. The text gives a quick and sensitive glance into the history and legacy of the town.

LMH Official Dictionary of Cricket Terms MacMillan Education, Limited

The layman's guide to nature's most controversial herb. The dictionary includes a brief history of Ganja and its uses, as well as a rundown of products, strains, and words and phrases. It also features jokes, quotes, famous proponents, and a top ten list of Ganja songs and movies.

Lmh Official Dictionary of Sex Island Style LMH PUBLISHING LIMITED

One of four titles in LMH's special cricket series. Lists the batsmen of West Indies cricket from A to Z, including tests, one day internationals and a brief biography. Any bowler who has bowled at least 1000 balls is in - with honourable mentions going to those who haven't, but who have had a significant impact on the game.

Lmh Official Dictionary of Jamaican Athletes Cambridge University Press

A childhood in a privileged household in 1950s Havana was joyous and cruel, like any other-but with certain differences. The neighbour's monkey was liable to escape and run across your roof. Surfing was conducted by driving cars across the breakwater. Lizards and firecrackers made frequent contact. Carlos Eire's childhood was a little different from most. His father was convinced he had been Louis XVI in a past life. At school, classmates with fathers in the Batista government were attended by chauffeurs and bodyguards. At a home crammed with artifacts and paintings, portraits of Jesus spoke to him in dreams and nightmares. Then, in January 1959, the world changes: Batista is suddenly gone, a cigar-smoking guerrilla has taken his place, and Christmas is cancelled. The echo of firing squads is everywhere. And, one by one, the author's schoolmates begin to disappear-spirited away to the United States. Carlos will end up there himself, without his parents, never to see his father again. Narrated with the urgency of a confession, **WAITING FOR SNOW IN HAVANA** is both an ode to a paradise lost and an exorcism. More than that, it captures the terrible beauty of those times in our lives when we are certain we have died-and then are somehow, miraculously, reborn.

The Rise and Fall of Falmouth Jamaica LMH Publishers

The Caribbean is host to one of the most diverse areas of the whole world - both culturally and ecologically. This book takes a look at some of the herbs and medicinal plants found in the Caribbean, a place awash with ancient herbal remedies for a number of common ailments. With advice on how to use them wisely, moderately and regularly, it also explores some of the myths and legends associated with these herbs and plants.

LMH Official Dictionary of West Indies Batsmen Healing Herbs of Jamaica

This book functions as both a translation dictionary and a thesaurus. With 3,781 entries and 14,000

translations and synonyms, it is not only the first translation dictionary to go from English to Jamaican Creole (Patois), but also the first book that can function as a Jamaican thesaurus. The *Jamaicasaurus* is thus an essential resource for anyone interested in Jamaican culture and language, whether local or foreigner, as it marks a new milestone for this dialect of increasing global interest while also serving native speakers searching for alternate words and expressions, recent slang, and old terms from the past. To use this book as a thesaurus, simply look up the English equivalent of the Jamaican word or phrase you have in mind to see the various Jamaican synonyms listed. The appendix at the back of the book additionally features lists of Jamaican expletives and exclamations, from mild to vulgar; odd curiosities; and the local Jamaican names for 278 important species of plants and trees used in Jamaica for food, medicine, and cultural purposes (listed by scientific name first). Furthermore, and quite importantly, the *Jamaicasaurus* bridges the gap between the common English-based way of writing Patois words and the Cassidy-JLU (or 'Jamiekan') system developed by Jamaican linguists to more consistently and accurately represent how those words really sound. This version of the book uses that latter format, the Jamiekan format. It's easy to learn and worth trying. Another edition of the *Jamaicasaurus*, featuring common English-based spellings, is also available. It has a black cover.

Pure Economics Springer Science & Business Media

The LMH Official Dictionary of Jamaican Reggae & Dancehall Stars Vol. 1, takes a brief look at some of Jamaica's musical stars, both past and present. It includes the pioneers, the legends and the members of the new generation who have, through their music, made a major impact both locally and internationally. Some of the artistes included in the first volume are Beres Hammond, Cocoa Tea, Damian Marley, Bunny Wailer, Shaggy and many more.

The Official Dancehall Dictionary LMH Publishers

This is the true story of Don Taylor's relationship with Bob Marley. In recording Taylor's years as Marley's manager, and his role in the handling of Bob's affairs after his death, this book fully reveals all the behind-the-scenes manipulations which have led to the many open court conflicts, highlighting the illegal activities of those who still, to this day, continue to distort Bob's achievements.

LMH Official Dictionary of Jamaican History LMH Publishers

One of four titles in LMH's special cricket series. Includes, for each entry, the history of the country where the ground is located; the history of the ground itself; ground statistics, victories and losses; and individual performances of note that have taken place there.

Caribbean Wild Plants and Their Uses LMH Publishers

The plural form 'Englises' conveys the diversity of English as a global language, pinpointing the growth and existence of a large number of national, regional and social forms. The global spread of English and the new varieties that have emerged around the world has grown to be a vast area of study and research, which intersects multiple disciplines. This Handbook provides a comprehensive and authoritative survey of World Englises from 1600 to the present day. Covering topics such as variationist sociolinguistics, pragmatics, contact linguistics, linguistic anthropology, corpus- and applied linguistics and language history, it combines discussion of traditional topics with a variety of innovative approaches. The chapters, all written by internationally acclaimed authorities, provide up-to-date discussions of the evolution of different Englises around the globe, a comprehensive coverage of different models and approaches, and some original perspectives on current challenges.

LMH Official Dictionary of Jamaican Words and Proverbs AuthorHouse

"Imagine if you could just drink a delicious cup of tea and banish your worst headaches. Or step into a sweetly scented bath and wash away skin eruptions and rashes. What if you could get rid of that nagging back pain once and for all--in just a matter of days? If this all sounds too good to be true, it's because it is ... for most people. Over the last 500 years, these amazing health benefits--and many others besides--have been a fact of life for Jamaica's Maroons. Hidden away for

centuries--nearly forgotten--the Maroons are among the world's most skilled herbalists. But 'civilization' has finally reached their high mountain valleys ... and their culture and knowledge is disappearing. Now, Ivelyn Harris, the last living Maroon healer, has broken her silence. Afraid that her ancestors' healing knowledge may die with her, Ivey has decided to share her secrets. Secrets that made heart disease, diabetes, cancer and other devastating illnesses almost unknown among the Maroons. Remedies for everything from headaches to hemorrhoids to heart problems."-- Publisher's description.

The Dictionary of Lost Words LMH Publishers

With the emergence of Dancehall music on the world,scene, the language which accompanies it has,gained wide exposure. Many who hear and sometimes,use these words may not be fully aware of their,meanings. LMH Official Dictionary of Jamaican Reggae and Dancehall Stars Anchor

Speak Jamaican is a comprehensive instructional tool that outlines the grammar of Jamaican Creole. The course is designed to facilitate fluency in speech. It delineates the pronunciation and grammar of the Jamaican Creole language, and it includes lessons outlining the formation of tenses, irregularverbs, adjectives, adverbs, questions, commands, pluralization, the passive voice, making a sentence negative, showing ownership, structures unique to Jamaican Creole, and additional tenets. Each lesson consists of practice exercises and a vocabulary list to familiarize the reader with Jamaican Creole grammar. If the reader is looking to do more than just 'parrot' Jamaican words and phrases, this work is a vital instrument to achieving that goal.

The Voynich Manuscript Ballantine Books

Hazel was a beautiful, old-fashioned, strong-willed, hardworking, kind and loving lady. A disciplinarian who would no doubt try to discipline even a lifeless corpse. After the death of her husband, Hazel worked on her own small farm. She showed her daughter and grandchildren, and even strangers, nothing but tough love. As Hazel became older and lonely, her family visited her and tried to modernise her life, but Hazel and her friends were unimpressed. An eccentric character, Hazel was well-known and loved by the people in her hometown.

Understanding Jamaican Patois Lmh Pub

As worldwide interest in the diverse culture and history of the Caribbean grows, there is an increasing demand for titles that provide a quick, introductory look at everyday Caribbean lifestyle. Part of a continuing series of small but informative books recording the multifaceted history, culture and cuisine of the region, the LHM Dictionary of Caribbean Exotic Fruits takes a concise look at the wide variety of fruit that can be found across the Caribbean.

Dictionary of Acronyms and Technical Abbreviations LMH PUBLISHING LIMITED

"We all write: emails, letters, articles, proposals, reports, press releases, essays and examinations. But for Caribbean English-speakers, writing 'proper' English is often a challenge since we are in fact Creole-speakers. In *The Knots in English*, Merle Hodge capitalises on her 25 years of teaching experience to break down the differences between English grammar and Creole grammar and provide users with a key tool in improving language proficiency. It uses straightforward examples to demystify the English language for the student, teacher, professional and everyday user alike. *Knots* is divided into 8 sections and is laid out in an easy to follow format, complete with answers. One of its best features is that users may consult individual sections for clarification on particular

points or work through each section from beginning to end. Since its initial publication in 1997, *The Knots in English* has established itself as the go-to guide for teaching and learning English in the Caribbean and is intended primarily as an English language teaching support. *The Knots in English*

will prove valuable to all Caribbean English-speakers. "

LMH Official Dictionary of Bahamian Words and Proverbs LMH Publishers

After it was known that Jamaican natives failed interviews that were conducted in patois, the writer decided that it was time to awaken Patois. This book was written to inform readers that Patois is a

written language which can be learned and spoken like any other language. The words and phrases in this book, originated from English, African, and Creole, and can be heard wherever Jamaican natives reside.
