Beneath the Surface St. Martin's Press  
"This is a delightful book. Daniel Bortz has a contagious sense of wonder and that special gift of being able to take your hand and lead you to those pure

and wholesome places in yourself that you forgot existed." -Rav Avraham Sutton, Author of Spiritual Technology and Master Kabbalist Beneath the Surface describes life beyond the superficial layer of reality from a deeper perspective, drawing from mystical Jewish sources that discuss answers to life's existential questions. Who am I and

why am I here? How can I improve my relationships with others? Why must I endure so many tests and struggles? How should I define success? Is there anything more to this life than what meets the eye? Bortz inspires with engaging stories and parables selected from ancient Jewish texts that are delivered in a practical style, relevant to our day-to-day 21st century lives. Short and to the point, yet maintaining the depth of wisdom in the original idea, this book of self improvement contains no fluff. Each section offers something valuable to the uninitiated and expert alike. While many advanced sources are discussed, no previous knowledge is necessary before reading this book. Our universe is wondrous, full of a beauty that is found in its myriad complex

details. More incredible, though, is the beauty found within, if only we took the time to notice. Each of us has a vital role to play in the purpose of our universe. By discovering our soul, the priceless treasure inside, we can light up our lives and the world around us for the better. Humanity needs it now more than ever. *Beneath the Surface* Reddoor Publishing  
The path of true love never did run straight. Kristin and Sheryl, the founders of the Pink Bean coffee shop, seem to have the perfect relationship. But their bond hasn't always been so flawless. Go back in time, and peek behind the closed doors of the Pink Bean, to find out what brought them together. On a scorching hot summer day in Preston, Australia, Spike and Bubba go for a swim in the old water tower which casts a long dark shadow across everything in the area.

Workplace Attachments Simon and Schuster

Understanding Disability Throughout History explores seldom-heard voices from the past by studying the hidden lives of disabled people before the concept of disability existed culturally, socially and administratively. The book focuses on Iceland from the Age of Settlement, traditionally considered to have taken place from 874 to 930, until

the 1936 Law on Social Security (Lög um almannatryggingar), which is the first time that disabled people were referenced in Iceland as a legal or administrative category. Data sources analysed in the project represent a broad range of materials that are not often featured in the study of disability, such as bone collections, medieval literature and census data from the early modern era, archaeological remains, historical archives, folktales and legends, personal narratives and museum displays. The ten chapters include contributions from multidisciplinary team of experts working in the fields of Disability Studies, History, Archaeology, Medieval Icelandic Literature, Folklore and Ethnology, Anthropology, Museum Studies, and Archival Sciences, along

with a collection of post-doctoral and graduate students. The volume will be of interest to all scholars and students of disability studies, history, medieval studies, ethnology, folklore, and archaeology.

**Beneath the Surface** Covenant Communications

Carly Jo Simon carries the weight of the world on her shoulders. When she unearthed her daddy's secrets, she had no idea the repercussions she would be faced to live with. Now, his secrets are her own to carry, as she fights to protect her sister Savannah from their daddy's daunting past and their bastard brother Drew. Savannah wears a mask of perfection, shielding everyone from the reality of her personal imprisonment. When Savannah's secrets are exposed,

Carly stands by her, hand in hand, offering Savannah the comfort and strength she needs to move on. Despite carrying the weight of other's secrets on her back, Carly's own secrets burden her deeply. Although she battled to keep her heart safely guarded from Colton Weston, he owns every inch of her. But when Carly turned her back on Colton and opened her arms to her best friend Luke, she made a mistake that could shatter all three of their lives. They all have something to hide. But it's the secrets that lie beneath the surface that could destroy them all.

**Beneath the Surface** Heyday Books Prepare to peek into the mind of a champion, known as the most decorated Olympian of all time with 28 medals, including 23 gold, with this newly

updated edition of Michael Phelps's autobiography, *Beneath the Surface*. In this candid memoir, Phelps talks openly about his battle with attention deficit disorder, the trauma of his parents' divorce, and the challenges that come with being thrust into the limelight. Readers worldwide will relive all the heart-stopping glory as Phelps completes his journey from the youngest man to ever set a world swimming record in 2001, to an Olympic powerhouse in 2008, to surpassing the greatest athlete of ancient Greece, Leonidas of Rhodes, with 13 triumphs in 2016. Athletes and fans alike will be fascinated by insights into Phelps's training, mental preparation, and behind-the-scenes perspective on international athletic competitions. A

chronicle of Phelps's evolution from awkward teenager to record-breaking powerhouse, *Beneath the Surface* is a must-read for any sports fan.

Surface Dyslexia Quercus Publishing  
Micah has done the research and has all but proven his theory. He's confident that he can single-handedly solve the world's devastating water crisis - he just needs the funding. After a shocking financial setback to his own non-profit's crucial fundraising attempt, Micah takes the world's fate into his own hands. Convinced his discovery of a freshwater well deep within the Pacific Ocean is the solution to the world's depleting water sources, Micah recruits his wife, a scientist and philanthropist in her own right, two professional acquaintances and one stranger to help him achieve his

goal. The unconventional team sets out to accomplish the impossible, hopefully convincing a key investor to fund their full expedition in the process. As the team gets closer to successfully fulfilling their mission, they begin to discover that some things lurking in the deep of the ocean should be left beneath the surface.

*Beneath the Hood* MIT Press

Using the backdrop of familiar Biblical examples, Bob Reccord urges readers to set boundaries before temptation arises.

**Beneath the Surface** Montlake  
Romance

This book approaches deep ecology as a philosophy, not as a political, social, or environmental movement.

*Life Under the Mask* St. Augustine Trilogy  
He was the last man she wanted to turn

to for help. But when freelance journalist Quinn Summers uncovers a shocking secret with the potential to rock Washington, DC, she reluctantly finds herself on his doorstep. Someone intends to silence her forever, and Asher Tate may be all that's standing between her and a vicious killer. Overbearing, arrogant, and insanely hot, the ex-marine Special Forces officer turned mercenary for hire is no bodyguard especially when it comes to the stubborn woman who sets his blood on fire as quickly as his temper. Quinn Summers is a powder keg of trouble just waiting for a match, and he isn't surprised that the feisty beauty has made some dangerous enemies. To survive, she's going to have to play by "his" rules and that means stepping into Asher's world, where he

controls the playing field. But in his fight to save Quinn's life, he just might end up losing his heart. "

### **Looking Beneath the Surface**

Routledge

Engage Your Readers with Emotion

While writers might disagree over showing versus telling or plotting versus pantsing, none would argue this: If you want to write strong fiction, you must make your readers feel. The reader's experience must be an emotional journey of its own, one as involving as your characters' struggles, discoveries, and triumphs are for you. That's where *The Emotional Craft of Fiction* comes in. Veteran literary agent and expert fiction instructor Donald Maass shows you how to use story to provoke a visceral and emotional experience in readers. Topics

covered include: • emotional modes of writing • beyond showing versus telling • your story's emotional world • moral stakes • connecting the inner and outer journeys • plot as emotional opportunities • invoking higher emotions, symbols, and emotional language • cascading change • story as emotional mirror • positive spirit and magnanimous writing • the hidden current that makes stories move  
 Readers can simply read a novel...or they can experience it. The Emotional Craft of Fiction shows you how to make that happen.

Beneath the Surface of White Supremacy  
 B & H Books

This book offers an overview of the rapidly expanding field of Psycho-Social research. Drawing on aspects of

discourse psychology, continental philosophy and anthropological and neuro-scientific understandings of the emotions, psycho-social studies has emerged as an embryonic new paradigm in the human sciences. Psycho-social studies uses psychoanalytic concepts and principles to illuminate core issues within the social sciences. The present volume contributes to the development of the new research methodologies in a number of ways. It is written largely from the point of view of practitioners who are also researchers. Although contributors draw largely upon object-relations traditions in psychoanalysis, other influences are also present, particularly from continental philosophy and the sociology of the emotions. It develops an approach to epistemology - how we

know what we know, which is strongly informed by a living approach to psychoanalysis, not just as a theory but as a way of being in the world - that is as a stance.

"The inside story of how Microsoft overcame a \$900 million write-down to become the hero of the PC industry"-- Subtitle on cover.

### **A Transnational History of Skin**

**Lighteners** New World Library  
Australians know Libby Trickett as one of our golden girls of swimming. Winner of multiple Olympic gold medals and setter of world records, Libby wasn't just a champion, she was Australia's girl next door, the humble superstar from suburban Brisbane with the infectious grin and sunny nature. Yet what we saw

on the surface - the confidence, competitiveness and warmth that were her hallmarks - belied the very private battles she fought in her own head. Beneath the incredible achievements and that trademark smile, Libby suffered from crippling depression. During her swimming career she managed to keep her demons more or less at bay, but when an injury forced her to retire in 2013 Libby was suddenly thrust into an unfamiliar world. With few, if any, qualifications to handle it, her self-doubts began to overwhelm her. The birth of her first baby added further complications to her fragile mental health, and she suffered intense postnatal depression. When she finally recognised the depression for what it was, and sought help for it, it was a

major turning point in her life. Libby's memoir is an extraordinarily candid, revealing and inspiring account of both her public life as one of our greatest swimming champions, and her struggle to overcome her mental health challenges.

*Beneath the Surface* Killer Whales, SeaWorld, and the Truth Beyond Blackfish Macmillan

*The Watertower* Interlink Publishing Group Incorporated

This volume is an introductory text to the individual and organizational dynamics by an author with extensive experience in the field. It examines the unconscious processes of human behaviour that affect all organizations and institutions. It is aimed at those who

are currently employed as managers or consultants, students of management, and others with the opportunity to develop knowledge skills and ability in an area of organizational behaviour, which has been largely inaccessible to the majority.

*Beneath the Surface* Routledge

Traces lesser-known historical facts about the nation's largest mountain lake, providing coverage of such subjects as its role in local Washoe Indian legends, its inspiration of more than a dozen literary classics and its impact on the careers of such figures as John Muir, Mark Twain and Frank Sinatra.

*Individuals, Groups and Organizations*

*Beneath the Surface* Routledge

Leigh Weston thought shed left a troubled past behind when she moved

back home to Carrington, North Carolina. But when dive team investigator Ryan Parker finds a body in the lake near her home, she fears the past hasn't stayed where it belongs.
